## WILLARD-MORAN BOUT POSTPONED TILL MEMORIAL DAY

Willard Cannot Get in Shape For a Bout in March--May be in Open.

New York, Jan. 13--The proposed ten-round bout between Jess Willard, world's heavyweight champion, and Frank Moran, which it was expected would take place in this city some time in March, probably will be postponed until Memorial Day, it was reported tonight. This step has become necessary, it is said, because Willard has informed the promoters of the match that he cannot fight in March. If a later date is selected, the bout will be staged in the open.

Chicago, Jan. 12--Steve Yerkes, formerly with the Red Sox, will play second base for the Cubs the coming season, making Tinker's team practically complete. Pres. Weeghman is still angling for Pitcher Gene Packard but if he doesn't get him Tinker has promised to hit the stretch in front, anyway.

## Had Palpitation OF THE HEART ALSO WEAK and DIZZY SPELLS.

When the heart begins to palpitate it will beat fast for several seconds, then slow, then start to flutter, and a feeling of utter depression will come over your whole system, accompanied by weak, fainting and dizzy spells, and if you should happen to wake up in the night with your heart palpitating, and that "all gone" sinking sensation, you feel as if you were surely going to die.

When you feel this way, you may be sure that both your heart and nerves are out of order, and what you require is a real good heart and nerve tonic, one that will build up and strengthen both the heart and nerve system.

For this purpose nothing can equal Milburn's Heart and Nerve Pills. Mrs. J. S. Nicholls, Listowel, Ont., writes: "I was weak and run down, my heart would palpitate, and I would take weak and dizzy spells. A friend advised me to take your Heart and Nerve Pills. I started at once, and found that I felt much stronger, and my heart was ever so much better in a short time. I cannot praise your medicine too highly for it has done me a world of good. My husband has also been bothered with heart trouble, ever since childhood, and finds great relief by using your valuable pills."

Milburn's Heart and Nerve Pills are 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

# The Printing and Publicity Specialist Talks To His Son

"Say, John, I feel quite sick today," said Mr. Blank. "Please visit the different doctors in town, and find out who will cure me for the least money. Get your quotations tabulated and then let me see them. Of course we will engage the doctor who charges the least."

"Why, I never heard of such a thing," said John. "The idea of getting quotations from a doctor; it's the asylum for you."

"Well now, why not? I am a specialist in printing and publicity. I study my business just as carefully as any doctor can do. If I do say it that shouldn't, I have just as much brains as the average doctor. I strive to give my customers the benefit of my knowledge, my artistic skill and judgement and my ideas on publicity. I give service as the term is understood in the Twentieth Century.

"When some people around here have a little printing to be done, they visit all the printing offices, get quotations from each one, and then give the work to the man who gives the lowest figures.

"The ordinary user of printing knows his own business, but he is no more a judge of the work of printing than he is a judge of what sort of medicine a doctor should give him for the cure of his ailment. If people ask me for quotations and pass me by if my price happens to be a little more than the other fellow, why shouldn't I apply the same method to the doctor, lawyer, dentist and painter? Why not? It's a mighty poor rule that won't work more than one way."
