FOR SALE

JOHN KILBURN FARM 1 000 ACRES of Money Making Land. Beautiful home, 6 barns, orchard and small fruits. Fronts St. John river. Best buy in the county.

CLARENCE L. SYPHER,

Could Eat Nardly Anything.

When the stomach gets out of order the whole system seems to become affect-ed in one way or an other. The breath becomes foul, the tongue furred, the appetite becomes disturbed, nausea and **vomiting occur**, there is a rising and souring of food caused by the acidity of the stomach, and the stomach and bowels become distended causing flatulency. Unless these symptoms are met with immediately, dyspepsia or some other serious trouble is liable to follow_as a consequence. When the stomach gets out of order consequence.

Experience. PAINLESS EXTRACTIONS DAY OR NIGHT. 571 KING STREET PHONES—Office 574; House 2600-41. Consequence. That grand old remedy, Burdock Blood Bitters, has been on the market for the past forty years, and we claim, without any fear of contradiction, that there is not another medicine on the market to-day that can compare with it for the cure of all disturbances of the stomach.

cure of all disturbances of the stomach. Miss Lillian F. Phillips, Plumwescop, N.B., writes: "My stomach was so bad I was in pain and misery. I could eat hardly anything. I had been treated by skillful doctors for it, but they did me no good. I was giving up in despair when I happened to hear of Burdock Blood Bitters. You can't think how fast it helped me, for I had only taken two bottles before I was better. I will recommend your medicine very highly to all my friends and sufferers." Burdock Blood Bitters is manufactured

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

A BLOUSE FOR EVERY WOMAN.

It is a sartorial fact that the gether, then add one teaspoonful blouse forms the most necessary of baking powder and 4 ounces of part of the wardrobe. The reason cheese and two whole eggs: mix apart from the dictates of "La with a little cream into a paste, Mode"-is not far to seek. The rell out about half an inch thick. dress allowance of the average wocut into four-inch lengths, about man is somewhat limited, and as one wide, place in a wet baking most women like a change, the tin, then brush over with a raw blouse is the cheapest. most atwhole egg and dust over with a tractive and easiest means of profew browned bread crumbs, prick curing it. Given a smart sarge and the paste well with a sharp pointsilk tailor suit, a woman can, with knife, sprinkle on the crumbs a a couple of morning skirts and soft tew coarse grains of salt, and bake afternoon blouses, ring those many in a moderate oven for thirty-five changes which the soul of woman craves. The best shops of to-day offer these dainty garments at a moderate price, so beautifully cut and fashioned that all can be charm ingly "bloused" for a small outlay.

> Most of us will welcome the continuance of the low cut collar and open neck. There is, of course, a deal of smartness to be attained by the very high collar. But even the Parisians soon realized that with summer ahead and the practical lives most of us women lead today there was more comfort and softness expressed by the low neck. which is also in keeping with the
