## Almond Nut Bar

A rich, velvety, milk chocolate containing an abundance of plump almonds — a quality that cannot be surpassed.

Sold everywhere.

Made in Canada.

### ALLIED GOVERNMENTS RECOGNIZE VENEZUELOS

London, Oct. 16.—The Entente Allies have formally recognized the provisional government of Greece in the island of Crete, set up by former Premier Venizelos.

The Entente consuls at Canea, the capital of Crete, have been instructed to act in union in this matter.

An official statement issued here today says it is only in Crete that the question of official recognition has yet arisen. Official circles in London have received no word in regard to recognition of the new cabinet at Athens by the Entente.

New York, Oct. 16.—A news agency despatch from London says:

"The new nationalist government set up on the island of Crete by former Premier Venizelos has been recognized by the French consul, said a central news Athens despatch today. The consul made a formal call on the Venizelist governor."

### NEW DISEASE IN GERMANY.

Is the Result of Continual Diet of Preserved Foods.

London, Oct. 16.—According to travellers from Germany, says the Exchange Telegraph's Amsterdam correspondent, a remarkable disease is now spreading in many parts of Germany, especially in Berlin, Hamburg, Munich and Cologne, caused by continual feeding from preserved foods.

The sickness is described as "tin sickness." It is considered a serious form of blood poisoning.

### Best Liniment Made

Mr. A. H. LAUNDY, EXPORTER, writes: "I fell from a building and received what the doctor called a very bad sprained ankle, and told me I must not walk on it for three weeks. I got MINARD'S LINIMENT and in six days I was out to work again. I think it the best Liniment made."

Minard's Liniment always gives satisfaction. For any ache or pain, it gives instant relief.

### GOVERNMENT WANTS SIR WILFRID'S AID

Ottawa, Oct. 16.—The letter from Sir Robert Borden to Sir Wilfrid Laurier, inviting the latter's co-operation in forming a joint parliamentary committee of both parties to issue "a clear and explicit call" for war service, only reached Sir Wilfrid this afternoon. He will reply to the Prime Minister tomorrow.

The Premier's suggestion is for a committee of twelve members, seven from the government side and five from the opposition ranks. Apart from the fact that the suggestion for coalition is now decidedly belated and that there is practically no new or specific action proposed by the government, it may be pointed out that the formation of a joint parliamentary committee might be more properly timed when parliament is in session, and when the members themselves would appoint their own committee.

While expressing his full desire to promote in every way possible the proper organization of war efforts in Canada, it is probable that Sir Wilfrid will suggest to the leader of the government that more practical results might be reached by asking a committee of representative business men, labor men, agriculturists, etc., to meet and issue the suggested national appeal.

### LOCAL ELECTIONS SOON IN PROVINCE OF ALBERTA

Ottawa, Oct. 16.—It is stated on good authority that the Alberta Legislature will be dissolved and a general election held before Christmas. The last election was held in 1912.

According to the advice received here there is no reason to doubt that the Sifton government will be returned again, probably with a considerably increased majority.

### GERMANS CLAIM AIR VICTORIES.

Berlin Wireless Says 74 Hostile Aeroplanes Were Shot Down in September.

Berlin, Oct. 16 (by wireless to Sayville).—Seventy-four hostile aeroplanes, of which 21 were French and 53 were British, were shot down by the Germans during the month of September, according to an exact list compiled by the German military authorities.

An Australian is the inventor of a recording target which shows the course of bullets in relation to both stationary and moving objects.

### AMERICAN AVIATOR HONORED BY FRANCE

Paris, Oct. 16.—The cross of the Legion of Honor was pinned on the breast of Norman Prince, the young American aviator, as he lay on his deathbed in the hospital at Gerardmer, in the Vosges. Prince had taken part in a great aerial raid, which had been followed by a stirring fight in the air between the Allied aeroplanes and German machines. He suffered injuries to the head, which apparently were the direct cause of his death.

Though wounded in the aerial duel, the American pilot kept his gun going, warding off hostile craft which had ascended to attack the French bombing squadron.

He remained long in the air, coolly facing the fire of the German machine guns. Finally, in attempting to land, he struck an aerial cable, the mishap, it is thought, being due to the injuries that he had received in the fight. He was picked up in an unconscious condition, and died apparently without suffering.

Comrades of the Franco-American aviation corps, accompanied by several French pilots, arrived at the Gerardmer hospital this afternoon to make arrangements for the funeral. Charles Prince, an uncle, received a special permit from General Joffre, the French commander in chief, to proceed to Gerardmer, but arrived after the aviator had died.

A machine invented by a Maine man digs potatoes, frees them from vines and earth and pours them into bags or barrels as it is driven over a field.

### WILL CELEBRATE ON TRAFALGAR DAY

His Honor the Lieutenant Governor has received the following cablegram from Lord Lansdowne:

I have the honor to inform you that the British Red Cross Society and the Order of St. John are once more proposing to appeal throughout the Empire by street and other collections, upon our day, which has been fixed for the 19th of October. The money received will be devoted to our wounded soldiers and sailors from home and overseas, at the various seats of war.

The generous response which we received last year from all parts of the King's dominions, encourages us to hope that the constantly increasing demand for our help may be met by a corresponding increase of generosity throughout the Empire.

We shall be truly grateful to you if you will assist our work by organizing an appeal and sending the proceeds to us for our sick and wounded at the front. I shall be grateful if you will communicate the contents of this cablegram to your ministers and recommend the proposal to their favorable consideration.

Their Majesties the King and Queen and Her Majesty Queen Alexandra are giving us their gracious patronage, and I trust that you will also see your way to help us in the same splendid manner as you did last year, and that we may have the invaluable assistance also of Mrs. Wood.

(Signed) LANSDOWNE,  
President British Red Cross Society,  
83 Pall Mall, Plymouth.  
Sub-Prior of the Order of St. John of Jerusalem.

His Honor appreciates the generous response that the people of New Brunswick gave on Trafalgar Day last year to this appeal for our wounded soldiers and sailors. He would earnestly request that they will comply with Lord Lansdowne's request to meet the increased demands by a corresponding increase of liberality in their contributions to this most worthy cause on the 19th of October next.

J. BACON DICKSON,  
Private Secretary.
