

HEAT WAVE IN CAPITAL OVER PAST WEEK-END

Temperature of 88 on Sunday Was Hottest of Season — River Parties Numerous.

A temperature of 88 in the shade here on Sunday was probably the hottest day of the summer, and climaxed a period of the finest weather of the summer.

The weather over the week-end in central New Brunswick was sultry and large numbers of local people left by automobiles or motorboat for outside points and the islands above the city.

Crops Unaffected

The month of August, so far, has proved a real summer month, after May, June and July fizzled out on their part of the bargain. Rain and generally inclement weather had spoiled most of the early part of the summer locally, and the condition was general in most portions of the province.

Recent crop reports however, affirmed that the rains did not do material damage to crops of the province, and all are in a fairly prosperous condition. The berry crops, this year totalled as large as ever with raspberry, strawberry and blueberry quantity and quality up to the average.

CITY AFFAIRS

Former Local Girl

Dr. and Mrs. W. G. Warnock, of Hays, Kansas, arrived in this city on Saturday to spend a few weeks with Mrs. Abram Taylor, Brunswick Street. Mrs. Warnock was formerly Miss Helen Taylor, of this city.

Spending Vacation Here

Miss Doris Woods, St. John, is spending a few weeks' vacation with her parents, Mr. and Mrs. H. W. Woods, King Street. She has as her guest for a week, Miss Roberta McMackin, of St. John.

Here On Vacation

Donald MacKay, of Toronto, who has made quite a reputation as an artist, arrived here on Saturday to spend his vacation with his parents, Mr. and Mrs. W. D. MacKay, Brunswick Street.

Had Leg Broken

Harold Climo, photographer of St. John, had his leg broken in an auto accident which occurred a few miles from this city Saturday night. He was taken to the Victoria Public Hospital Sunday morning by a friend. He is reported as resting quite comfortably this morning.

Again In Lead

A Barred Rock pen of birds belonging to W. A. Salsom of Durham Bridge, York County again led in the Prince Edward Island egg laying contest last week. This pen produced 58 eggs, which scored 63.8 points. It leads the contest with a total of 2009 eggs and 2066.5 points. It is said that no other pen in the Dominion has made such a high official record this record.

Worcester Visitors

Mr. and Mrs. H. H. Forbes, of Worcester, Mass., who passed through Fredericton a fortnight ago, en route to Nova Scotia, returned in Saturday and will spend a few days' salmon fishing at the Hartt Island Pool with Roland Wheeler as Guide. Mr. Forbes has fished the Restigouche, Tobique and Miramichi this season. He attended the sale of fishing leases here in April last.

Moose Was Tame

A large cow moose spent the greater part of yesterday in the vicinity of Lunt's Ferry and attracted much attention. It disported itself in the water and seemed to have no fear of the people who gathered in the vicinity. One young man waded out into the river and climbed on the back of the animal, but it got rid of him by taking a dive. Towards evening the animal swam over to the Kingsclear shore, where some young people were bathing. It lingered in that vicinity until darkness came on.

FREDERICTON BOY AND GIRL FINISH FIFTH AND SIXTH IN N. B. MATRICULATION MARKS

Clarence A. Kyle and Barbara R. Armstrong High Up in University Entrance Standing; Marks Released Today—557 Passed.

Miss Margaret Edith McDermott, of St. Vincent's High School, Saint John, was the high point winner in the matriculations results. The Saint John miss was closely followed by Hector H. MacKinnon graduate of the Moncton grammar school. Clarence Arthur Kyle, of this city and Barbara R. Armstrong finished fifth and sixth respectively.

Of a total of five hundred and eighty-six candidates who wrote the matriculation examinations for entrance into the University of New Brunswick, five hundred and fifty-seven passed, and only twenty-nine failed. R. B. Wallace, of the Education Board issued the results a noon today.

Of the Matriculation candidates, fifty-eight passed in first division, two hundred and eighty in second division, and one hundred and sixteen in third division. One hundred and three passed third division, conditionally, and twenty nine failed, or wrote the examination in part only.

Of the High School Leaving candidates, five passed in first, seventy-two in second, and twenty-one in third division. Thirty-six passed in third division conditionally, and eighteen failed.

The pass standard was as follows: first division—75 per cent of the aggregate marks obtainable, with not less than 50 per cent of the possible marks in each subject, second division—50 per cent of the possible aggregate marks with not less than one-third of the possible marks in each subject. Following are the names of those who passed in the first division arranged in order of merit, with the name of the school where each candidate prepared for the examination. Margaret Edith McDermott, St. Vincent's High, Saint John. Hector Hugh McKinnon, Moncton Grammar.

Margaret Stevenson DeWolfe, St. Stephen Superior. Thomas Sydney Wilson, Saint John Grammar. Clarence Arthur Kyle, Fredericton Grammar. Barbara R. Armstrong, Fredericton Grammar. Mary Louise Owens, St. Vincent's Saint John. *Catherine M. Cameron, Woodstock Grammar. *Donald O'Dell Downing, Moncton Grammar. *Eliabeth S. Jones, Fredericton Grammar. Helena Lillian Connell, St. Mary's Academy, Newcastle. Edmund G. Berry, Fredericton Grammar. *Hazel M. Crawford, Woodstock Grammar. *Mary Geraldine Walsh, St. Vincent's Saint John. *William Alexander Patterson, Fredericton Grammar. *George Gordon Robertson, Saint John Grammar. Ruth P. McDougall, Sussex Grammar. *Allan Godfrey Cornall, Saint John Grammar. *Charles Humbert Thomas, Fredericton, Grammar. Margaret Louise Williams, Saint John Grammar. *Clarence Rosenbek, Campbellton, Grammar. *John Edward Warner, McAdam Superior. F. Lowell Steeves, Moncton Grammar. Alice Madeline Greenlaw, St. Andrews Grammar. Louis Aubrey Smith, Edmundston Grammar. *Edith MacDonald, Chatham Grammar. *Orlando Harold Warwick, Saint John Grammar. A. Pauline Kennedy, Woodstock Grammar.

Kill Plant Insects with "EVER GREEN"

THE NON-POISONOUS INSECTICIDE

EVER GREEN used regularly will keep your garden clean with the least trouble or expense. It kills plant insects such as plant lice, leaf rollers, cabbage worms, and many others.

Most important to home gardeners is the fact that EVER GREEN is harmless to humans, birds and pets. Its killing agent is pyrethrum, which has the unusual quality of being fatal to plant insects but harmless to higher forms of life.

EVER GREEN is particularly recommended to protect flowers against the ravages of insects that destroy their beauty.
