29 YEARS AGO TODAY
(FROM THE FILES OF THE DAILY HERALD)
A Thoughtful Act
Mr. Martin Kennedy, a farmer of Cork, was a welcome visitor of the city yesterday. While here he called upon Principal Osborne of the Fredericton Business College and presented him with a nice eleven pound turkey. He explained that he made the gift in appreciation of Mr. Osborne's kindness to his daughter while she was a student at the Business College four years ago.

A New Auditor
It is said that the County Council will appoint a new auditor at the January meeting of the board. The names of Messrs. H. F. McLeod, F. H. Peters and R. B. Hanson are mentioned in connection with the position. The salary is \$150 per year.

Rub on
VICKS VAPORUB
the proved way of relieving colds

The minute you apply Vicks VapoRub over throat and chest it goes right to work to fight a cold—two ways at once—by Stimulation and Inhalation. Through the skin, it acts like a poultice, "drawing out" tightness and soreness. At the same time, its medicated vapors are inhaled direct to irritated air-passages. All night long, it works to help Nature "throw off" the cold.

Ideal for Children's Colds
Being externally applied, VapoRub avoids the risks of those digestive upsets that so often come from constant dosing. It can be used freely, and as often as needed, even on the youngest child. And it's just as good for adults.

Dr. Wood's NORWAY PINE SYRUP

If a Hacking Cough Nearly Chokes You
take Dr. Wood's Norway Pine Syrup. Almost instantly you feel its penetrating effect. It oozes slowly through the inflamed membranes, loosens germ-laden phlegm, clears the bronchial tubes and brings relief, in severe coughs. Easy to take. Good for children.
