ADVERTISING MEN MET AT PHILADELPHIA

Philadelphia, June 27.—The mem-
bers of the Associated Advertising
Clubs of the world, which is holding
its twelfth annual convention in this
city, had a programme today to keep
each of the thousand delegates busy.
While all Philadelphia was still discus-
sing the wonders of last night's street
pageant, the general sessions of the
convention opened at 9 o'clock with an
invocation by Bishop Garland.

Different departmental sessions and
conferences were held in various
buildings during the day. Experts in
various lines discussed their specialties
at these conferences in both morning
and afternoon sessions. Women's ad-
vertising clubs also held a session in
the afternoon, while John Hart, of
London, delivered an illustrated lec-
ture on "Advertising in the British
Isles."

The pageant last night was one of
the most spectacular ever seen in this
city, if not in the country. The history
of advertising, printing and lithograph-
ing was shown by some of the 150
floats in line, while others depicted the
development of various industries and
portrayed historical incidents of the
city, state and union.

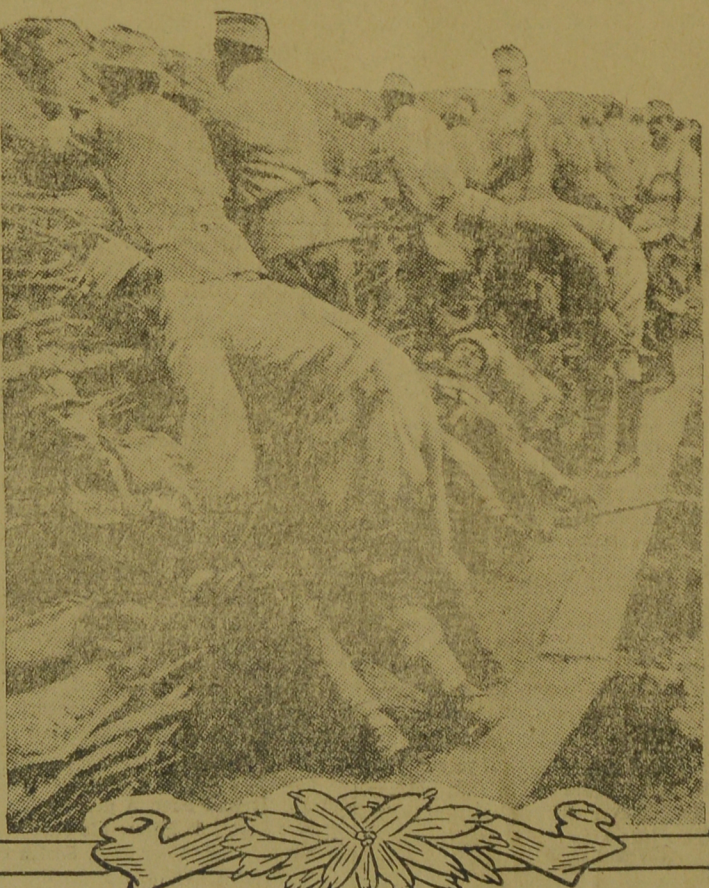

More than 7,000 delegates from all
sections of the United States, Canada,
Mexico and Europe, marched in the
parade.

AN ITALIAN BARK GOES TO THE BOTTOM

London, June 27.—Lloyds announces
that the Italian bark San Francisco,
from Buenos Ayres for Genoa, was
sunk by a submarine Saturday when
two miles off Barcelona, Spain.

The crew was saved. The San Fran-
cisco was a vessel of 969 tons.

CANADIANS IN FRANCE BEING REINFORCED

Ottawa, June 27.—The heavy losses
which were sustained by the Canadians
at the battle of Hooze and the engage-
ments which came after it have neces-
sitated a steady movement of rein-
forcements across the Channel.

The fourth Canadian division under
General David Watson has not gone
over yet, but 7,000 men out of a total
of 25,000 have gone, and their places
have been filled by troops from Can-
ada recently arriving in England sta-
tioned at Shorncliffe and Bromshott.
The division is still headquartered at
the latter camp.

The activity along the western front
ensures the Canadians reaching the
firing line more expeditiously than
formerly, and in turn calls for a quick-
er movement from Canada. Incident-
ally the overplus of qualified officers
is being absorbed.

STEAMER SUNK IN THE MEDITERRANEAN

Marseilles, France, June 27.—The
French steamer Fournel, and the Eng-
lish steamer Cardiff have been sunk by
a submarine in the Mediterranean.
The French steamer Ville de Madrid
with 52 passengers on board was pur-
sued and fired on by a submarine, but
escaped.

The Fournel was a vessel of 2,042
tons. There are two British steamers
named Cardiff, one of 2,808 tons, and
the other a trawler. The larger boat
has been engaged in the transatlantic
trade and was last reported on her
way to Sydney, N.S.

Wonderful Bilious Remedy Actually Prevents Attack

There are two great causes of bil-
iousness—they are constipation and de-
fective liver action.

When Dr. Hamilton's Pills are tak-
en they not only correct constipated
bowels, but act upon the liver as well.

Quite unlike ordinary medicines,
which purge and give temporary re-
lief, Dr. Hamilton's Pills remove the
conditions which cause biliousness, and
thus permanent cures are effected.
No person who occasionally uses Dr.
Hamilton's Pills will ever suffer from
the headache, bad stomach or bilious
complaint. Get a 25c. box today.
