HON. R. G. REID UNANIMOUSLY CHOSEN PREMIER OF ALBERTA, IS A NATIVE OF SCOTLAND

Edmonton, July 5—A practical farmer, who came to Canada from his native Scotland, 31 years ago, R. G. Reid member of the Legislature since the Farmer government took office in 1921 today was selected premier of Alberta.

Successor to Hon. J. E. Brownlee for nine years head of the United Farmers of Alberta administration, Mr. Reid was unanimous choice of party members. He will take office on Tuesday, when his cabinet slate will be ready, and Lieutenant Governor W. L. Walsh will administer the oath. The change will not involve an election.

Hon. J. E. Brownlee's resignation, which included his cabinet, followed a jury verdict against him in a civil suit for damages instituted by Miss Vivian MacMillan, and her father Mr. Justice W. C. Ives, in a written judgment, dismissed the damage action.

Unanimous Support

"One thing that is gratifying," said Mr. Reid as he emerged from a party caucus tonight, "is the knowledge of the unanimous individual support given me by United Farmers of Alberta members. This is particularly so when one realizes the duties are such as cannot be taken lightly".

Fifty five years old, Mr. Reid came to Canada in 1903 from Glasgow, Scotland, his birthplace, spent a few months in the Ontario woods as a lumberjack, and then journeyed to a home-stead near Vermilion, Alberta, the constituency he represents in the Legislature. He was active in the agrarian movement before entering politics which culminated in his election 13 years ago, and his immediate appointment to the cabinet.

He will bring to the premier's office and alert knowledge of many government departments. At present he is provincial treasurer and minister of lands and mines. Previously he held portfolios of municipal affairs and health.

Resignation of Mr. Brownlee was formally placed with the Lieutenant

Governor shortly after noon today but at Mr. Reid's request, it was not immediately accepted. The newly-named premier asked it be deferred until Tuesday, when he expects to have his cabinet members named.

There may be some changes in the cabinet, he intimated, but generally the present members will carry on in their present departments. Mr. Reid, it is understood, will continue as provincial treasurer. It is possible as minister of industry, a new department, will be named. J. J. MacLellan, member for Taber, and vice-president of the United Grain Growers, has been mentioned for this post.

To Government House

Displaying characteristic calm, Mr. Reid drove the retiring premier to Government House today. After an absence of less than half an hour both returned to the Legislative Building where the caucus has been in session. Mr. Brownlee immediately announced to the press that Mr. Reid would be his successor, after which the new leader of the United Farmers of Alberta returned to the caucus chamber.

"I have just formally tendered my resignation to the Lieutenant Governor and have requested him to call on Mr. Reid to form a new government". Mr. Brownlee said, adding that the new chieftain was "one of my most faithful ministers, and I have every confidence in his ability and good judgment".

Mr. Brownlee will leave for Calgary tonight, but will return to the capital Saturday. Immediately the new premier assumes office, he will start on a motor tour to Windsor, Ontario where he will visit his mother. Outlining his personal plans, Mr. Brownlee said:

"I leave the service of the province after 13 years with a clear conscience. During that time I have given the very best I have in the interest of the people. I propose to take a few weeks holiday, but beyond that I have no plans".

WILL WAGE A LEGAL BATTLE TO MARRY

U. S. Authorities Refuse a Marriage License To a Siamese Twin.

New York, N. Y., July 5—Refused permission to marry in two states because she is a Siamese twin, red-haired Violet Milton and her would-be bridegroom, Maurice L. Lambert, decided tonight to wage a legal battle for the license.

In both New York and New Jersey officials were unyielding to pleas of Violet, accompanied of course by Daisy, the left half of the famous twins, and Lambert. They based their refusal on moral grounds.

The trio appeared first at the municipal license bureau in Manhattan where a stammering clerk delayed them while he sought a legal refuge in the corporation counsel's office. After a lengthy study of legal tomes was made, it was decided there would be no license issued.

The twins and Lambert journeyed to Newark, New Jersey, and there the perplexed clerk's refusal was based on the same moral grounds.

Dated at the City Hall, Fredericton, this 26th day of June, A.D. 1934.

FRED I. HAVILAND,
City Treasurer.

FREDERICTON BOY IS GIVEN A PROMOTION

Prof. W. H. Brittain To Be Dean of the Faculty of Agriculture.

