Chapter of Fatal and Near Fatal Accidents In N. B. Over Week End

Man Killed at Bathurst and Several Injured At Springhill and Digby.

Bathurst, Aug. 12—Henry Ramsey, 74 years of age, was fatally injured at East Bathurst between 10 and 11 o'clock last night when struck by a hit-and-run car. Ramsey left the athletic field, where traveling shows were playing, about 10 o'clock and was proceeding on foot to the home of his son, with whom he resided, about a mile from the show grounds. He was apparently walking along the road when struck by the car, going in the opposite direction.

Another motorist, who was changing a tire near the scene, ran to a telephone at Wiseman's store and notified the R.C.M.P. In the meantime, occupants of the car coming from town, driven by Mrs. J. R. Wood, noted the prostrate form and stopped.

The injured man was carried to the home of Walden Cale and Dr. L. D. Densmore was summoned. After examination, the victim was moved to the James H. Dunn Memorial hospital, where he died at between 2 and 3 o'clock this morning. He had his back broken, chest crushed, leg broken and skull fractured. Apparently the car had passed over the right leg, as this was badly torn and crushed.

A well-known figure, Ramsey had served as a provincial constable for 47 years and had served many court sessions and Municipal Council meetings. During the last two weeks he was acting as constable at the present session of the county court. He was at one time on the local police force.

He is survived by five sons, George, Ernest and Samuel, Bathurst; Raymond, Bangor, Me., and John Milford, Me.; two daughters, Mrs. Katherine Bonnell, Toronto, and three brothers, Andrew and William, living here, and Samuel, North Stratford, N. H.

Members of the Mounted Police have the matter under investigation, and an inquest will probably be held tomorrow.

West Bathurst was the scene of a serious accident last night at midnight, when a coup bearing New Brunswick license plates R.1,905, operated by R. R. McLernon, Montreal, an employee of the Bathurst Power and Paper Co., Ltd., here, collided with a wagon owned by Arthur Brown farmer, West Bathurst.

Mrs. Brown, accompanied by her daughter, Isabelle; son, William and Thomas Rolph, had been attending a show at the athletic field in Bathurst and were on their way home when the accident occurred. The wagon was broken into matchwood and the harness badly torn.

The occupants were rushed to the

END OF ERA AS BABE BIDS FAREWELL

BOSTON, Aug. 13—More than 46,000 fans, one of the largest baseball mobs Boston ever saw, stormed Fenway Park yesterday to bid farewell to one of the greatest baseball players the game has produced, Babe Ruth, the battering bambino this city welcomed to big league ball twenty years ago.

Ten to twenty thousand were turned away when the park was crammed to capacity.

The official attendance was 46,766. The Babe, according to his own statement, is retiring as a major leaguer and yesterday was his last appearance here.

Some of the customers had been at the ticket window all night, sleeping on the sidewalk, to be sure of one of the precious tickets when the box office opened.

Others gathered in the early morning hours, so that when the window opened at 9 a.m. a mob was waiting.

A NEW COLONY TO BE OPENED IN RESTIGOUCHE

Forty Lots Applied For By English-speaking Settlers

OTHER NEW SETTLEMENTS

Good Progress Is Being Made By Other New Settlements

T. A. MacDonald, Superintendent of Colonization for the Province, has returned from a trip to Restigouche county, where he has a party at work laying out a new colonization project.

The new settlement will be located in the vicinity of Campbellton. It will be between Upsalquitch Hill and Adams Gulch.

The new settlement will contain about forty lots, applied for by English speaking residents of Restigouche County.

The new settlers at Saint Arthur, another colony, are making wonderful progress in developing their place. The amount of land cleared in the settlement was above the average and the buildings are splendid. Mr. MacDonald says Saint Arthur has now five hundred souls, with fifty children of school age. This latter settlement is composed of French-Canadians.

Mr. MacDonald also complimented the settlers in the Squaw Cap colony. Good progress was being made in this colony also.

While in this district Mr. MacDonald inspected the fourteen new sites that the department had erected in Oliver Settlement to replace those destroyed by the forest fires this summer. He left later in the afternoon to inspect the new houses being erected by the department at Alcida in the Jacquet River district to replace those destroyed in a similar fire.

Mr. MacDonald has been connected with the Dept. of Lands and Mines, Colonization Branch, for the past five years and is doing valuable work in his line.

NEW RULE HITS THE MENFOLK

ELMSFORD, N. Y., Aug. 13—Two country clubs in Westchester County have made it clear to members that recent orders prohibiting shorts on the golf courses applied to men as well as women. The clubs are the Metropolis and the Elmsford Country clubs.

Notices including the men in the ban were posted today. The recent discussion in New York City regarding shorts for women golfers prompted the original order, but club officers feel that the appearance on the greens of men in shorts would be just as objectionable.

Denunciation of Nazi Leadership From Many Pulpits

FORMER MAYOR OF WOODSTOCK DIES SUDDENLY

J. Rankin Brown, 75 Long Active in Town and County Affairs

Woodstock, August 13—Woodstock lost a prominent citizen this morning when J. Rankin Brown died suddenly at his home on Chapel Street. He had not been in robust health for more than a year but had been able to be at work as usual, and his death came as a great shock to his numerous friends.

