U. N. B. LOST TO MT. ALLISON IN OVERTIME TILT

"Spec" Peebles Stars As Mounties Win—Earlier Report Was Game Tied

Sackville, Feb. 6—"Spec" Peebles, returning to the game for the first time this year, tonight scored the winning goal that gave Mount Allison a 2-1 victory over U. N. B. in the second match of the N. B. Intercollegiate League. The winning counter came after 87 minutes of gruelling hockey.

U. N. B. played a fine brand of defensive hockey, each player marked his man well throughout, breaking up the Mounties' passing. The Fredericton defence were efficiency itself in stopping advancing players. The whole team, especially Johnson, gave a finished exhibition of pokechecking. Fradsham in the Red and Black nets stopped 63 difficult shots to ickie's 28. Often the losers golfed the disc down the ice.

Fradsham Kept Busy

In the final ten minutes overtime period Fradsham was called on to turn aside 19 shots or two a minute. The Capital squad defensive tactics were in play from the starting whistle and the Allisonians made one continual surge towards Fradsham's citadel throughout the game.

After seven minutes of play English sent a swift short shot at the U. N. B. goalie who fell on his stomach and reached for the puck which had bounced from his pads. Robertson sped in and lifted the rubber over the goalie's head for the first goal.

U. N. B.—Goal, Fradsham; defence, B. Chalmers, Daughney; forwards, Johnson, Burke, Chalmers, Dodds, McLenahan, Coughle, Ogilvie.

Mt. A.—Goal, Dickie; defence, Tothart (captain), Jonah; forwards, Miller, Robertson, English, Peebles, Grey, Taylor, Gillis.

First period: 1.—Mt. Allison, Robertson (English), 7:03. Penalties—Johnson, Robertson, Miller.

Second period: 2.—U. N. B. McLenahan, 5:10. Penalty—Chalmers.

Third period—No score. Penalties—Burke, Chalmers, Miller, Chalmers.

First Overtime: No score. No penalties.

Second Overtime: No score. Penalty—Johnson.

Third Overtime: 3.—Mt. Allison, Peebles (Gillis), 7:14. No penalties.

Referee: "Les" Lowther, Amherst.

SELECT A WIFE WITH A SUNNY DISPOSITION

St. Louis, Feb. 6—A smart man, says Circuit Judge Granville Hogan, is one who selects his wife from the "great middle class." The preponderance of divorces he finds occur among the very rich and the very poor. The veteran jurist also advises selecting a wife for something besides her looks. Ruby lips, he says, "rub off at a touch, but a good disposition lasts a life time."

THIEF LIKES HIS MUSIC

Philadelphia, Feb. 6—The Musical thief who stole Manny La Porte's saxophones, drums and music is promised tunes for his wedding if he will return the instruments. The leader said his orchestra will play at the miscreant's engagement party, blare forth the wedding march and even come around later with a lullaby.

But just now Manny's helpless. The thief took even the siren from his automobile.

Cornell professor, who says he clocked a mountain goat at 19 miles an hour on a Glacier Park highway would never make good as a motor oop.

ROBINS IRKED BY REMARK OF BILL TERRY

Will "Go After Giants" Bitterly In 1934 Pen- nant Chase—Prospects Good.

New York, N. Y., Feb. 6—The "Daffiness Boys", otherwise known as the Brooklyn Dodgers will go to the National League wars this season with a new battle-cry.

"Beat the Giants", manager Max Carey and business manager Bob Quinn will tell their hired hands. "Beat everybody else, if possible, but be sure to beat the Giants".

The rivalry between these metropolitan district teams is old stuff, but it will be intensified this summer and all because Bill Terry cracked wise.

Somebody asked the Giants' manager the other day what he thought of the Dodgers.

"The Dodgers", Bill replied, "are they still in the league?"

Bill may live to regret that remark. It made the veteran Quinn fighting mad. It may make the Dodgers mad, too, mad enough to regain their old mastery over the Giants no matter what the relative position of the two clubs in the standings.