Montreal, July 5—The board of governors of McGill University today appointed Prof. W. H. Brittain of MacDonald College to the position of dean of the faculty of agriculture and created a new department of genetics with Prof. C. Leonard Huskins in charge. No announcement was made as to whether the question of a successor to the late Sir Arthur Currie as principal and vice-chancellor has been discussed. Gifts totalling more than \$50,000 were officially accepted. Prof. Brittain fills the vacancy caused by the acceptance two years ago of the post of deputy minister of agriculture at Ottawa by Dr. G. S. H. Barton.

Prof. Brittain is a native of Fredericton. He graduated from McGill spent a year in the Dominion seed branch at Ottawa and later served the British Columbia and Nova Scotia governments as provincial entomologist. He became professor of entomology at the Nova Scotia Agricultural College, Truro, N. S., and while occupying that post distinguished himself in post-graduate work at Cornell University, Ithaca, N. Y. Since 1926, Prof. Brittain has been at MacDonald College.

(Prof. Brittain is a son of the late Dr. John Brittain for many years on the staff of the Normal School).

SLIGHT ACCIDENT

A slight accident occurred on the Woodstock road last evening when the automobile driven by William Vanwart, city, was sideswiped by a car with St. John license plates. Neither of the parties suffered injuries though both cars were under repair this morning at local garages.

An American Admiral for the first time in history sang a sea chantey over the radio. Doubtless this will lead to a demand for parity by Japan.

VON HINDEBURG RECOVERS FROM RECENT ILLNESS

Neudeck, Germany, July 5—Germany's "Grand Old Man", President Paul von Hindenburg, again has found the air of his beloved East Prussia stimulating and rejuvenating.

The president appeared before the public today, somewhat pale and using a cane, but there was no visible sign that either the recent troublous days or the task of entertaining Royalty at his country estate had affected his vigor.

The King and Queen of Siam came here for a formal luncheon, a reception, and a review of goose-stepping soldiers of the regular army.

When alarm was felt over his condition Saturday and a "major medical council" was called, one of the consultants—the famous Prof. Sauerbruch—is reported to have said that so far as the principal ailment is concerned, it need not be fatal for another 10 years.

NEW BRUNSWICK PROTESTANT ORPHAN'S HOME

Office: Room 12, No. 50 Princess Street

H. Usher Miller, sec'y-treasurer James W. Brittain, president.

TO THE PROTESTANT PEOPLE OF NEW BRUNSWICK,

SAINT JHON, N. B., July 3rd, 1934.

LADIES, GENTLEMEN and CHILDREN—

Do you realize that the entire Maintenance Overdraft of \$35,000 that has accumulated in the past four years, has accumulated in the summer months of these years? In other words the Protestants of New Brunswick forget their Orphans in the summer time, as their responses to the July quarterly appeals have been the poorest responses of all. Won't this year be an exception?

Unless the response to this quarterly letter is the best that has ever been made to a July appeal, we will have no alternative but to further increase our Overdraft before the end of this month. Surely you don't want this to happen. And most assuredly there is no excuse for the 220,121 Protestant People in New Brunswick failing in this obvious duty of theirs.

It surely is just as much our duty to feed these children in the summer as in winter. The Protestant People of New Brunswick for many years past have paid the cost in the winter-time—why not do likewise in the summer-time when the cost is less?

It surely is just as much our duty to clothe the bodies of these children to protect them from the sun and rain of summer as from the frost and snow of winter. Again why not do it when it costs less?

The Shelter exists the same for summer and winter. Educational Costs are nil for July and August. Fuel costs are very little in the summer time. Your Home is full to its capacity of 252 Little Ones. We can only give Shelter to others as you adopt out or otherwise care for some of those that are now in residence. It likewise costs less to comfortably shelter the Children in the Summer, therefore why not pay this lesser cost?

Won't You Please Respond To This Appeal? Won't you please make your gift now? Won't you please speak to others asking them to give now? Won't you also organize an effort in your neighborhood. Let us make this summer the Best Summer Financially the Home Has Ever Experienced. Again the only thing that will prevent an immediate increase of the Overdraft is a far better response to this appeal than has ever been made to any previous July appeal.

Counting upon you to do your part for the sake of the 252 Children that are depending upon you, believe us to remain,

Yours very truly,

JAMES W. BRITTAIN, President.
H. USHER MILLER, Secretary.
