NEW RUNNING CHAMP . . .

"The incredible Bonthron had the last word", states J. P. Abramson, dramatically in his story on the record-breaking run of William R. Bonthron, who defeated Glenn Cunningham of Kansas in the 1,500 meters, the metric classic known the world over in the recent annual American track and field championships in New York City. Bonthron's time was 3 minutes and 48.8 seconds and it set a world's record. Not since postwar days has America been in possession of the 1,500-meter record. The great Paavo Nurmi took it away from that country at that time, when he was at the height of his ability. Abramson credits Bonthron with having "the most explosive sprint known among the world's foremost milers".

WRESTLER AND A GENTLEMAN? . . .

"Baz O'Meara in the Montreal Star has a story on Jim Londos, Greek god of the mat. Says O'Meara: 'One of the best sport stories going the rounds just at

present concerns Jim Londos, the graceful Greek, now champion nearly everywhere except where Don George claims supremacy. A Boston newspaperman in that engaging way which some newspapermen have asked Londos more or less bluntly if the bout with Brown has not been more or less "pre-arranged". He picked the word carefully, but not more carefully than the reply from the Hellenic heaver. 'No', Londos answered, "I am a wrestler, but above all a gentleman". Which left the Boston wing of the gentleman of the press hanging limply on a limb".

IN BRIEFER VEIN . . .

The baseball furnished in the York County League this summer is the best in years.... and also the best in the Maritimes, barring St. Stephen.... Nichols' wildness in the first two innings the other night, the result of lack of proper warming up before the game, cost the Pets the ball game.... Thursday half holidays have arrived and softball games....

CHUCK KLEIN NOT HITTING AS EXPECTED

Chicago, Ills., July 5—It is neither right nor proper for a typewriter athlete to suggest that maybe Chuck Klein is something of a "Philadelphia" hitter. But the fact remains that Charles is not attacking the horsehide with the might and main expected when the Chicago Cubs parted with approximately \$100,000 in cash and ivory, to obtain the large Hoosier from the Phillies.

Klein compiled a batting mark of .368 when working for the Phillies last season, and came to the Cubs with a life-time major league average of .359. At this writing, Charles is hitting only a little above .300 and getting no better rapidly. The Cubs expected him to hit as well or maybe better with a pennant contending team than he did with the lowly Phillies and their disappointment has been great.

There has been no complaint with Klein's long-range batting. He has hammered out twenty home runs and apparently finds it just as easy to hit over the right field wall at Wrigley Field as he did in Baker Bowl, although the Cubs' fence is 41 feet further removed from the plate. Klein's shortcoming has been in the production of singles and doubles, on which robust batting averages fatten.

Nor does the lively ball seem to help Klein. Glancing over the averages, one finds such players as Urbanski, of the Braves, Joe Moore of the Giants, and Jim Collins of the Cards hammering better than .350, and in previous years none of those fellows could be compared with Klein as a batter.

CLUB ONCE OWNED BY "RED" CAGLE, SOLD

New York, N. Y., July 5—Brooklyn stole the show when the National Football League (professional), which includes five Eastern and five middle Western cities, held its annual meeting yesterday at the Hotel Commodore.

It was announced that Daniel L. Topping, of Greenwich, Connecticut, golfer, advertising man and grandson of Daniel G. Reed, the "tinplate king" had bought out the half-interest in the Football Dodgers which formerly belonged to Christian Keener Cagle. Topping will be treasurer and will be associated in the conduct of the club with John Sims (Shipwreck) Kelly, the "playing president" who holds the other half interest.

It was further announced that Captain John J. McEwan, the stormy petrel of Holy Cross College, will be the Brooklyn coach, and it is strongly suspected that Cliff Montgomery, captain of the Columbia Rose Bowl champions of last year, will be one of the players.

GOLF NOTES

Boston, Mass., July 5—Six or seven leading British players coming to the United States for the national amateur championship at the Country Club in Brookline in September, according to A. Linde Fowler, local newspaperman who covered the recent Walker Cup Matches and British Amateur Championship.

Jack McLean, Eric McRuvie, Tony Torrance, L. G. Garnett, T. A. Bourn and R. A. Oppenheimer are the British who intend to enter the American play, says Fowler and there is a possibility that Rex Hartley join them.

