WILLARD SENT
FIRST WORD TO
WIFE AND FAMILYWired to Chicago After
Bout, Writing Message
Himself Although His
Hand Was Broken.

New York, March 27—"Dear Ma—I am still champion. I won and I am well and unhurt. Father will leave for home tomorrow. Jess."

Five minutes after the glove had been cut from his swollen right hand Saturday night, Champion Jess Willard, peer of all heavyweight pugilists, laboriously penciled the above telegraphic message and dispatched it to his waiting wife and children in Chicago.

The thoughtfulness of the big fistio warrior, in the very moment of victory, typifies the character of the man. He never forgot the anxiety of his family, one thousand miles away and knew they would be waiting for some word direct from him. Although he held the pencil between the thumb and forefinger, the latter being the one that was broken, he insisted upon inditing the message himself.

He wanted his dear ones to know not only that he was still the champion, but uninjured, that their cup of joy should be filled to the brim. Love of his family is one of the worthy traits of this big Willard, this wonderful fighting machine of a man. He is kindly and lovable. Saturday night there were occasions when it seemed that he could have polished off Frank Moran but he didn't; he desisted in his attack as though ashamed to take advantage of a smaller man.

PETER MAC 2.03 1-2
DID NOT SCARE OUT
GRAND CIRCUIT ENTRIESCleveland and Detroit lists
Show Usual Number of
Trotters--Peter Mac a
Prominent Entry.

(Frank Trott in Boston Globe.)

The fears of the Grand Circuit track management that the sensational speed shown last season by Peter Mac, 2:03½, would mean a light entry in the early closing events this spring were needless, for the Cleveland and Detroit list show that there are the usual number of trotters scattered around the country whose owners believe that they have a chance to collect some of the rich purse money that is being offered.

The Cleveland five-year-old is the outstanding stake trotter for the coming campaign, but he will have to be more of a marvel than he has demonstrated to duplicate the performance of his relative, Peter Scott. There is no question as to his being a faster trotter than the money-winning king of 1915, but Peter Mac will have to meet week after week a much better grade of opponents than did Peter Scott.

Picked by some of the most competent judges in the land as a certain two-minute trotter, Peter Mac will find the road from Cleveland to Atlanta a rough trail, although no such achievements are predicted for the other stake candidates.

The Detroit entry is made public today, and it compares in numbers very favorably with the record list of last year. The \$10,000 M. and M. purse has drawn nineteen nominations, the \$5000 Board of Commerce twenty, the 2:15 Devereux plan \$3000 twenty-two, the three-year-old sweepstakes fifteen and the \$2000 2:10 pace twenty-two.

Peter Mac is of course, named in the \$10,000 purse, as are Mabel Trask Ames Albingen, Trampright, Vancor, Bonington and St. Frisco. Omar, the Kentucky gelding credited with being the cause of some of the fast classes not filling last spring and then failing to get to the races himself, is an unexpected nomination.

New England is sending three

RECEIPTS FROM
BOUT WERE MORE
THAN \$150,000About Eleven Thousand
Will go to New York
State--Authorities En-
tirely Satisfied.

New York, March 27—The official receipts of the Willard-Moran bout here last Saturday night were \$150,000, of which the state will receive \$11,250. Chairman Fred A. Wenck of the State Athletic Commission complete satisfaction with the mission, said tonight. Wenck expressed way in which the match was conducted.

JIMMY WILDE THE NEW
ENGLISH FLY-WEIGHT CHAMP.

London, March 27—Jimmy Wilde, the English flyweight champion, knocked out Sid Smith, former flyweight champion, in the third round of a fifteen-round match here this afternoon.

SMITH LOST TO REIVE

London, March 27—Dick Smith, the English lightweight champion, was defeated on points by Harry Reeve in a twenty-round bout held here tonight.

graduates of the twice arounds, one of whom has had a year's seasoning down the big line. The latter is Sanford Small's Worthy Prince, who raced second to Peter Scott nearly all of the 1915 campaign. The other two are Chauncey Sears' Director Todd, who turned Brockton last October in 2:10½, and Walter Hadley's Earlwood L.

BRONCHITIS

COMES FROM A
NEGLECTED COLD.

Bronchitis starts with a short, painful, dry cough, accompanied with rapid wheezing, and a feeling of oppression or tightness through the chest. At first the expectoration is a light color but as the trouble progresses the phlegm arising from the bronchial tubes becomes of a yellowish or greenish color, and is very often of a stringy nature.

