THE CANADIANS PARTICIPATED IN ANOTHER FIERCE FIGHT

The Greek Government Has Accepted Allies' Demands

**The Navy Now Being Turned Over to the Allied Authorities---
Quiet Now Prevails Along British Front on the Somme---
Fighting in East Africa.**

LONDON, Oct. 12.—The Daily Chronicle's Athens correspondent, in announcing that Greece has accepted the demands of the Entente powers, says that the Greek government added a protest to its notification of acceptance. A telephonic message received in Athens from Piraeus says that the handing over of the Greek navy to the Allied naval authorities has already begun. The lighter craft will be handed over intact, so as to enable them to be despatched to the provisional government at Saloniki. The heavier vessels will be disarmed and left in the Gulf of Keratsini.

According to the Chronicle's correspondent, the Greek crews have already been removed from some of the warships and are being landed from the others. French crews were placed on the small ships and all guns on the larger vessels rendered ineffective and placed under guard.

Quiet is reported at both Athens and Piraeus.

LONDON, Oct. 12.—An uneventful night along the British lines in the Somme region is reported in today's official statement, as follows:

"South of the Ancre there is nothing to report. During the night five raids were undertaken by us in the Messiens, Boys Grenier and Haisnes areas, in the course of which we took prisoners and inflicted casualties."

LISBON, via Paris, Oct. 11.—The general commanding the Portuguese forces in East Africa reports that after an engagement in which he repulsed the German troops, the Portuguese advanced nineteen miles north of the village of Rovuna, encountering little opposition.

Ultimatum Served on Greece Was More

Comprehensive Than at First Supposed

PARIS, Oct. 12.—Details of the demands made on the Greek government by Admiral d'Artige du Fournet, the commander of the Allied naval forces at Piraeus, which have been made public here, show that the ultimatum was much more comprehensive than was understood at first.

In addition to her fleet, Greece was required to permit Allied control of all material for naval operations as well as the mails, telegraphs and railways. The ultimatum set forth that such control was necessary in order to render impossible the use of the navy, railways and so forth to the detriment of the Allies. Admiral du Fournet gave the Greek government until one o'clock Wednesday afternoon to comply with his demands, and stated that failure to do so would result in his taking the necessary steps himself.

Huns Still Able to Reach the Lower Depths Of Infamy in the Fight Against Civilization

LONDON, Oct. 12.—The Daily Express this morning says: "The depth of infamy to which the German nation has descended in its war against civilian mankind is shown by the official announcement from Bucharest of the discovery in the German legation of flagons labelled 'virus morve,' intended to propagate a simultaneous epidemic among men and horses."

"The fact that a representative of the United States legation witnessed the discovery is convincing proof of its truth."

"Virus morve produces one of the most loathsome diseases known to mankind, generally known as glanders, said one of the most eminent pathologists in this country to the Daily Express representative yesterday."

"It would be fiendish to spread it among human beings, to whom it is practically always fatal. Death may come rapidly or gradually, and victims might undergo terrible sufferings."

KING OTTO REPORTED DEAD.

LONDON, Oct. 12.—Former King Otto, of Bavaria, who has been insane for many years, has died suddenly, according to a Copenhagen despatch to the Exchange Telegraph, quoting a Berlin official announcement. The mad King died at Fuerstenried Castle, near Munich, where he has been confined since the year 1873. He was 86th born in 1913.

CANADIANS TOOK PART IN BIG BATTLE LAST SUNDAY

**Attacked a German Position Along a Front of
3500 Yards---Ontario and Western Battalions
Distinguished Themselves---Our Boys Showed
Great Dash and Courage.**

OTTAWA, Oct. 12.—Fierce fighting by the Canadians at the front, an advance which demonstrated personal superiority and filled a trench with dead Germans, but failed to maintain the position aimed at, are told of today in a cable to the Militia Department from the Canadian War Records Office.

The battle, which occurred on Sunday last, followed an attack by the Canadians on the German positions.

It extended over a frontage of 3,500 yards. Ontario, Manitoba, British Columbia and Alberta battalions distinguished themselves in the fray.

Though hampered by wire entanglements and meanwhile subjected to a withering hail of bullets from enemy machine guns, the troops especially on the left made their way to the German lines and took their toll of dead.

Afterwards, however, they had to retire. The record office describes the battle as a demonstration of the dash and courage of the troops, and a great event in the military history of Canada.

