INTERESTING SIGHT
Many people during the past week visited the Marysville dam and watched with great interest the efforts of the salmon to hurdle the obstruction. There are scores of salmon and grilse in the quick water at that point and can be seen leaping against the wall of the concrete dam. Yesterday in a space of half an hour four were seen to make their way successfully up the temporary fishway and reached the water held by the waste gates.

EARLY SETTLERS
TO BE HONORED
HERE TOMORROW

Monument To Be Unveiled by Lieut.-Gov. Fittingly

MILITARY DISPLAY
Premier Tilley and Mayor Clark To Address Gathering

The early settlers of Fredericton will be honored here tomorrow with a fitting ceremony when a monument, erected to their memory, will be unveiled by His Honor Hugh H. McLean, Lieutenant-governor of New Brunswick. One hundred and fifty years ago a number of United Empire Loyalists came to Fredericton and spent a winter of privation and suffering. Some of them died that first year and were buried in a cemetery near where the boulder-monument has been erected. There is a tablet on the boulder and one of the sentences explains the purpose of it thus: "To commemorate the loyalty, faith, courage, sacrifice and achievement of early settlers who established this city of Fredericton, a grateful posterity has erected this monument."

Military Display
The ceremony tomorrow will be featured by a military display. Civil and Provincial officials will take part in the program which will include an opening address by His Worship Mayor W. G. Clark at the site of the monument near the end of Waterloo Row; the unveiling of the monument by Lieutenant-Governor McLean; the reading of the tablet inscription; invocation by Rev. A. F. Wightman; placing of a bouquet by Goodridge and Sibyl Brannen, direct descendants of the sixth generation from U. E. Loyalists; Address by Hon. L. P. D. Tilley, Premier and Minister of Lands and Mines.

Previous to the ceremony at the monument there will be a special commemoration service at Christchurch Cathedral conducted by Very Rev. Dean Holmes. Following that there will be a procession to the site of the monument and during the ceremony several hymns will be sung, and played by the York Regiment Band. Brigadier J. L. R. Parsons, commander of the military district, will attend officially. The militia will play an important part of the program with three units in attendance at both the Cathedral and the ceremony. The units represented will be the York Regiment, 90th Howitzer Battery, and "B" squadron of the New Brunswick Dragoons. The parade will move off from the armouries at approximately 10.30 and will be headed by Colonel H. H. Ritchie, O. C. of the parade. He will be followed by Lieutenant R. L. Dudo-maine, adjutant, and the three militia units. There will also be a large number of retired and reserve officers in the parade.

The speech making at the monument will be followed by the "feu-de-joie" and the playing of God Save the King. On the return the parade will march past the cenotaph where the salute will be taken by the lieutenant-governor and Brigadier Parsons. Major (Continued on page four)

N.A.A. DOG TRIALS
TRIALS WILL BE
HELD NEXT WEEK

Petersville the Scene of Second Meet of North American Assoc.

ENTRIES COMING IN
International Champion Will Not Compete This Year

The North American Cover Dog Trials for International championship will be held at Petersville next week on Tuesday and Wednesday. It will be the second time that the trials have been held in the province, last year being the first when the meet was held on the 26th and 27th of September. The covers owned by Rev. A. P. Allen, who is president of the association, will be used again this year following the remarkable success that was met with at the first trials.

Entries are coming in with a good number of dogs from United States and Canada ready for the two days of competition. The international champion cover dog, Billy Boy, owned and handled by Norman Brownlee of Ottawa Ont., will not compete this year due to sickness but Mr. Brownlee will be present at the trials with another dog.

Most of the New Brunswick entries are coming from Saint John and St. Stephen while J. Stewart Neill, of this city has an entry. The list is open until Monday evening, however, and it is hard to ascertain an approximate number of the dogs that will compete. A number of suitable trophies have been donated for the winners of the events including one donated by Mr. Brownlee for the runner up in the all-age open derby.

Will Judge
Ozard Ripley of Chattanooga, Tenn., well known authority on animal and natural life, will again be one of the judges this year. The other judge will be Allan McAvity of Saint John. The first event starts Tuesday morning at 9 o'clock and the others will be carried (continued on page 1.16)