Mr. Brown was down town last evening, going home about 10 o'clock and retiring as usual. About 4 a.m. he awakened and complained of a pain in his chest but refused to have a doctor summoned. He walked into the bathroom, took medicine and returned to bed. Shortly after lying down he became unconscious, passing away a few minutes later before medical aid arrived.

Mr. Brown was 75 years old. He was born at Northampton, son of the late Robert Brown. He spent his early life farming in Northampton, coming to Woodstock in about 1901, when he became engaged in the grocery business with R. E. Holyoke, under the name of Holyoke and Brown. Later, he was in business for himself, closing out his store about 10 years ago. He was then appointed inspector under the Prohibition Act, which position he occupied for about two years. When government control was adopted he became a member of the staff of the government store here, continuing to act in that capacity up to the time of his death.

Active in Public Life

He was prominent in town and county affairs. For several years he represented the parish of Northampton in the Carleton County Council. He also served as Mayor of Woodstock and as a town councillor, in addition to which he served for several years as a member of School Trustees. He was an Odd Fellow and a member of the trustee board of St. Paul's Presbyterian Church.

He is survived by his wife, who before her marriage was Miss Kate Stevens, a daughter of the late Judge Stevens, St. Stephen; one son, Robert, at home; three sisters, Mrs. A. B. Connell, Woodstock; Mrs. H. C. Nelson, Woodstock, and Mrs. Alex. Watson, Vancouver.

The funeral will be held from the home Tuesday afternoon at 2 o'clock. Interment will be made at Greenbank Cemetery, Northampton.

Challenge Mueller's Authority—A Bitter Controversy Being Waged.

Berlin, Aug. 12—Secret police were reliably reported tonight to have arrested a large number of clergymen who defied the authority of Reichsbishop Ludwig Mueller as dictator of the evangelical church. The pastors taken into custody had read from their pulpits a bitter denunciation of the Nazi church leadership.

Their action was believed to be the start of a finish fight in the church controversy which has raged savagely for months over questions of dogma, dictatorial rule and efforts to regiment clergymen under the Nazi aegis. Many clergymen have refused to take the oath of fealty to Hitler recently demanded.

An outspoken manifesto, regarded in some quarters as an open declaration of war against Bishop Mueller's faction, declared the proceedings and resolutions of the so-called "National Synod" are invalid according to Church and secular law.

"Whoever obeys them commits a breach of the Church constitution and Church laws," the manifesto said. "We refuse to obey the call upon congregations and churches to make themselves guilty of the same breaches of the law."

Met at Hamburg.

The declaration was drawn up at a meeting of the "national" Synod at Berlin before which Bishop Mueller forced through a series of measures designed to entrench himself still more solidly as the master of the Church. The Hamburg meeting was attended by the Rev. Martin Niemöller and the Rev. Gerhard Jacobi, among others.

Meanwhile the high-powered Nazi propaganda-machine was thrown into gear today to assume an unprecedented production of votes in next Sunday's plebiscite on Hitler's election as president of the Reich.

The regimented German newspapers, billboards, cinemas and cabinet ministers are being pressed into service to steam-roller public opinion. Government leaders will start their whirlwind stamping campaign tomorrow. Their efforts will reach a stirring climax Friday when Der Fuehrer himself will make an address here.

RAZOR BLADES USED TO SHAVE SASK. LAKE

REGINA, Sask., Aug. 11—At last, they've found a use for old razor blades—and Wascana Lake has had its first shave.

Hundreds of old blades were strung on wires, weighted to hold them to the lake bottom, and the weeds were "shaved" off.

YOUNG ROTHSCHILD BARRED AT LONDON CAFE AS A JEW

A Strange Incident For London Is Reported To Have Taken Place in a Fashionable Roadhouse.

London, England, August 11—Victor Rothschild, 24 year old heir to the recently the manager asked me:

Rothschild barony, was refused a meal in a fashionable London roadhouse because he was a Jew, the London News has reported here.

The newspaper quoted young Rothschild as stating in a telephone conversation from Le Touquet:

"A group of friends and I dropped in on a London roadhouse for food. Soon after we entered a man, apparently the manager asked me: "Excuse me sir, are you a Jew?" "Since my appearance in any case is hardly Aryan, I told him I was a Jew. He said he was sorry, but in that case he could not serve me and that I would have to leave. "No explanation was offered me, and we left presently, not in the least worried about the matter".

BAPTISTS WARNED OF RED EVIL BY CONVENTION HEAD

One of Most Direct Challenges To Christianity Is Being Made By Communism.

Berlin, Germany, August 13—One of these voices are Nationalism, Bolshevism, industrialism and Socialism. Christianity for being made by Communism. But their appeals are geographical, Dr. M. E. Dodd, president of the Southern Baptist convention, said in an address on Saturday to the World Congress here.

Communism and Christianity march all boundary lines. Communism asks in opposite direction and churches for nothing less than world dominion, must provide a substitute for Communism even the dethronement of God and munism or succumb to it, Dr. Dodd said. He declared:

"There are many voices crying one supreme challenge to Christianity. The giant stalks in the valley hurling a remedy for the sick world. Some defiance at Israel's god".