Board of Trade.
The regular quarterly meeting of the Board of Trade was held last night and the attendance was not very large. It was decided to hold a "Get Together" dinner early in November, to be followed by a membership campaign. Details will be worked out by the executive. Increased membership is now much needed. There are only 64 paying members. Mr. G. W. Hodge gave notice of motion to reduce the executive to ten members and the officers, making it fourteen instead of twenty-four, and also to select the committees from the Board membership instead of the executive.

Police Court.
The boys charged with carrying firearms without license were before the Police Court this morning, and were remanded until Monday, when their parents can be present. One drunk was sent to jail for 30 days in lieu of paying a fine of \$5. A Canada Temperance Act case was further postponed.

To Meet at St. Stephen.
The W. C. T. U. Convention now going on at Moncton, will conclude its labors this evening. St. Stephen has been chosen as the next place of meeting.

BASEBALL FANS ARE KEENLY INTERESTED IN TODAY'S STRUGGLE

**Brooklyn is Prepared to Make a Trench
Fight Against the Boston Red Sox---
An Enormous Crowd of Spectators
Will See the Game.**

BOSTON, Oct. 12.—The fifth game of the World's Series between the Brooklyn Nationals and the Boston Americans was played today before a holiday crowd. The anniversary of the discovery of America by Columbus, observed as a holiday, freed thousands from their labors, who took advantage of the opportunity to go to Braves Field.

The result, in the opinion of club officials before the games was likely to be the greatest crowd in the history of baseball. Braves Field, although holding the record for attendance of 42,300 last year, has not yet been taxed to capacity.

It was a last trench fight, which the Brooklyn team prepared to make against the Red Sox as they came into town today.

Three of the games played already have gone against them and only one game lies between the Boston team and another world's championship.

While the batteries came in for first consideration, the element of uncertainty in this connection today was largely removed in the minds of the fans.

Probable Line-up of the Teams Which Meet in the Great Struggle in Boston Today

It will be Smith for Brooklyn and Shore for Boston, nearly all agreed. The probable line-up for today is:

Red Sox—Hooper r f, Janvin 2b, Walker c f, Hohlitzel 1b, Lewis l f, Gardner 3b, Scott s s, Cady c, Shore p.

Brooklyn—Myers c f, Daubert 1b, Stengel r f, Wheat l f, Cutshaw 2b, Mowrey 3b, Olson s s, Miller c, Smith p.

The umpires were stationed as follows: Plate, Connolly; bases, O'Day; left field, Quigley; right field, Dineen.

Players' Share of the Gate Receipts Will Be \$162,927, the Largest on Record

NEW YORK, Oct. 12.—Baseball statisticians figured out today that \$162,927, the players' share of the receipts from the present world's series, is the largest sum ever divided among the members of two clubs in any world's series. Sixty per cent of it goes to the winners and 40 per cent to the losers.

If Boston wins the series, each of the twenty-six members of that club will receive \$3,332.94 and each of the Brooklyn players \$2,715.41. If Brooklyn should win each of the twenty-four players of that club will pocket \$4,073.10, which would set a new record for the amount won by individual players in any world's series. Should Boston lose, the players of that club would receive \$2,506.53 each.

Attendance was Less Than at World's Series in 1915, But Receipts Were Larger

Although the attendance at the first four games this year has been nearly 30,000 less than last year, the receipts were more than \$33,000 higher than in 1915, the total for four days of this year being \$304,717.

The best previous mark for four games was in the series between the New York Nationals and Boston Americans in 1912, when the total receipts were \$273,282. The attendance that year was almost 17,000 more than this year, but higher prices for seats have prevailed in 1916.

For the remaining games of the series the players will have no share in the gate receipts.

Saw-toothed Bayonet.
Lieut. Donald B. Winslow, who recently was wounded in France, has sent to a relative here a German bayonet, which was captured on the western front. The leather frog bears the date 1915. The weapon is heavier and longer than the Canadian bayonet. Its most striking feature is its saw-toothed back, which is capable of inflicting a horrible injury.

Transferred to Siege Battery.
Private James Adams, of this city, who has been orderly to Capt. W. H. Steeves, Canadian Army Dental Corps, for some months, has transferred to the 1st Siege Battery. He will join his new unit on Monday.

Court of Inquiry.
A court of inquiry on the clothing and kit of Private William Langley, an absentee from the 236th Highlanders, was held this morning. Capt. C. Mercereau presided and the other members were Lieut. Brewer and Lieut. McFarlane.
