

ROLL OF HONOR

Several thousand officers and employees of the Canadian Pacific Railway Company enlisted for active military duty with the Canadian Expeditionary Forces, and the majority of them are now in Europe, bravely battling for Canada and the Empire. As particulars of Army Reservists are not available, these lists of those who have given up their lives for their country or been wounded in action are necessarily incomplete, and do not therefore indicate fully the extent to which the Company's officers and employees have participated in the great struggle.

ST. JOHN HIGH BEAT

LOCALS SATURDAY 12 TO 4

Visiting Team Had Fredericton High Out-classed—Lounsbury Dropped Goal.

Fredericton High lost another game in the interscholastic Rugby series on Saturday, when the fast and heavy St. John High School team won by the score of 12 to 4. The visitors had the advantage of almost every department of the game. Fredericton tackled well and kept the score down to a reasonable figure.

The home team frequently took the ball well into the St. John territory, but could not break through the visitors' defence to cross the line. Lounsbury made the only score for the Yellow and Black by dropping the field goal in the second period. The kick was a nice one and followed several failures. St. John High scored four tries, but failed to convert any. Donnelly made three and Wilson one. The second period was particularly disastrous for Fredericton, the visitors crossing their line three times.

The teams were:

"THE BLACK FEATHER"

COMING THIS WEEK

A rare treat awaits local playgoers in the presentation of "The Black Feather," a play of war diplomacy in which the brilliant and sparkling comedian, Albert Brown, is starring this season. The piece will be seen at the Opera House on Friday and Saturday next.

"The Black Feather" is from the pen of W. A. Tremayne, of Montreal, the author of such successes as "Lost 24 Hours," "The Dagger and the Cross" and "A Secret Warant." Though the plot is quite different, Mr. Tremayne's play perpetuates the character of the young British secret service man in which Mr. Brown so delighted Canadians when he presented "The White Feather." The play is founded on an episode in the diplomatic crisis which took place in London just prior to the outbreak of the present war, and is replete with exciting and humorous episodes. Written by a Canadian, having a Canadian heroine, and presented by the best loved actor who visits Canada today, the production is veritably a pan-Canadian event.

LOWER HAINESVILLE.

Wedding of Miss Brewer and Mr. Elliott—Donation Party.

Lower Hainesville, Nov. 2.—A very pretty wedding took place on Wednesday, Nov. 1st, at the home of Mr. and Mrs. Sterling Brewer, when their daughter, Alta V., was united in marriage to Mr. Sherman Elliott. Rev. Mr. Pineo performed the ceremony, while Mrs. Pineo played the wedding march. The bride, who was unattended, was beautifully attired in white silk crepe de chene with swan's down trimmings. After the ceremony, which was witnessed by immediate relatives only, a dainty supper was served. Mr. and Mrs. Elliott will reside in this place, where they have hosts of friends who join in wishing them a long, happy and prosperous life.

Miss Ada Coy, of Burt's Corner, has been spending a few days with her sister, Miss Gladys Coy, in this place. Mrs. Dolph E. Nixon and little daughter, Helen, of Victoria, Carleton county, have been visiting relatives and friends here. They returned to their home on Tuesday last, accompanied by Mrs. Nixon's mother, Mrs. J. White. Mr. Sterling Brewer shot a fine moose in his field not long since. A donation was held at the residence

Nothing so delights a bachelor as to be made to feel "at home" whenever he calls; but, to a married man, there are a lot more thrilling sensations than that.

Love is misery sweetened with imagination, satiated with tears, spiced with doubt, flavored with novelty—and swallowed with your eyes shut.

Every grocery store has its customers who order POSTUM regularly instead of tea or coffee.

They are former tea or coffee drinkers who, for health's sake, changed their table drink.

If you suspect that tea and coffee contribute to your discomfort or illness, ask the grocer for the names of several POSTUM users in your neighborhood; get in touch with them and hear their story.

Or, secure a tin of INSTANT POSTUM and try it on the family table for ten days instead of tea or coffee.
