## CURE YOUR COUGH BY BREATHING 'CATARRHOZONE'

You may dislike taking medicines, but coughs are best cured without medicine. The modern treatment is "CATARRHOZONE." It isn't a drug. It's a healing vapor full of pine essences, and healing balsams. It spreads over the surfaces that are weak and sore from coughing. Every spot that is congested is healed; irritation is soothed away, phlegm and secretions are cleaned out, and all symptoms of cold or catarrh are cured. Nothing so quick, so sure, so pleasant as Catarrhozone. Beware of dangerous substitutes meant to deceive you for genuine CATARRHOZONE. All dealers sell Catarrhozone, large size, which lasts two months, price \$1.00; small size 50c.; sample size 25c.
