# CAMPAIGN IN CARLETON IS NEARING ITS FINISH

**Mr. F. B. Carvell, Puts One Over on Government Heelers---Opposition Soldiers at Valcartier Will be Permitted to Vote in the County--The Original Plan Was to Shut Them Out--Government Roorbachs Cause Some Amusement.**

Woodstock, Sept. 18.—Additional interest was given the campaign today by the arrival of an automobile party from Westmorland which included Hon. C. W. Robinson, F. J. Sweeney and James McQueen. Attorney General Baxter also appeared on the scene but evidently is not on the list of Government speakers, for he is at his hotel tonight. Hon. Mr. Robinson, P. J. Veniot and Jas. McQueen are at Summerfield tonight and Dr. Smith, M. P. P., and A. B. Copp, M. P., are in the parish of Brighton, while Hon. W. P. Jones and Hon. F. J. Sweeney and F. E. Sharp are in Wilnot parish.

### A Tory Trick Frustrated.

The move to get Valcartier men supporting the Government home, and leave Opposition soldiers there, was frustrated by the prompt and energetic action of F. B. Carvell, M. P., who used the telegraph wires to such effect that Opposition as well as Government men will be permitted to journey to Halifax via Woodstock, with leave to stop off and vote. Several telegrams were received from Opposition men at Valcartier expressing their gratification at the result of Mr. Carvell's prompt action. It was his first campaign work since leaving a sick bed. The telegrams giving permission to the Opposition men to leave came from both F. B. McCurdy, in charge of the Militia Department, and the Brigadier General at Valcartier.

### Opposition Has No Rum.

An unpleasant feature of the campaign is the barefaced attempt to shift the responsibility for the liquor seizure at Hartland to the Opposition party in the effort to make the public believe that the liquor was for the use of the Opposition. The account sent to the Telegraph yesterday did not give the personal particulars, which would have included the names of the prominent shipper mixed up in the business and the men who received and planned to distribute the fighting booze, but the Opposition workers have all the facts and particulars. They know to whom the rum was shipped and how it was shipped. It may be stated again, and this statement cannot be contradicted, The Opposition has no rum, and will have none. On the contrary, it is common talk in Woodstock that there is a distribution depot here in charge of a well known Government heeler. Instead of accomplishing the end aimed at and desired—the securing of votes—these methods have disgusted decent citizens, who will protest against such acts by voting against the Government.

### Opposition Support Increasing.

From all over the county come many reports of changes and new support for the cause of better government. Just how far that sentiment will go remains to be seen; it is hardly conceivable that Carleton county will fail to rebuke this Government for its many discreditable acts.

### GERMANS LOSING GROUND.

BERLIN, Sept. 18 (via London).—Abandonment by the Germans of the villages of Berny and Denicourt, together with positions between Barleux and Vermandevillers, south of the river Somme, is reported in today's official statement. North of the river, the statement says, the fighting developed favorably to the Germans.

### INTREPID FRENC HAVIATOR MISSING.

PARIS, Sept. 19.—Flight Lieut. Derochefort, who Saturday brought down his sixth German machine, has been posted as missing. Flight Adjutant Tarriseon, who was mentioned in yesterday's official statement by the War Office as having brought down his fifth enemy machine, has only one leg.

## REV. H. C. ARCHER WILL COME TO LOCAL CHURCH

Accepts Call to the Reformed Baptist Pulpit in This City.

Rev. H. C. Archer has been appointed to the pastorate of the Reformed Baptist Church in this city, to succeed Rev. S. A. Baker, who accepted a call from Moncton and has already begun his pastorate there. Rev. Mr. Archer will begin his pastorate here on Sunday, Oct. 1st.

During the past summer Rev. Mr. Archer has been at Beulah Camp, and has taken a prominent part in the services there. He has presided over congregations in Woodstock and other places in the province.

The call was extended to him at the evening service on Sunday by a standing vote of the congregation of the local church.

### Death at Hospital.

Robert H. Greer, a well known resident of New Maryland, passed away at the Victoria Public Hospital last night, aged 80 years. He is survived by a widow, four daughters and six sons. The daughters are Mrs. S. H. Bailey, of Milltown, Me.; Mrs. C. Rynax, of New Maryland; Mrs. John Bailey, of St. Marys; Mrs. William Horncastle, of New Maryland. The sons are James and Archibald, of New Maryland, John of Danforth, Me., Robert, of Tobique, Harry of Fredericton, and Charles of New Maryland. Mrs. Chas. Forbes, of Gibson, is a sister, and Mr. John Greer, of New Maryland, is a brother. The funeral will take place at two o'clock Wednesday afternoon. Rev. J. E. Wilson will conduct the service at the Presbyterian church, New Maryland. Interment will be made at that place.

There is no hope for the man who acts the hypocrite even when he is alone.

## FIFTEEN RECRUITING MEETINGS IN YORK COUNTY

Campaign for 236th Battalion Will Begin on Monday Next.

The recruiting campaign in York County to fill the ranks of the 236th Highland Battalion, will begin in this city on Monday night next. A monster recruiting meeting will be held in the City Opera House. The remaining meetings of the campaign will be as follows: McAdam, Tuesday, September 26th; Canterbury, Wednesday, September 27th; Harvey, Thursday, September 28th; Nasonworth, Friday, September 29th; Millville, Saturday, September 30th; Burt's Corner, Sunday, October 1st; Douglas, Monday, October 2nd; Nashwaakasis, Tuesday, October 3rd; Williamsburg, Wednesday, October 4th; Stanley, Thursday, October 5th; Durham Bridge, Friday, October 6th; Middle Southampton, Saturday, October 7th; Poklok, Sunday, October 8th; Magaguadavic, Monday, October 9th.

It is thought an average of four recruits per meeting can be maintained. As there are to be fifteen meetings in each of the fifteen counties, this would fill the ranks of this battalion.

The Opposition forces are certainly getting the best of the argument in the Carleton campaign. The Government heelers are depending on the swag to do the trick for them on the 21st inst.

Many a business man has been swamped by the weight of his dignity.
