In times of depression it is hard to find a cheer leader outside the football stadium.

If everybody were to become honest overnight there would be no employment for locksmiths.

## For the Women

### NEW PRINTS ARE GAY

Paris, France.—Prints gay as a florist's shop, used for frocks, coats and slippers, marked the second outstanding feature of the seasonal showing, which hitherto displayed only plain frocks. New materials had either conventionalized bright flowers on black grounds or a solid of small bright designs.

Printed silk crepe frocks were worn with matching sleeveless jackets, or coats or wool coats lined with prints. Slippers were made of brilliant prints matching dresses.

### NOT SO BAREBACK

In London there is a tendency to cut the evening gown very low in back and then nullify the nakedness by stringing bows across it. The bareback motif is not universally becoming, so several of the new evening gowns have three horizontal bows of the dress material placed athwart the spine.

### HOUSEHOLD HINTS

When cooking cauliflower soak it for fifteen minutes, head down, in cold water to which one teaspoon of salt has been added. This soaking will draw out any insect's lurking in the vegetable.

If you wish to hang a calendar on a plaster wall and do not care to drive nails into the plaster, cut a strip of adhesive plaster and paste part to the calendar and part to the wall. It will stick to the wall like glue.

A clean, washable rag rug is excellent to place under the ironing board when ironing. Large pieces, such as tablecloths, will not get on the floor.

Fish will fry a rich brown if lightly brushed with salad oil before being rolled in cracker crumbs or meal.

To make cakes light and feathery add a teaspoon of glycerin for each pound of flour in mixing.

Bury a yeast cake in salt and it will keep for some time.

Don't pour boiling water over china packed in a pan. The dishes will crack because of the sudden contraction and expansion.

If the flavor of curry is liked add a level teaspoon of curry powder to the flour for thickening when you are making chicken or veal fricassee.

When making chocolate candy or frosting always melt the chocolate over hot water, as it burns very easily because of the fat content.

### SPRAINS SORE MUSCLES

### Yield to NERVILINE

Those who have tested out numerous liniments will agree that where something is needed to dislodge a deep-seated, more or less chronic condition, nothing compares with Nerviline.

Try Nerviline for Stiffness  
Miss B. Witherell, of 30 Bloor Street West, Toronto, points the way to health for many a poor sufferer. "I want to tell you," states Miss Witherell, "how I am benefited by Nerviline. As I am an athlete, I suffer from sprains and muscular soreness of the limbs. I have found after an application of Nerviline upon retiring my limbs feel as good as new."—Miss B. Witherell.

Athletes find NERVILINE a soothing liniment

After peeling onions wash the hands in vinegar and the odor will disappear.

Never apply enamel paints to woodwork in a room in which the temperature is above 68 degrees Fahrenheit if you wish good results.

Grated coconut sprinkled over vanilla ice cream before hot fudge sauce is poured on makes the cream more delicious.

### PEANUT BUTTER-DATE SALAD

2-3 package pitted dates  
1-2 pkge cream cheese  
1-2 cup peanut butter  
1-4 cup cream or rich milk  
French or mayonnaise dressing  
Lettuce

Rub cream cheese and peanut butter separately to a paste with the cream. Stuff half of the dates with each mixture. Arrange the cheese and peanut butter stuffed dates alternately in a circle on a bed of lettuce leaves. Serve with French or mayonnaise dressing.

### Doing Good Work

The Barred Rock pen of William A. Sanson, of Durham Bridge, York Co., produced fifty two eggs in the Prince Edward Island egg laying contest last week. This pen now occupies fifth place in the contest.

Most of us calculate our wages in dollars and not in the goods they will buy; but which is the right way?

### Nostrils tainted by Catarrh Quickly Spread disease

If your nose is unclean, or even tainted with the germs that cause colds and catarrh, you are likely to spread diseased conditions to other members of your family.

Most colds start in the nose. Stop them in the nose and you avoid lots of trouble later on. The most effective disinfectant is the healing vapor of Catarrh-ozone.

The medicated vapors of Catarrh-ozone spread a thin film of healing oils over the entire breathing apparatus; it cleans away nasty discharges, stops spitting and sneezing, does away with headache, coughing, throat trouble and catarrh. To prevent winter ills, to stop sniffles, to heal and strengthen the nose and throat, use CATARRH-OZONE. Complete outfit you can secure in any drug store for one dollar. Smaller size 50c.

### Catarrh-ozone A Ten-Minute Relief!

## When You CAN'T QUIT

Fatigue is the signal to rest. Obey it if you can. When you can't, keep cool and carry-on in comfort.

Aspirin was meant for just such times, for it insures your comfort. Freedom from those pains that nag at nerves and wear you down. One tablet will block that threatening headache while it is still just a threat. Take two or three tablets when you've caught a cold, and that's usually the end of it.

Carry Aspirin tablets when you travel. Have some at home and keep some at the office. Like an efficient secretary, they will often "save the day" and spare you many uncomfortable, unproductive hours. Aspirin is harmless, so keep it handy, keep it in mind, and use it. No man of affairs can afford to ignore the score and more of uses explained in the proven directions. From a grumbling tooth to those rheumatic pains which seem almost to bend the bones, Aspirin tablets are ready with quick relief—and always work. Neuralgia, Neuritis. Any nagging, needless pain.

What do a few disillusionments,  
more or less, amount to? If we ever  
got there, Utopia would lose its enchantment.

Get the genuine tablets, stamped with the Bayer cross. They are of perfect purity, absolute uniformity, and have the same action every time. Why experiment with imitations costing a few cents less? The saving is too little. There is too much at stake. But there is economy in the purchase of genuine Aspirin tablets in the large bottles.
