## CAMP BORDEN DESCRIBED AS FLAG END OF CREATION

(Continued from page 3.)

have invented certain alleviations, and now many companies may be seen drilling almost as nature made them. At least they are lightly clad, about as much as the Soldiers Three had on when they took Lungtungen—that is to say, not enough to dust a flute.

This makes Camp Borden a rather awkward place for ladies to visit, unless they are used to these more than Palm Beach effects. If the Camp Borden summer costume goes with the soldiers to Flanders, it will certainly startle the Germans. After all it's only getting back to first principles. Our ancestors, the ancient Britons, fought that way, only slightly staining their bodies with wood to preserve, as Bernard Shaw says, their respectability.

These are some of the ways in which a hot-as-hades hole like Camp Borden upsets military etiquette and undermines discipline. Camp Borden also hurts recruiting.

"What!" exclaims the husky lad, when the sergeant with ribbons on his cap approaches him, "enlist now and

be sent to that fag end of creation."

The rumor persists that Major General Lessard may be made commandant at Camp Borden. It sounds almost too good to be true. What Camp Borden needs, if General Logie is sent overseas, is another strong man, and Major General Lessard is that man. One has only to look at his record in South Africa to know that. That Sir Sam is "down on him" only goes to prove that he is a good general and not an office Napoleon like some of his favorites.

Henri Bourassa and his Nationalist accomplices have done much to discourage recruiting in Quebec. But General Lessard's treatment by Sir Sam is a practical case of invidious discrimination against a French-Canadian which does not tend to help enlistments either.

When the war news is good we don't care a Rotterdam if it does come first from Holland.

When it comes to real driving, it is becoming apparent that Russia is out-jockeying the Teutons.

Those people who have taking ways don't often have bringing back ways.

"The teeth should be washed after every meal to remove any articles that may be in them."

## THE GERMAN HIGH-SEAS FLEET WAS OUT

British Lost Two Light Cruisers From  
Submarine Attacks Last  
Week.

London, Aug. 20.—Two British light cruisers, the Nottingham and the Falmouth, were sunk Saturday in the North Sea by German submarines, while the vessels were searching for the German high seas fleet, according to an official announcement issued by the Admiralty shortly before midnight. One German submarine was destroyed by the British, while another was rammed and possibly sunk, according to the Admiralty statement, which follows:

"Reports from our lookout squadron and other units showed that there was considerable activity on the part of the enemy in the North Sea Saturday, the 19th.

"The German high sea fleet came out, but learning from their scouts that the British forces were in considerable strength, the enemy avoided an engagement and returned to port.

"In searching for the enemy we lost two cruisers by submarine attacks—H. M. S. Nottingham, Capt. C. B. Miller, an H. M. S. Falmouth, Capt. John Edwards.

"All the officers of the former were saved, but 18 of the crew are missing. All of the officers and men of the Falmouth were saved, but one stoker, Norman Fry, died of injuries.

"An enemy submarine was destroyed and another rammed and possibly sunk.

"There is no truth in the German statement that a British destroyer was sunk and a British battleship damaged."

## AUSTRIANS TRY AN OFFENSIVE.

An Attack on the Carso Plateau Was  
Checked by Italian Batteries.

Rome, Aug. 19.—The Austrians promoted an attack last night on the left wing of the Italian forces on the Carso Plateau. It was announced officially that the assault was checked by the fire of the Italian batteries.

No heavy fighting is reported with the exception of the engagement on the Carso, over which the Italians are attempting to advance on Trieste.

## Wonderful Bilious Remedy Actually Prevents Attack

There are two great causes of biliousness—they are constipation and defective liver action.

When Dr. Hamilton's Pills are taken they not only correct constipated bowels, but act upon the liver as well.

Quite unlike ordinary medicines, which purge and give temporary relief, Dr. Hamilton's Pills remove the conditions which cause biliousness, and thus permanent cures are effected. No person who occasionally uses Dr. Hamilton's Pills will ever suffer from the headache, bad stomach or bilious complaint. Get a 25c. box today.

Contributions to the Overseas Tobacco Fund may be left at the Board of Trade rooms or with the Canadian Bank of Commerce.
