

ENCAENIA DANCE
TO COMPLETE
U.N.B. CLOSING

Usual Festivities to be Attendant at Closing Here Tonight in Memorial Building--Visitors Here From All Over Province for Function.

The old University of New Brunswick will be the scene of its annual gala social event this evening, when probably four hundred people, will attend the encaenia dance to be held in the Memorial building of the college.

The encaenia dance is one of the outstanding social functions of the college season, and visitors from all parts of the province and other parts of Canada and United States, are usually present for the event.

Old graduates come from various parts of Canada to see another class graduated by their alma mater. The scene is an unusually colorful one, with the ladies gowned in beautiful evening dress, and the men arrayed appropriately to lend the proper effect of a college prom.

The firing of the cannon tonight—an age old custom by the graduating class—will occur sometime in the early morning, it is to be hoped with less disastrous effect than occurred some years ago.

CITY AFFAIRS

Cold Weather
The Capital has again been thrown into a period of cold, windy weather, with prospects for snow or rain to-night. The last few days have been more fall-like than summer.

To Attend Encaenia
D. T. Marsten, chairman, and B. A. Alton, secretary of the Board of Trade at Plaster Rock, are in Fredericton today to attend the encaenia exercises of the University of New Brunswick. They were accompanied by Mrs. Marsten and Mrs. Alton.

Students Return
A number of students, residents of this city, who have been attending outside institutions of learning, are arriving home from some of the colleges and schools which closed earlier than the local ones. Cyril McMullen, son of W. E. McMullen, who graduated from Dalhousie, will practice dentistry in this city. He has already arrived at his home here.

Held "At Home"
President and Mrs. C. C. Jones held an "at home" yesterday afternoon at the University of New Brunswick in honor of the members of the graduating class and their friends. Hon. Hugh H. McLean, the Lieutenant Governor of the province, Chief Justice Sir Douglas Hazen and members of the government attended the function. The Residence of Dr. Jones was charmingly decorated with violets and daffodils, combined with violet candles in silver candlesticks.

At Standstill
The matter of hiring Stan Burgoyne as coach of the Fredericton hockey club for next year, is still hanging fire, though the local executive have been in discussion with him, and expectations are that he will be signed for the job. A general meeting will be held tomorrow night in the City Hall at which time this matter and the election of an executive will be taken up. The player situation is all strengthened away now, with every one in the city and apparently signed up for next winter.

A. J. Doucet of Notre Dame, Kent County is the official interpreter at the investigation of road expenditures now going on before Commissioner Hartley. Mr. Doucet is a native of Inverness County, N. S., but has made his home in Kent County for a number of years. He was twice elected to the Federal Parliament, first at a by-election in 1923, and again in 1925. He is a man of education and is equally at home in both languages. In his capacity as interpreter his genial and diplomatic possesses the confidence of witnesses, and has no difficulty in extracting all necessary information from them.

U.N.B. SOCIETIES
HELD MEETINGS
LAST EVENING

Col. W. H. Harrison Re-elected President of the Alumni — Three New Members Elected to the University Senate.

The annual meeting of the Associated Alumni Society was held last evening and was well attended. The Alumnae Society also held a meeting.

The three new members, all elected by the Alumni Society, were Hugh A. Carr, of Campbellton; E. C. Weyman, of Saint John, and G. Percy Burchill, of South Nelson.

Mr. Weyman was elected for a term of three years, and Mr. Burchill for two years. Mr. Carr will serve the full term of four years.

Members of the Alumni Society met at the Lady Beaverbrook Building of the University, where they entertained the men of the graduating class at a banquet, while members of the Alumnae, who entertained the women of the graduating class at a banquet met at The Palms.

New Bye Law
The Alumni Society passed a new by-law increasing the terms of office of the representatives on the Senate from two years to four. In future only one member will be elected annually for a four year term.

P. J. Hughes, K.C., of Fredericton, was the only representative retiring from the Senate this year.

Medal Winner
It was announced after last night's meeting of the Alumni that the Alumni gold medal had been awarded to George E. Foster, of the Junior Class. (Continued on page five)

RESTIGOUCHE
ENQUIRY MAY
FINISH TODAY

But An Adjournment Likely to be Made to Campbellton for Further Testimony.

The enquiry being conducted by Deputy Attorney-General Hartley with the high financing methods of several road supervisors in the County of Restigouche, will be completed this afternoon, so far as this city is concerned. The probe will likely be adjourned until the week after next to be resumed at Campbellton.

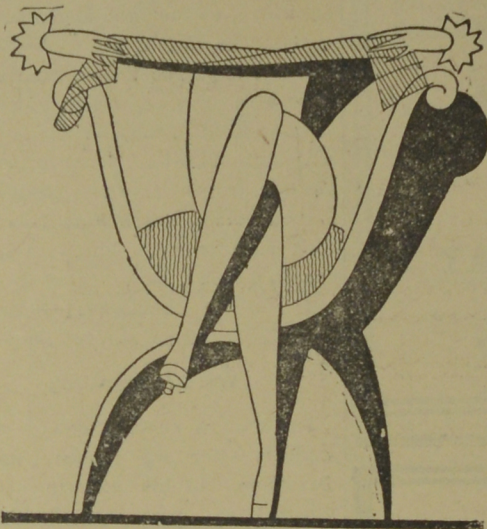

The only witness this morning was Joseph Tardiff of Balmoral, road supervisor of last season, but now a graduate. He was on the stand up to the noon adjournment and practically told the same story as had been related by several previous witnesses. He admitted working relatives into the payroll and was not always sure that they had worked the full number of days for which they had been paid.

In reply to question he stated that he had been separated from the job early in April when news of irregularities became noised about. He said that he owned no property as it was all in his wife's name. He added that he had married a widow and she owned some property.

One more supervisor from Restigouche and Deputy Minister Barbour are giving testimony this afternoon.

Is Improved
Friends will be pleased to learn that the condition of L. C. Macnutt, who is recuperating from an operation at the Victoria Hospital, is somewhat improved today. (Continued on page five)

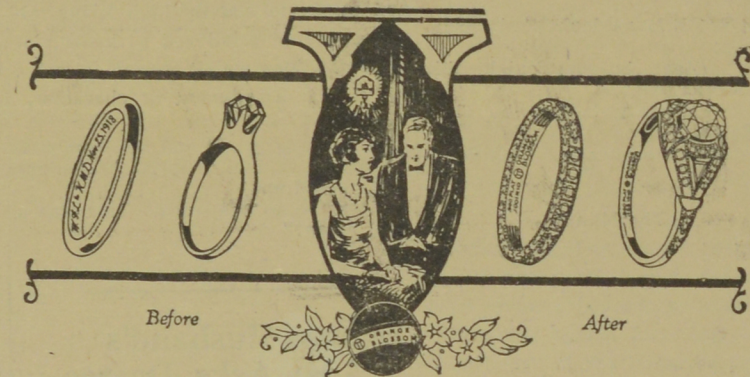

"Corticelli" Silk Hosiery

Judge Corticelli Silk Hosiery from a "quality" standpoint—test the beauty of Corticelli "Chiffons" alongside your high priced frock--test Corticelli "Service Weights" for long service by giving them everyday wear — then you will have the conviction to insist upon Corticelli Silk Hosiery. They meet every requirement so perfectly . . . they are so perfect in material and workmanship that they have established a world-wide reputation for quality that is "exclusive."

Corticelli Quality Hosiery is our contribution to the loveliness of madam's costume accessories.
