Chicago, July 5—The park authorities have decided to give cupid a boost.

Instead of chasing spooners out, the park police from now on will do their best to protect them against intruders.

As Capt. James Sammis of the Lincoln Park police today put it: "Love making, within proper limits is a protected occupation now and we'll keep the park safe for romance".

S YOUR FAVORITE PIE PLAIN CUSTARD, CHOCOLATE, BUTTER SCOTCH. OR LEMON MERINGUE?

(By Harriet Cooke)

Today we fill the pie shells, so our brides may please with pies as good as mother ever made! With just a plain custard foundations the bride may have dozens of different fillings by simply adding varieties in fruits or flavors. To start, the young bride should master three or four simple fillings then she may branch out into the more difficult varieties.

CUSTRD FILLING

Two cups milk; two eggs; five and one half teaspoons flour; seventh-eighths cup sugar; Sprinkle of salt; one teaspoon vanilla; two tablespoons butter.

Mix dry ingredients together, add just a little milk to make a paste, then add egg yolks and beat well. Add remaining milk and stir over boiling water for about ten minutes. Remove from fire, add butter and salt and stir well. Cover and place over cold water to chill, then add vanilla and pour into shell. Cover with meringue made with egg whites and sugar and brown in a slow oven.

Here's the way I suggest for you to make the meringue.

MERINGUE

Two egg whites; three tablespoons ice water; about three quarters cup sugar.

Beat whites and water together on a large platter or in a bowl with a wire whip. When very stiff and fine grained add a little sugar at a time, beating well, but not allowing meringue to become stringy. Pour over pie and bake in a slow oven to brown.

CHOCOLATE FILLING

Two cups milk; three ounces chocolate; one cup sugar; four tablespoons cornstarch; one fourth teaspoon salt; two egg yolks; one tablespoon butter; one teaspoon vanilla.

Add chocolate to milk in double boiler, and heat until chocolate is melted. Beat with rotary beater until chocolate is well blended. Mix sugar and cornstarch together, and form into a paste with a little cold milk, then all yolks and combine with hot milk, gradually, stirring quickly. Return to double boiler and stir over boiling water for about ten minutes. Remove and add butter. Cool and add salt and vanilla. Pour into shell and top with meringue or whipped cream.

BUTTERSCOTCH FILLING

Cream four tablespoons butter and add five tablespoons flour. Add one cup brown sugar and two egg yolks, then stir in two cups warm milk. Stir well and place over boiling water to cook until mixture is thick. Add a little salt and two tablespoons butter. Cool and pour into baked shell. Top with meringue.

LEMON FILLING

One cup water; one cup sugar; juice and grated rind of one lemon; two tablespoons butter; two tablespoons cornstarch.

Mix cornstarch, sugar, juice and grated rind together. Add egg yolks and stir well. Add water and set over boiling water, and cook until mixture is thick and clear. Remove from fire and add butter. Cool and pour into baked crust, then top with

meringue and brown in slow oven. We have included one of these pies on our next menu.

PINEAPPLE AND RHUBARB JAM

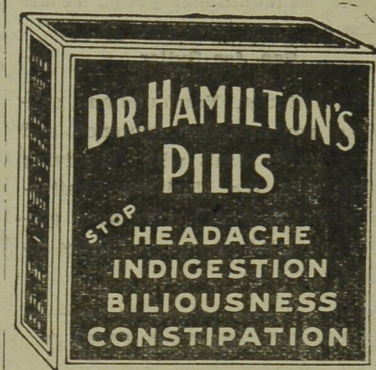

One quart diced rhubarb; one cup nely diced pineapple; three and one half cups sugar; twelve maraschino cherries, cut.

Mix rhubarb and pineapple. Add sugar and stir until the sugar has formed a liquid. Place over slow fire and stir gently until the sugar is dissolved. Boil rapidly until a little tested on a cold saucer shows the desired thickness. Add cherries and bring to the boil. Pour into hot jars and seal.

For a delicious conserve we suggest you try this recipe with the unpeeled red rhubarb.
