GOVT. LIKELY TO CONSIDER LAND SCHEME

Provincial Cabinet Tonight Here — Will Resume Discussion on Land Sett. Scheme—Members Here.

The Provincial Cabinet will hold a meeting here this evening in the executive chamber, continuing, in all probability on Thursday. New Brunswick's porbelms of unemployment relief are expected to be chief matters for consideration.

The much discussed land settlement scheme and a federal-provincial-municipal unemployment relief plan, are apt to receive further investigation as to their feasibility and possibility of being carried out during the coming fall and winter.

Hon. D. A. Stewart, Minister of Public Works, Hon. L. P. D. Tilley, Minister of Lands and Mines, and Hon. Lewis Smith, Minister of Agriculture, have already arrived in the capital, and the remaining members of the cabinet are expected early this evening.

Premier Richards asked regarding the guaranteeing of bonds last year for any sectarian educational institution in upper Canada, said that no such guaranaee has been made by the N. B. Government. Criticism had been levelled in Toronto for failure of the Grand Orange Lodge to protest against a decision to this effect by the government of New Brunswick.

The premier said that the government had guaranteed bonds for a tuberculosis sanatorium at Bathurst conducted under Roman Catholic auspices.

JOS. W. BAILEY AUTHOR, ETC., PASSED AWAY

Deceased Was of Well-Known New Brunswick Family — Was Author, Traveller, Lecturer — To be Buried Here.

One of New Brunswick's best known sons, Joseph Whitman Bailey, died yesterday at the home of his brother, Dr. George W. Bailey, University Avenue, at the age of 67 years.

Deceased had lived in Boston for a considerable number of years, practicing law. During his lifetime he had been lawyer, lecturer, traveller, author, Alpine climber—and had suffered a stroke while visiting his brother here a short while ago. He was a yearly visitor to Fredericton. His father, the late well-known Dr. Loring W. Bailey was for many years on the U.N.B. faculty and was born in New York state and his mother on the Island of Mauritius in the Indian Ocean.

Deceased was a graduate of the U.N.B. with the class of 1884 and of the Harvard Law school in 1889. He was a member of the U.N.B. Club of New England, Canadian Club of Boston, and the Alpine Club. He had travelled extensively by canoe on more than 80 rivers and streams in this province. Included in his writings was "The Saint John River in Quebec and Maine", "The Curious Story of Dr. Marshall", and "The Life of Dr. Loring W. Bailey". Surviving is his mother, Mrs. L. W. Bailey, of Halifax, who had just left her sin's bedside; three brothers, Loring W. Bailey, Quebec City, and Dr. George W. Bailey and Henry Bailey of this city; and two sisters, Mrs. Margaret M. West, Halifax, now in England, and Miss Laureston Bailey, of Halifax.

The funeral will be held on Thursday with services at the University Avenue home of Dr. Bailey at 2.30 o'clock, followed by a service at Christchurch Cathedral, conducted by Very Rev. Dean J. H. A. Holmes. Interment will be made in the family plot in the Forest Hill cemetery.

YORK MILITIA COLORS OF 1830 TO BE DEDICATED

First Ceremony of Kind Ever to be Held in This City — Original Color is "Laid" at Christchurch Cathedral.

The "laying" and dedicating of the original colors of the York Militia dating back as far as 1830—the first ceremony of its nature ever to take place in the capital—will occurr on Sunday morning at Christchurch Cathedral, and will feature the week's training activities here of the York Regiment. These memento colors of the original York militia consist of the regimental colors and the King's colors, together forming the first colors used by this branch of the New Brunswick militia. The colors are now in safekeeping at the parliament buildings. A recent feature story carried in one of the Toronto newspapers, attests to the novelty of the coming dedicatory ceremony. During war time the Twelfth Battalion colors were placed in a local church, but no ceremony attacked at the time.

The entire Regiment in camp will march on Sunday morning to the Cathedra for the ceremony. They will arrive at the church as sharp eleven o'clock, the time of the morning service.

The color party will consist of Lieut. W. P. Steen, carrying the regimental colors, and Lieut. S. Busby, of Milltown, carrying the King's colors. Other members of the color party will be Sgt. P. Meehan, Sgt. C. Doran, and Sgt. H. Riley, of St. Stephen. The procession will be headed by the band.

Arriving at the Cathedral the ceremony of "knocking" will take place. The adjutant, Capt. W. P. Carson, of St. Stephen will knock at the door of the church, which will be formally locked. The door will be unlocked by the warden, and Capt. Carson will be permitted to enter and "lay" the colors. At the church door, the band will play the National Anthem in slow time. The order of procession into

Wrong Interpretation

A party of American tourists who arrived in the city this morning were much impressed by the militia encampment on old government house grounds. Upon reaching their hotel they enquired if the city was having labor troubles and had found it necessary to call out the national guard. They seemed to breath easier when assured that it was only a training camp and that all was quiet on the western front.

It is understood that a young man now under arrest on a charge of driving a car while intoxicated has elected to take take a speedy trial before Judge Slipp. The Police Magistrate had power to dispose of the case summarily, but committed the accused for trial. It is now said that the police Commission, a body not affected by the economic depression, has engaged counsel at the city's expense to prosecute the case. The provincial government as is customary will also provide a prosecuting attorney.
