W. B. CHANDLER, K. C.
TO GET JUDGESHIP

Hon. H. A. McKeown to Succeed Sir
P. A. Landry as Chief Justice.

(St. John Standard.)

An unofficial despatch from Ottawa last night forecasted changes in the composition of the Supreme Court of New Brunswick, made necessary by the death of Sir P. A. Landry. It is understood that this involves the promotion of Mr. Justice McKeown to the position of Chief Justice of the King's Bench division of the Supreme Court and the appointment of Mr. W. B. Chandler, K. C., of Moncton, to the vacancy as Judge of the Supreme Court.

Mr. Justice McKeown is so well known in St. John that it is not necessary to speak of his qualifications for

the office of Chief Justice. He was a staunch Liberal in politics and was appointed to the Bench some years ago by the Liberal government. He is today recognized as one of the best men on the bench and his promotion will meet with general approval.

Mr. Chandler was admitted attorney on October 21st, 1876, and a barrister a year later. He bears a very high reputation in his chosen profession and has the complete esteem of all classes. He will be best remembered in St. John by his work as commissioner in the police investigation held here some time ago. Neither of these gentlemen could be reached last night to verify the appointments, but it is believed that they will be made as outlined.

Appointment Confirmed.

Ottawa, Aug. 19.—Mr. Justice H. A. McKeown, of the Supreme Court of New Brunswick, was today appointed Chief Justice of New Brunswick in succession to the late Sir Pierre Landry.

The vacancy on the Bench was filled by the appointment of W. B. Chandler, K. C., of Moncton.

CURE YOUR COUGH
BY BREATHING "CATARRHOZONE"

You may dislike taking medicines, but coughs are best cured without medicine. The modern treatment is "CATARRHOZONE." It isn't a drug. It's a healing vapor full of pine essences, and healing balsams. It spreads over the surfaces that are weak and sore from coughing. Every spot that is congested is healed; irritation is soothed away, phlegm and secretions are cleaned out, and all symptoms of cold or catarrh are cured. Nothing so quick, so sure, so pleasant as Catarrhozone. Beware of dangerous substitutes meant to deceive you for genuine CATARRHOZONE. All dealers sell Catarrhozone, large size, which lasts two months, price \$1.00; small size 50c.; sample size 25c.

They made a raid on the irregular forces, which had attempted to interfere with British reconnoitering steamships on the Euphrates. Three British soldiers were killed.

MOTOR ECONOMY.

Economy was the text of Mr. Jones' discourse one evening after he had been setting some household bills, while Mrs. Jones listened with true wifely interest.

"I don't want to make you unhappy darling," finished the husband, "but really we must be a bit more careful in future. For instance, look at the bill for petrol. That motor car is costing us rather too much for the time being."

"Yes, Henry, dear," agreed Mrs. Jones. "I'm afraid it is."

Then her sweet young face brightened as she went on:

"But just think what it saves us in carefrees and boot leather."
