WRANGLE AT COUNCIL MEETING OVER A LAWYER'S BILL

An Echo of the Watson-Smith Smallpox Embroglio
Secy-Treas. Bliss Would Not Act and R. B. Hanson Was Engaged to Act for the County.

There was an echo of the Watson-Smith embroglio before the York Municipal Council this morning. It arose over a bill for \$34.95 from Mr. R. B. Hanson for legal services rendered as counsel to Mr. J. W. Smith, chairman of the York County Board of Health, who was sued by Mr. P. S. Watson, of St. Marys, for the value of groceries supplied the Indians of the St. Marys Reserve while they in small pox quarantine. After a lengthy discussion it was decided to pay the bill.

Some of the councillors, however, expressed the opinion that Mr. Smith should be made to pay the bill. Coun. Pat Graham stated the opinion that Secretary-Treasurer Bliss should be made to pay the bill, as it was his duty to render legal advice.

The Secretary-Treasurer explained that Mr. Smith had refused to accept his advice. During the discussion it was said that if Mr. Smith was incompetent as a Board of Health official, steps should be taken to have him removed. He is an appointee of the Provincial Government.

The Council resumed business at ten o'clock Wednesday morning.

Public Accounts.

The report of the Public Accounts Committee was received. In it was an item of \$34.95 for counsel fees in the case of P. S. Watson vs. J. W. Smith, chairman of the Board of Health, which was referred by the committee to the committee of the whole Council. The bill was from R. B. Hanson, of Slipp & Hanson, who had been employed by Mr. Smith as solicitor.

Coun. Hugh Smith said the chairman of the Board of Health had explained to the committee that the County Secretary-Treasurer would give no advice, and he had been compelled to secure other counsel.

Secretary Bliss Explains.

Secretary-Treasurer Bliss made an explanation. He stated that Mr. P. S. Watson had brought suit against Mr. Smith for payment of a bill for groceries supplied the St. Marys Indians during a period of quarantine. He (Bliss) believed that the defendant should secure counsel, as the Board of Health could not be sued, not being an incorporated body. In January last the case had come up for trial, but he had been unable to attend either the court or the sessions of the Council, so he had arranged to have the case tried without a jury. Mr. Smith had objected, as he wanted a jury. Finally he had told Mr. Smith to get another attorney and Mr. R. B. Hanson had been retained. The case went to a jury.

In reply to Coun. Hunter, the Secretary-Treasurer explained that the Council was legally liable for the bill.

Coun. Pat Graham Objects.

Coun. Pat Graham said the Secretary-Treasurer had been appointed to the position on account of his legal qualifications, but by not carrying on the case for Mr. Smith had made it necessary for the Council to pay an outside lawyer in the Watson case. The Secretary-Treasurer was paid a salary to do work of that kind, and he (Graham) favored charging the amount of the bill against the Secretary-Treasurer's salary.

Coun. Neill said that Mr. Smith had refused to take the advice of the Secretary-Treasurer and had engaged Mr. Hanson. The case had been settled.

Blunder of Chairman.

Coun. Sloat was of like opinion. The Council had always been willing to pay the items recommended by the Board of Health. The blunder had been made by Mr. Smith, chairman of the Board of Health, and he should pay the bill. There were many other blunders along the same line and it was time a halt was called.

Councillor Clarence Grant believed that the Secretary-Treasurer was not to blame in the matter.

Removal Suggested.

Coun. Douglass said Mr. Smith was to blame, but as an agent of the County his expenses would have to be paid by the County. If he was not competent the Council should try to have him removed.

Coun. Alex. Brewer believed that Mr. Smith was in the wrong in this matter. He should have adhered to the advice of the Secretary-Treasurer. In regard to the other item he ventured to say that if it had been incurred by a member of the Board of Health appointed by the County Council, he would not hold his position twenty-four hours. He did not feel like throwing the expense on Mr. Smith, however.

Coun. Pat Graham's Opinion.

Coun. Pat Graham said the advice of the Secretary-Treasurer was good. The County should have settled that bill of Peter Watson's years ago. The County should not be trying to cheat Watson out of a couple of hundred dollars.

Coun. H. A. Smith objected that the Council was not cheating Mr. Watson. Coun. Pat Graham—"The Council held up that bill, didn't it? Pete Watson delivered the goods. He is entitled to payment. Instead of paying the bill, we held it up, incurred the expense of a lawyer's advice and in the end had to settle it."

Other councillors said the Board of Health had incurred the expense and had declared the bill incorrect. The Council had referred the bill back to the Board.

Coun. Lawson said too much time was being wasted in this discussion. He moved that the bill be paid.

Coun. Neill objected to Coun. Pat Graham's statement that the County had acted dishonorably in this matter. It had not. It was merely the matter of a bill disputed by the Board of Health.

Coun. Lawson's motion was carried and the Council adjourned.

PATRIOTIC FETE IS POSTPONED TILL AUGUST 4.

The Patriotic Committee can accomplish great things when it gets down to work, but it has been unable to cope with the eccentricities of the weather man, who is surpassing all previous efforts in handing out bad days this season.

In consequence of the continue drain, the committee has been compelled to postpone indefinitely the Around-the-World auto ride and Grand Fete which were scheduled for last week and postponed until tomorrow.

It is now hoped to pull off these great events on August 4th, due notice of which will be given. That is the second anniversary of Britain's declaration of war, a day that is to be formally observed throughout the Empire.

In the meantime the promoters of the affair desire to most cordially thank the ladies, the auto owners and many others who kindly gave their assistance to make the ride and fete a success, and it is hoped that when the time arrives for holding the celebration all will willingly offer their services.

HAVE YOU BEGUN

to think that your skin disease is incurable? You should not until you have tried Zam-Buk! This great balm has cured many cases of eczema and other skin diseases after everything else had failed. The case of Mr. G. J. Taylor, of Lower Napan, N.B., is an illustration. Mr. Taylor writes:

"For twenty years I suffered constantly with eczema. I consulted doctor after doctor, who gave me ointments and blood-tonics, but I got very little relief. I tried all the so-called 'eczema cures' I had heard of, but without result. By this time my body was entirely covered with eczema, and the burning and irritation was intense. I was so badly disfigured that I was obliged to give up my work, and had despaired of ever finding a cure."

Then I heard of Zam-Buk and lost no time in trying it. The first few applications gave me sufficient relief to encourage me to continue. I did so, with the result that the skin stopped peeling, the burning and irritation entirely disappeared, and with perseverance the disease, after twenty years standing, is completely and permanently cured."

Zam-Buk is equally good for old sores, ulcers, abscesses, piles, bleeding, boils, pimples, cuts, burns, and all skin injuries. All druggists, 50c. box, 3 for \$1.25, or direct from Zam-Buk Co., Toronto.