If it did nothing else, however, Terry's remark served to call attention to the fact that the Dodgers seem to have added little strength to the club that finished a bad sixth last season. They have furnished none of the newspaper headlines during the off season, made no trades.

Quinn is convinced, however, the Dodgers will be a much better team than they were a year ago.

"We have tried to make trades", Bob says, "but the demands made upon us were all out of proportion."

"Somehow, a trade no longer is considered as such unless it involves exchanges between two major league clubs. Has the development of young players ceased to interest the public?"

Quinn thinks Brooklyn picked up a number of rookies who will make the grade in a big way, among them Jim Bucher, a second baseman from Columbus, and such young pitchers as Leslie Munns, Phil Page and Charley Perkins.

If the pitching staff, headed by Van Mungo, Walter Beck, Ray Benge and Owen Carroll, improves over its showing last year, the odds will have only one glaring weakness—the outfield. Shortstop too, may cause trouble unless one of the rookies comes through. But the fly-chasing department, with Johnny Frederick, Hack Wilson, Danny Taylor and Ralph Boyle as the leading candidates, will be the Max Carey's chief worry.

TAXI DRIVERS' STRIKE SETTLED IN NEW YORK

New York, Feb. 5—An end to the taxicab drivers' strike which in three days is estimated to have cost the industry \$300,000 was formally announced tonight by Morris L. Ernst after presiding over a lengthy conference between representatives of the strikers and employers.

It was announced all 20,000 of the city's taxis will be running again Monday.

The strikers and the employers agreed to a three-way division, in which the public shares, of the receipts from a five-cent tax imposed on each ride by the former O'Brien administration. The drivers struck to obtain 100 per cent of this fund. It is estimated to total between \$500,000 and \$1,000,000.

The body of Owen Quinn, 51, an independent driver, was dragged with his cab from the East River today. Detectives said that he apparently had driven of a pier accidentally.

MONTREAL BASEBALL CLUB SIGNS BOB McNAMARA, COLLEGE STAR

Frank J. Shaughnessy Busy at New York In Search of Prospects; McNamara, Gridiron Star, Highly Touted.

New York, N. Y., Feb. 6—Frank J. Shaughnessy, general manager of the Montreal Baseball Club last night announced the acquisition of Bob McNamara, college baseball and football star.

McNamara will bid for a regular pitching job with Royals of 1934; he is a powerful hitter and may be used in other positions, most likely the outfield. McNamara comes to Royals on the recommendation of Charlie Niebergall, former catcher of Royals.

Following the International League schedule meeting here, Shaughnessy announced the season would open in Montreal on Wednesday, May 2, against Jersey City Club. Curly Orden, righthander signed his 1934 contract here. Royals are seeking Glenn Wright, veteran infielder, from the Brooklyn Club for utility purposes.

Following upon its golden jubilee dinner decision to reduce the schedule from 168 to 154 games to allow time for the post-season play-offs without playing a large number of double headers which was reached some time ago was formally ratified.

About the most important of the rule changes was the rescinding of a provision which allowed the sale of players out of the league from November 5 to January 1 without obtaining waivers from all the league's clubs. This change put sales on the same basis throughout the year and no player can be sold into another minor league until all the International League clubs have waived their claims on his services.

A rule permitting playing-managers

RUGBY PLAYERS FOR UNITED STATES

New York, Feb. 6—The Cambridge University Rugby squad will play a series of games in this country next season in the first international collegiate competition of the kind, it was announced yesterday by the Sportsmanship Brotherhood which will sponsor the visit.

The tentative schedule is for games with Harvard, Princeton and Yale, and a fourth contest against an all-Eastern team to be played at Baker Field.

to take up positions in the coaching boxes back of first and third bases after they had withdrawn themselves from the game was also adopted. The old rule required them to remain off the field entirely, making no distinction between playing-managers and other players.

The third change made it compulsory for all clubs to number the uniforms of the players. All but three teams carried numbers last year.