Bronchitis is usually at its worst in the morning on account of the phlegm becoming lodged in the bronchial tubes during the night, and it very often takes some time coughing and gagging before you can get the throat clear of the phlegm.

When this happens you may be sure that if the bronchitis is not attended to immediately it will sooner or later develop into pneumonia, or some other more serious lung trouble.

The best remedy for to cure the cold is DR. WOOD'S NORWAY PINE SYRUP.

Mrs. Roy Conner, Greenwood, Ont., writes: "I must tell you what Dr. Wood's Norway Pine Syrup did for me. Whenever I got a cold I would be troubled with bronchitis, and sometimes I would almost choke to death. After taking two bottles of Dr. Wood's Norway Pine Syrup I was cured."

Dr. Wood's Norway Pine Syrup is 25c and 50c. per bottle. See that you get the genuine.

Did You Ever Think

WHAT A PRIVILEGE AND COMFORT IT WOULD
BE TO HAVE A

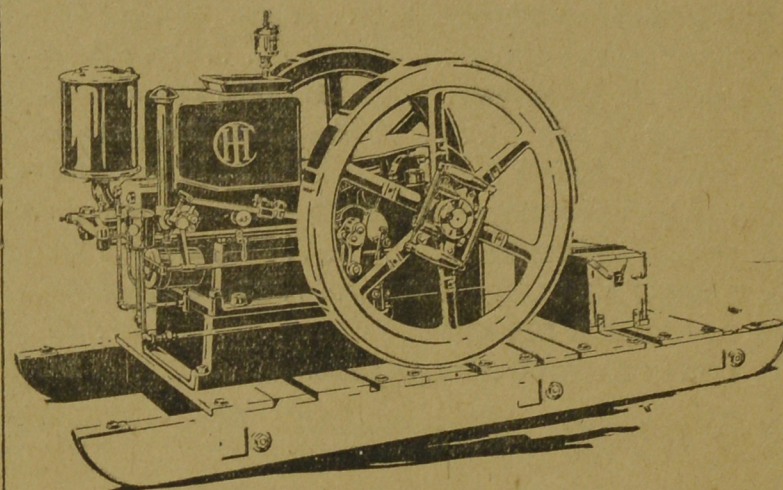

BATH ROOM

In your home? The cost is not so great that anyone in ordinary circumstances cannot afford it. We have installed several first class jobs in country homes. They can easily have a complete Bath Room put in, and no trouble with sewerage.

Information cheerfully given on this subject.

Phone 563 - - - Carleton Street.

THE FIRST COST OF A

TITAN KEROSENE ENGINES

may be slightly more than some other gasoline engines, but the difference is far more than offset by the saving in fuel and batteries, the greater durability and power and the all around satisfaction in operating.

Kerosene costs 18½ cents by the barrel, Gasoline 33½ cents.

A gallon of Kerosene in a Titan gives as much power as a gallon of Gasoline. Figure out for yourself the saving in fuel alone and you will not buy anything but a Titan.

TITAN ENGINES are all equipped with a MAGNETO that does away entirely with the necessity of batteries.

TITAN ENGINES HAVE THROTTLE GOVERNOR, giving uniformity of speed.

The Printing and Publicity
Specialist
Talks To His Son

"Say, John, I feel quite sick today," said Mr. Blank. "Please visit the different doctors in town, and find out who will cure me for the least money. Get your quotations tabulated and then let me see them. Of course we will engage the doctor who charges the least."

"Why, I never heard of such a thing," said John. "The idea of getting quotations from a doctor; it's the asylum for you."

"Well now, why not? I am a specialist in printing and publicity. I study my business just as carefully as any doctor can do. If I do say it that shouldn't, I have just as much brains as the average doctor. I strive to give my customers the benefit of my knowledge, my artistic skill and judgement and my ideas on publicity. I give service as the term is understood in the Twentieth Century."

"When some people around here have a little printing to be done, they visit all the printing offices, get quotations from each one, and then give the work to the man who gives the lowest figures."

"The ordinary user of printing knows his own business, but he is no more a judge of the work of printing than he is a judge of what sort of medicine a doctor should give him for the cure of his ailment. If people ask me for quotations and pass me by if my price happens to be a little more than the other fellow, why shouldn't I apply the same method to the doctor, lawyer, dentist and painter? Why not? It's a mighty poor rule that won't work more than one way."
