MINARD'S

LINIMENT
The old reliable remedy for rheu-

Best Liniment Made

"I fell from a building and received what
the doctor called a very
bad sprained ankle, and
told me I must not walk
on it for three weeks. I
got MINARD'S LINI-
MENT and in six days I
was out to work again.
I think it the best lini-

**DON'T SCOLD, MOTHER
THE CROSS CHILD IS
BILIOUS, FEVERISH**
Look at Tongue! If Coated, Clean
Little Stomach, Liver, Bowels.

Don't scold your fretful, peevish
child. See if tongue is coated; this is
a sure sign its little stomach, liver and
bowels are clogged with sour waste.
When listless, pale, feverish, full of
cold, breath bad, throat sore, doesn't
eat, sleep or act naturally, has stom-
ach-ache, indigestion, diarrhoea, give a
teaspoonful of "California Syrup of
Figs," and in a few hours all the foul
waste, the sour bile and fermenting
food passes out of the bowels and you
have a well and playful child again.
Children love this harmless "fruit lax-
ative," and mothers can rest easy after
giving it, because it never fails to make
their little "insides" clean and sweet.
Keep it handy, Mother! A little given
today saves a sick child tomorrow;
but get the genuine. Ask your druggist
for a 50-cent bottle of "California
Syrup of Figs," which has directions
for babies, children of all ages and for
grown-ups plainly on the bottle. Re-
member, there are counterfeits sold
here, so surely look and see that yours
is made by the "California Fig Syrup
Company." Hand back with contempt
any other fig syrup.

Opposition Platform

The following platform was adopted at the Opposition Con-
vention held in St. John recently:
In the event of the Opposition being returned to power, we pledge
ourselves:—

NO PARTIZAN CONTROL OF CROWN LANDS.

1. We pledge ourselves to completely reorganize the Crown-
Lands Department, so that its administration shall be entirely
severed from politics and administered on sound business prin-
ciples under systematic plans by a non-partizan commission spe-
cially appointed for that purpose, responsible to the Legislature and
working in co-operation with the Dominion Commission of Con-
servation.

TAKE THE HIGHWAYS OUT OF POLITICS.

2. We pledge ourselves to take the highways out of politics,
giving the expenditure of the money collected from the people and
the control of the labor, together with the Government appropria-
tions, into the hands of supervisors, chosen by the people of each
parish, to whom a detailed and audited account must be rendered
every year at the annual meeting, and a duplicate thereof for-
warded to the Department of Public Works, the work of the super-
visors to be under the inspection of a competent provincial en-
gineer.

We also pledge ourselves to set aside the money collected
from the licenses upon automobiles and other motor vehicles, to-
gether with an equal appropriation from the revenues of the Pro-
vince each year, to pay the interest upon the bonds to provide for
permanent roads, which shall be constructed as rapidly as possible.

PROHIBITION PROVINCE WIDE.

3. We pledge ourselves at the first session of the Legislature
to pass a law prohibiting the sale of intoxicating liquors within
the Province to the fullest extent allowed by the Constitution, and
within three months after the passage of said Act to submit the
same by referendum to the electors of the Province, and should
the majority of votes cast be in favor of the said law, then to
bring the same into force by proclamation within one year there-
after.

ELECTION LAW.

4. (a) To amend the electoral law so as to make it impossible
for members of the Legislature to traffic with the Government and
still retain their seats.

(b) To make it possible for young men, when they reach the
age of 21 years, to register their names and be placed forthwith
upon the voters' lists, instead of waiting for the tedious machinery
of revision as it now exists.

(c) To divide the counties into electoral districts which shall
each be represented by one member.

(d) We will also consider amendments to the election law to
make bribery in municipal as well as provincial elections impos-
sible.

PROVINCIAL FINANCES.

5. To obtain at once a correct statement of the financial con-
dition of the Province in order that the people may have definite
knowledge of the vastly increased public debt and the enormous
obligations of guaranteed bonds they will be called upon to pay;
and to so reduce the cost of the administration of affairs and the
number of useless officials as to avoid the necessity for direct tax-
ation now confronting us.

AGRICULTURE.

6. To give the farmers all the practical assistance that the
resources of the Province will permit, to improve agricultural
methods and the quality and quantity of the stock upon the farm;
to reduce the enormous salary list in the department, and to spend
the educational grant received from the Federal Government
without regard for political patronage.

VALLEY RAILWAY.

7. To complete the Valley Railway from a point on the Trans-
continental Railway at or near Grand Falls, to St. John, and insist
upon the Dominion Government carrying out the terms of the
original legislation and allow the Province forty per cent. of the
gross earnings thereof.

EDUCATION.

8. To always maintain and improve the educational service
of the Province and to co-operate with the Federal Government in
carrying out the recommendations of the commission upon tech-
nical education.

IMMIGRATION.

9. The inauguration of a vigorous immigration policy to
properly place before intending immigrants, whose number will
be large after termination of the war, the advantages of the agri-
cultural possibilities of New Brunswick.
