## COLDS OR COUGHS

SHOULD NEVER  
BE NEGLECTED.

If They Are, Some Serious Lung  
Troubles Are Sure to  
Follow.

A cold or cough, if neglected, will sooner or later develop into some sort of lung trouble, so we would advise that you get rid of it before it becomes settled. For this purpose we know of nothing to equal Dr. Wood's Norway Pine Syrup. This preparation has been on the market for the past twenty-five years, and has always given universal satisfaction.

Mr. Erwell Bolton, Wilton, Ont., writes: "Last winter I was caught in a storm and had to stay in a barn all night. I caught a severe cold which several medicines failed to cure. I went to some of the best doctors, but these failed to do me any good. A friend advised me to use Dr. Wood's Norway Pine Syrup. I used three bottles and they gave me instant relief."

When you ask for "Dr. Wood's" see that you get the genuine, put up in a yellow wrapper, three pine trees the trade mark, and bearing the name of The T. Milburn Co., Limited, Toronto, Ont. Price 25c. and 50c.
