JORDAN TO BE TRANSFERRED TO JAIL TUESDAY

Barker's Pt. Man Charged with Murder of Clara Jordan This A.M. Is Recovering Rapidly; No Date Set For Preliminary Hearing.

Gilbert Jordan, 60, of Barker's Point was charged with the murder of Clara Alberta Jordan, 45, his wife, this morning, information being laid before Magistrate Walter Limerick as anticipated. The information was laid by Constable L. P. Ryder of the R.C.M.P. and C. L. Dougherty represented the department of the attorney general.

According to a statement by Dr. A. Sterling, attendant physician on the accused at the Victoria Hospital, Jordan will have recovered sufficiently to be able to be moved to the York County Jail on Tuesday of next week. The injured man was "very much improved" this morning.

No date has yet been set for the preliminary hearing of Jordan. Following the laying of the information charging Jordan with murder, Magistrate Limerick issued a warrant for Jordan's arrest and this afternoon the man was under arrest by the R.C.M.P. though still confined in the hospital.

R. P. Hartley, K.C. deputy attorney-general, said last night that the preliminary hearing would likely commence by the middle of next week.

Clara A. Jordan was found dead in the doorway of her home on Wednesday night shortly after seven o'clock with a bullet through her heart. Gilbert Jordan, the husband, was discovered in the kitchen of the home, lying in a wounded condition evidently a victim of his own marksmanship. Two bullet holes were discovered in the ceiling. A .43 calibre Spandau rifle lay on the floor. Two children of the Jordans, Rhoda and Gilbert, Jr., tell the story that the man fired the shot at his wife and then turned the gun on himself.

Mrs. Jordan Buried

The funeral of the late Clara Alberta Jordan is being held this afternoon with service from the home of Mrs. Thompson Blank, South Devon at 2:30 o'clock. Rev. Earle Jacobson conducted the service which was witnessed by a large number of friends.

MUST FOLLOW PRINCIPLES OF BRITISH RACE

Galt, Ontario, March 16—Hon. H. Stevens, Dominion minister of trade and commerce, said tonight at a banquet here in his honor that he was "firmly convinced there is a necessity for us to design in this country a formula of business ethics". Members of service clubs and guests from Preston, Hespeler, Brantford, Guelph and Kitchener attended the banquet.

"We need a formula," the minister said, "so clearly defined that it will inspire the federal, provincial and municipal governments to pass necessary legislation to force those who fail to recognize those ethics to conform".

He declared business evils were due to disregard of the rules of the game and failure to apply Christian principles to business and social life. The principles of the British race must be followed, he said.

"I hope that with the fine spirit and morality of the people of the Canada," Mr. Stevens said, "it will not be necessary to use force, but if there are any, who for greed and avarice, fail to adhere to these principles and are unable to look after the health and welfare of their employees, and the rights of the producers, then these principles must be imposed".

Mr. and Mrs. Patrick Murphy are spending the week-end with relatives in the city.

Needed by a very large number of sympathizing friends of the family, and relatives. After a short simple service, which was very impressive, the body was taken to the Sunnybank cemetery for burial.

Jordan's physician said this morning that the man was now able to take children of the Jordans, Rhoda and Gilbert, Jr., tell the story that the man fired the shot at his wife and then turned the gun on himself. Mrs. Jordan Buried

SUMMER CRUISES TO THE LAND OF MIDNIGHT SUN

C.P.R. Liner Empress of Australia To Start First of Three Trips at Quebec June 21st.

Montreal, P. Q., March 17—Summer cruises to the Norwegian fjords and the Land of the Midnight Sun to Oslo and Copenhagen will be made this year by the Canadian Pacific liner Empress of Australia, formerly the Round the World Cruise ship of the Canadian Pacific and now engaged on a Mediterranean Cruise.

The Empress leaves Quebec on June 21st, to begin her schedule of three cruises from English ports. Arriving at Southampton on June 28th, she begins her first cruise, of 14 days from there on June 29, calling at Immingham, the Lincolnshire port, the following day and starting thence for the fjords. Steaming far-up the narrow canyon like openings that honeycomb the south-west coast, the liner calls first at Eidfjord and Ulvik, then at Trondhjem, Aandsnaes, Molde, Oie, Hellesylt, Merok, Olden, Leon, and Balhom, all places of incredible beauty in their rugged mountain settings. A day is spent at Bergen on July 10, and the Empress returns to Immingham July 12 and London, July 13.

The second cruise takes the tourist far north to Hammerfest, the North Cape and Spitzbergen, where the midnight sun shines and all visitors take newspapers so as to be able to guarantee the proverbial saying. The connecting sailing from Canada for this cruise is the Duchess of Atholl from Montreal July 6, which reaches Glasgow July 12 and Liverpool, July 13.

The Empress of Australia leaves London July 14, and Leith, near Edinburgh, July 16. First stop is Trondhjem, then Hammerfest, far beyond the Arctic circle. North Cape, Norway's northern tip, is reached next, and then the ship starts off on a 600 mile jaunt to far-northern Spitzbergen, where the midnight sun will be seen on July 22. Returning, many a fjord of the southwest coast is explored, the liner calling at King's Bay, Narvik, Olden, Leon, Bergen, Eidfjord, and Ulvik. After 39 days of cruising, the Empress arrives at Leith August 1 and Immingham, August 2.

