## OPPOSITION FORCES IN CARLETON

Woodstock, June 10.—F. B. Carvell, M. P., arrived home from Ottawa today after the conclusion of the fuse investigation. He was joined here by E. S. Carter, opposition organizer, and during the day consideration was given to the report that it was intended to open the constituency of Carleton county if B. F. Smith is appointed to the Public Works portfolio. A by-election would be necessary and the vacancy caused by Donald Munro's appointment would no doubt be filled at the same time.

In view of this possibility arrangements were made to organize the county at once and be ready if the necessity arises. The Opposition forces in Carleton county will be ready for any contest.

## HAD SALT RHEUM ON HANDS.

Could Not Do Her Work.

Eczema or salt rheum is one of the most common of all skin diseases. It may centre itself on any part of the body, but there are certain places where it most usually begins, such as the bends of the elbows, the backs of the knees, the groove behind the ears, the scalp, on the palms of the hands, between the fingers, or on the soles of the feet.

It is, as a rule, not dangerous, but is very irritating and annoying to the sufferer on account of the terrible itching and burning sensation it causes.

It is impossible to eradicate this trouble from the system by external applications, as it is caused by the blood being in an impure state. What you need is a good blood cleansing medicine such as Burdock Blood Bitters. A medicine that will drive out all the foulness from the blood and make it pure and rich.

Mrs. Adelard Theriault, Theriault, N.B., writes: "Some time ago I was troubled with salt rheum on my hands, and it was so bad I could not do my work. I tried several medicines, but they all failed to help me. One day a friend told me to try Burdock Blood Bitters, so I got a bottle, and before I had taken it my hands were better. I am not afraid to recommend B.B.B. to anyone."

B.B.B. has been on the market for the past forty years, and is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

ALL citizens of Fredericton will take notice that on WEDNESDAY MORNING, June 14, enumerators will start the taking of a Military Census of the city, and at the same time take a School Census. Heads of families are asked to be ready with the required information, and save the time of the enumerators. In the Military Census the names and occupations of all men between the ages of 18 and 45 (inclusive) are required. For the School Census the names of all children between the ages of 5 and 15, with date of birthday, is sought, with the names of parents and street address. This Census is being taken under Legislative authority, and it is compulsory upon all citizens to furnish the desired information. It is most undesirable that any harsh measures should have to be resorted to, and it is hoped that all citizens will readily comply with the provisions of the law.
