OLD CURLERS WENT DOWN TO DEFEAT BEFORE YOUNG

Score Last Night Was 68 to 62--Enjoyable Banquet Followed the "Wee Neilly"--Presentation of Mr. E. H. Allen on Behalf to the Ladies.

The "Wee Neilly" at the Curling rink last night resulted in a victory for the Juniors by a margin of six points, the final score being 68 to 62. Youth must have its day. The old-timers lost 41 to 26 in the afternoon but in the evening pulled the lead down somewhat. The defeat of the Old Curlers led to an acrimonious (?) debate between J. H. Allen and J. H. Hawthorn after the game, Mr. Hawthorn stating that such poor judgment had been used by the committee which chose the Old Curlers' rinks that they were severely handicapped. Mr. Allen retorted that for the return match Mr. Hawthorn could select the rinks. As a token of the skill he had displayed Mr. Allen, the honorary president, was presented by Mr. Hawthorn with a splendid floral piece on behalf of the ladies who saw Mr. Allen curl.

The score by rinks was as follows:

"The Press" was proposed by President A. S. McFarlane and responded to by Messrs. D. L. Dolan and C. W. Clark.

The gathering dispersed at an early hour in the morning. During the evening Mr. R. S. Barker on the motion of J. H. Hawthorn, seconded by N. C. Dougherty, was elected to honorary membership.

JANVRIN SIGNED UP BY RED SOX FOR NEXT SEASON

Speaker, Wood, Cady and Thomas not Under Contract Yet--Some Salaries to be Cut

Boston, Jan. 14--The Red Sox stars are now about all signed for another year. Yesterday Harold Janvrin fell victim to the smiles of President Lannin and Manager Carrigan and put his name to a contract.

At the close of last season Janvrin was asked to name his terms for this year. There was quite a difference in what he wanted and what the club figured he was worth. Pres. Lannin said that he would show Janvrin he appreciated his loyalty to the club when several were trying to lure him to the Federal League.

Then came peace and the players could not work the Federal League wrinkle, but this did not affect the standing of Janvrin with the Red Sox for Pres. Lannin raised his offer substantially. The only real star not under contract is Tris Speaker. Janvrin should be of great value to the team, as he seems to be growing better every year and is now on his best.

Had Palpitation OF THE HEART ALSO WEAK and DIZZY SPELLS.

When the heart begins to palpitate it will beat fast for several seconds, then slow, then start to flutter, and a feeling of utter depression will come over your whole system, accompanied by weak, fainting and dizzy spells, and if you should happen to wake up in the night with your heart palpitating, and that "all gone" sinking sensation, you feel as if you were surely going to die.

When you feel this way, you may be sure that both your heart and nerves are out of order, and what you require is a real good heart and nerve tonic that will build up and strengthen both the heart and nerve system.

For this purpose nothing can equal Milburn's Heart and Nerve Pills. Mrs. J. S. Nicholls, Listowel, Ont., writes: "I was weak and run down, my heart would palpitate, and I would take weak and dizzy spells. A friend advised me to take your Heart and Nerve Pills, so I started at once, and found that I felt much stronger, and my heart was ever so much better in a short time. I cannot praise your medicine too highly for it has done me a world of good. My husband has also been bothered with heart trouble, ever since childhood, and finds great relief by using your valuable pills."

Milburn's Heart and Nerve Pills are 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

The Printing and Publicity Specialist

Talks To His Son

"Say, John, I feel quite sick today," said Mr. Blank. "Please visit the different doctors in town, and find out who will cure me for the least money. Get your quotations tabulated and then let me see them. Of course we will engage the doctor who charges the least."

"Why, I never heard of such a thing," said John. "The idea of getting quotations from a doctor; it's the asylum for you."

"Well now, why not? I am a specialist in printing and publicity. I study my business just as carefully as any doctor can do. If I do say it that shouldn't, I have just as much brains as the average doctor. I strive to give my customers the benefit of my knowledge, my artistic skill and judgement and my ideas on publicity. I give service as the term is understood in the Twentieth Century.

"When some people around here have a little printing to be done, they visit all the printing offices, get quotations from each one, and then give the work to the man who gives the lowest figures.

"The ordinary user of printing knows his own business, but he is no more a judge of the work of printing than he is a judge of what sort of medicine a doctor should give him for the cure of his ailment. If people ask me for quotations and pass me by if my price happens to be a little more than the other fellow, why shouldn't I apply the same method to the doctor, lawyer, dentist and painter? Why not? It's a mighty poor rule that won't work more than one way."
