THE LIBERAL CHIEFTAIN'S SEVENTY-FIFTH BIRTHDAY

Ottawa, Nov. 20.—Sir Wilfrid Laurier passed his seventy-fifth milestone today. With his health excellent, his eye undimmed, his vigor of mind and spirit unabated, he entered his seventy-sixth year with all the real qualities of youth. He shows still the tempera-
ment of youth—courage, a zest for work and service, optimism, the joy of the game of living.

He spent a busy afternoon in his parliamentary office answering a large correspondence, discussing political questions with a number of his supporters, and receiving congratulations from scores of friends in the capital who came to wish him many happy returns of the day.

Telegrams of congratulations came to him during the day from all parts of the Dominion, from Vancouver to Halifax. Included among them were messages from the Women's Liberal Clubs of Hamilton and Toronto.

SHOES COST \$20 IN RUSSIA.

Prices Have Advanced as Much as 600 per cent. in Czar's Empire.

(New York Times.)

Twenty dollars for a pair of shoes, 50c. for a cigar of the lowest grade—these are samples of the advance in prices in Russia since the war began, according to J. E. Steurwald, who has just returned from that country.

In Petrograd at the present time there is restriction on meat as well as on many other articles of food. One is allowed to have meat three days each week and it is sold only in quantities of so much for each individual.

Everything has advanced from 200 to 600 per cent. since the war began. A 10-cent can of smoking tobacco now costs about \$1.40. The reason of the high prices is lack of transportation, as Russia has plenty of food.

A "400" LEADER A CLERK.

New York Millionaire's Wife is a Floor-
walker.

New York, Nov. 20.—Feminine shop-
pers, if they wish a bit of a change,
may purchase their cloaks or furs from
a saleswoman who is a millionaire's
wife and one of the reigning beauties
of the Newport set. If they have any
complaints to make because of inatten-
tion on the part of this aristocratic
salesgirl, they may make them to a
floorwalker who is the charming wife
of a multimillionaire starch manufac-
turer. And they may settle their ac-
counts with a bill clerk who is one of
the stage stars of two continents.

The Zahrah, Incorporated, is this nov-
elty in women's shops. Behind the
counters at the Zahrah is Mrs. Benja-
min S. Guinness, who is proprietor,
clerk and model; Mrs. Harry H. Dur-
yea is the floorwalker, and Miss Con-
stance Collier the billing and shipping
clerk. The Zahrah is dedicated to char-
ity, and the aristocrats mentioned do
not dra salaries for their work.

Opposition Platform

The following platform was adopted at the Opposition Con-
vention held in St. John recently:
In the event of the Opposition being returned to power, we pledge
ourselves:—

NO PARTIZAN CONTROL OF CROWN LANDS.

1. We pledge ourselves to completely reorganize the Crown-
Lands Department, so that its administration shall be entirely
severed from politics and administered on sound business prin-
ciples under systematic plans by a non-partizan commission speci-
ally appointed for that purpose, responsible to the Legislature and
working in co-operation with the Dominion Commission of Con-
servation.

TAKE THE HIGHWAYS OUT OF POLITICS.

2. We pledge ourselves to take the highways out of politics,
giving the expenditure of the money collected from the people and
the control of the labor, together with the Government appropria-
tions, into the hands of supervisors, chosen by the people of each
parish, to whom a detailed and audited account must be rendered
every year at the annual meeting, and a duplicate thereof for-
warded to the Department of Public Works, the work of the super-
visors to be under the inspection of a competent provincial en-
gineer.

We also pledge ourselves to set aside the money collected
from the licenses upon automobiles and other motor vehicles, to-
gether with an equal appropriation from the revenues of the Pro-
vince each year, to pay the interest upon the bonds to provide for
permanent roads, which shall be constructed as rapidly as possible.

PROHIBITION PROVINCE WIDE.

3. We pledge ourselves at the first session of the Legislature
to pass a law prohibiting the sale of intoxicating liquors within
the Province to the fullest extent allowed by the Constitution, and
within three months after the passage of said Act to submit the
same by referendum to the electors of the Province, and should
the majority of votes cast be in favor of the said law, then to
bring the same into force by proclamation within one year there-
after.

ELECTION LAW.

4. (a) To amend the electoral law so as to make it impossible
for members of the Legislature to traffic with the Government and
still retain their seats.

(b) To make it possible for young men, when they reach the
age of 21 years, to register their names and be placed forthwith
upon the voters' lists, instead of waiting for the tedious machinery
revision as it now exists.

(c) To divide the counties into electoral districts which shall
each be represented by one member.

(d) We will also consider amendments to the election law to
make bribery in municipal as well as provincial elections impos-
sible.

PROVINCIAL FINANCES.

5. To obtain at once a correct statement of the financial con-
dition of the Province in order that the people may have definite
knowledge of the vastly increased public debt and the enormous
obligations of guaranteed bonds they will be called upon to pay;
and to so reduce the cost of the administration of affairs and the
number of useless officials as to avoid the necessity for direct tax-
ation now confronting us.

AGRICULTURE

6. To give the farmers all the practical assistance that the
resources of the Province will permit, to improve agricultural
methods and the quality and quantity of the stock upon the farm;
to reduce the enormous salary list in the department, and to spend
the educational grant received from the Federal Government
without regard for political patronage.

VALLEY RAILWAY.

7. To complete the Valley Railway from a point on the Trans-
continental Railway at or near Grand Falls, to St. John, and insist
upon the Dominion Government carrying out the terms of the
original legislation and allow the Province forty per cent. of the
gross earnings thereof.

EDUCATION.

8. To always maintain and improve the educational service
of the Province and to co-operate with the Federal Government in
carrying out the recommendations of the commission upon tech-
nical education.

IMMIGRATION.

9. The inauguration of a vigorous immigration policy to
properly place before intending immigrants, whose number will
be large after termination of the war, the advantages of the agri-
cultural possibilities of New Brunswick.