ENGLAND HAS FINE CHANCE OF TENNIS SWEEP

Wimbledon, England, July 5—England's chances of keeping the men's and women's singles titles of the Wimbledon tennis tourney at home this year appeared good tonight. Dorothy Round, native school-mistress and ranking court star, entered the Women's finals today by vanquishing the seasoned French veteran, Mme. Mathieu, while Helen Hull Jacobs, the United States champion was winning the other bracket with a victory over the sensational but inexperienced Australian girl, Joan Hartigan.

Fred Perry, England's No. 1 man, is favored to down Australia's Jack Crawford in their title tilt tomorrow.

HOOF PRINTS

Six more Hambletonian eligibles had their first outing on Thursday at Cleveland for a purse of \$500, won by Muscletone, 2:03 3-4, the fastest two year old of 1933. His two heats in 2:05 and 2:05 3-4 were fast enough to dispose of Bertha C. Hanover, 2:04; Emily Stokes, 2:07 1-2; Reynolds, 2:04 1-2; Brown Worthy, 2:07 1-4; Fay Mack, 2:07, and the rest but it is not likely that any of them got a killing drive in view of their later engagements for big money. However, the performance of Muscletone should make him a hot favorite on Wednesday for the Championship Stallion Futurity, in which Bertha C. Hanover, the chief confeder on Thursday, cannot start.

Not so many trotters have in June beaten Morely Frisco's three consecutive heats in 2:02 1-4, 2:02 and 2:04 3-4 in winning the free for all race on Thursday at Cleveland. This seven year old roan gelding himself repeated in 2:02 an d2:01 12 in winning his race at Indianapolis last September, but Selka Worthy took the third heat in 2:02. Morely Frisco is billed to meet Vansandt, 2:01, and Calumet Crusader, 2:01 1-4, on August 16 at Goshen's Grand Circuit meeting. He is a Tennessee product, bred by Ben Whitehead, one of the noted trainers of thirty years ago who drove his sire, Bob Frisco, 2:01 1-4, son of San Francisco, 2:07 3-4, to his record in a winning race at Nashville in 1925.

HAMAS TO FIGHT

Los Angeles, California, July 5—Steve Hamas, heavyweight title contender, will meet Art Lasky, Minneapolis sensation; Maxie Rosenbloom, light heavyweight champion, or Lee Ramage, San Diego boxer here this summer, promoter Lou Daro announced today. The bout probably will be fought in August.

AGED HORSE TRAINER DIES

Middleton, N. S., July 4—They missed a familiar face down at the Middleton speedway Tuesday. It was the Dominion Day light-harness meet, and for the first time in 60 years William Crabbe wasn't there to watch the horses he had been training for more than a half century. He was dying just about the time the horses came pounding down the stretch in the final race of the day. It was as fine as requiem as William Crabbe would have asked.

His life had been spent in the horse-drawn game. He was 79 years old when he died, and most of those years had been spent around the tracks. He drove sometimes, but training fast horses was his life work, and he was regarded as the outstanding trainer in Nova Scotia.

Death came to him at his home in Aylesford, 12 miles from here. In the morning he was making ready to go to the track when he was seized suddenly. He lived only a few hours.

ANDY HIGH SIGNS UP WITH THE PHILLIES

Philadelphia, Pa., July 5—Andy High, veteran infielder, formerly with the St. Louis Cardinals and Syracuse has been signed by the Philadelphia Phillies.

Pitcher Bill Lohrman was released by the Phillies to the Hartford Club, of the Eastern League to make room for High, who is expected to be used as pinch-hitter and utility infielder.

SAFETY SPEED COMFORT SERVICE

Certainly Take the Children With You.

Sometimes parents who would like to take a vacation involving a railway journey are deterred from doing so by the fear that the children will be uncomfortable and become fretful and irritable. To these parents Canadian National Railways say 'don't hesitate to bring the children along.'

Everything possible will be done to make the trip a pleasure for the little ones, and no other form of transportation can provide them with the attention and comforts which railways do. On long journeys hot water may be had, day or night, for the asking, and at very low prices milk, tea, and fruit can be obtained. In the dining cars special suitable meals will be prepared and served at small cost, and at night the berths provide restful and refreshing sleep.

Children between the ages of five and twelve years travel at half fare, and if under five years and accompanied by a parent or guardian travel free. These fares are available, not only in connection with ordinary railway services, but also with all special trips, week-end and day excursions.

So do not hesitate to give the children a big thrill. Whether the journey be long or short we want them to travel with us, and promise them a hearty welcome.
