Became Lost While Shooting Below High School Overcrowed an Additional Wilsey Road---Searchers Failed to Loca'e Him---Reached Nasonworth This Morning.

The Boston Red Sox beat Brooklyn ager of a branch tailoring store here, had a most unpleasant experience last night, being compelled to remain in the Boston team making ten hits to Brooklyn's five. Brooklyn fielded poorly, having four errors to Boston's one. Boston has won three games of the lings and found his way out, reaching Weddall, Mr. Spurden, Mr. Lemont Victoria Mill at about 11 o'clock. He Mr. Hughes and Mr. Shute.

Mills, an employe of Langille's Cycle vide relief as early as possible to ove The American Globe Laundries, Limited, capitalized at \$100,000, with the head office at St. John, has been incorporated under New Brunswick statutes. Those incorporated are J. Chas. Salmon, A. Florence Coughlan and Gladys L. Dodge, all of St. John. The company is empowered to carry on a genera llaundry business.

Mills, an employe of Langille's Cycle vide relief as early as possible to over come the crowded condition of the High School. The classes are unusual left their wheels near the road and went into the woods, one on each side of a brook. They became separated after a time. Mills shouted and heard In the High School building there is of a brook. They became separated is to be maintained after a time. Mills shouted and heard In the High School pear. Mills made his way to the road buildings. It has been suggested that and found the bicycles.

# Don't Forget the Ceiling

HE ceiling of the room is just as important as the roof of the house.

Whether you're building or repairing, don't forget the ceiling. A well designed ceiling makes all the difference in the world in the looks of the room.

There is only one logical modern ceiling material that has all the advantages of durability, attractiveness, ease of application and economy and that is Beaver Board.

Compare it carefully with lath and plaster, metal or wood, and you'll come to the same conclusion.

Beaver Board is the modern wall and ceiling material. It supplants lath, plaster, metal and wood.