The third and shortest cruise, one of 12 days, is from Immingham on August 3. The Duchess of York leaves Montreal July 20 and reaches Liverpool July 27, so a week may be spent in England by Canadians before leaving for the Norwegian trip.

After visiting the fjords at Merok, Olden, Leon, Eidfjord and Ulvik, and calling at Bergen, the Empress of Australia follows her southwestern course to visit Christiansand, then then through the famed Skaggerack and Kattegat to Arendal and Oslo, Norway's capital and Copenhagen, capital of Denmark. A full day is spent both in Oslo and Copenhagen. The Empress returns from Copenhagen to England, reaching Immingham on August 15.

SAMUEL INSULL TO BE DEPORTED TO AMERICA

Utilities Magnate Arrested When Making His Escape

PAID \$10,000 FOR SHIP
To Be Put On Board the Aquitania Bound for United States

ATHENS, Greece, March 17—The Greek Government reached its arm across the Mediterranean yesterday, halted the fleeing Samuel Insull, Sr., as his chartered ship steamed down the Red Sea, and made plans to turn him over to the United States.

Insull escaped from Greece Wednesday night and headed for Abyssinia intending probably to go from there to Persia or Afghanistan, which do not have extradition treaties with the United States.

His ship, the Maiotis, was pursued by a Greek destroyer and ordered by wireless to turn back, with Insull under arrest. Its captain replied by wireless that he was returning to Piraeus, Port of Athens, at full speed.

The Maiotis was ordered when it was 30 miles off Piraeus, to ask for instructions on where to land Insull. It was expected he would be put aboard the cruise steamer Aquitania when it sails for New York on Tuesday, or sent by Orient Express through Europe preference to using an international airplane which might land in Europe.

The newspaper Vradyni reported United States detectives had arrived in Greece to accompany Insull to the United States. It said Insull had paid \$10,000 for passage on the Maiotis, in tries having an extradition treaty with the United States.

Almost Made Good

The enfeebled Chicago utilities operator almost made good his bid for escape. The ship was off Port Kesser (or Kossier), well down the Red Sea on the way to Abyssinia, when it was intercepted. The port is about 750 miles from Athens.

The Maiotis was expected back here Saturday night.

Insull will be brought back here for deportation. No country in Europe wants him. It appeared inevitable that he would be forced to return to the United States for trial in connection with the collapse of his \$100,000,000 utilities empire.

Meanwhile, it was reported that Mme. Zahra Kouyoumdoglou, woman friend of Insull, had been entrusted by him with the handling of his entire fortune. She also is wealthy.

LIVED IN SAME HOUSE WITH MAN HE SOUGHT

New York, March 17—In case you're still not convinced it's a small world after all, just ask Harold Cronin.

Cronin is president of the Concord Casualty and Surety Company—the concern that went on the bail bond for Irving Bitz, the underworld go-between in the Lendergh case, wanted for trial on a gun carrying charge.

Bitz was charged with jumping his bail. At a hearing on the bail forfeiture today, Cronin was asked by Assistant District Attorney Irving Mendelson:

"Where did you live then?"

At 40 West 86th street," Cronin replied.

"All the time you were looking for Bitz," said Mendelson, "he and his wife were living in the same apartment house."

THE LATEST IN THIEVERY

Chicago, Ills., March 16—Policemen said they saw a new style of robbery. When they flicked on the display lights of the smashed window of a frock shop they noticed that the face that peered over the top of a vivid evening gown was a bit unusual. The "model" tried a dash, but tripped over the gown, making it easy to arrest Charles Lanier, who admitted the window smashing, police said.

SHOT NEGRO WHO ESCAPED WITH DILLINGER

Shot In a Battle With Sheriff and Deputies At Port Huron, Mich.; Says Dillinger Was His Companion.

Port Huron, Mich., March 16—John Dillinger's negro aide in his sensational wooden-gun escape from an Indiana jail lay dead tonight—the victim of his own boasting and the guns of four St. Clair County officers—and the trail of the fugitive "cop killer" again was hot.

Herbert Youngblood, who was facing a murder charge when he accompanied Dillinger in a break from the Crown Point, Ind., jail on March 3, died this afternoon a few hours after he shot it out with Sheriff William L. Van Antwerp and three deputies. They had gone in search of a negro who boasted of a successful jail break, and cornered Youngblood in a small store.

Two of the deputies—Charles Cavanaugh and Howard Lohr—were wounded seriously in the chest; Sheriff Van Antwerp received a bullet in one arm, but from his hospital bed he directed the search for Dillinger who, Youngblood said, he had seen only last night. Lohr died later tonight in hospital.

In Michigan and Ontario, police were patrolling the highways, for the outlaw bank robber was variously reported speeding toward Detroit with two men in a small automobile, and to have crossed the St. Clair River into Ontario, in a row boat.

FACING THE MUSIC

Washington, March 16—Earle Whittemore is "facing the music" instead of composing it. He has been charged with using the mails to defraud by advertising he would provide the music for poems or rimes and place them on programs of different kinds for a consideration. The indictment said persons, who dealt with him were "too numerous to mention".
