## BRITISH TROOPS CAPTURE SECOND LINE TRENCHES

The Line Pushed Forward North and West of Pozieres a Distance of Two Miles—  
Brilliant Work of Australian Troops—  
Attempt of Germans to Retake the Lost Ground Resulted in Failure.

London, Aug. 6.—Under a merciless concentration of shell fire, the Australians are holding on to their gains today after their brilliant advance last night on a front of two miles north of Pozieres. The Germans already have delivered three powerful counter-attacks, to retake the lost ground, but all have failed.

In one of the counter attacks the Germans came forward holding up them the British guns placed curtains of the British guns placed curtains of shell fire through which it was impossible for the attackers to retreat while the Australian machine guns and rifles mowed them down and made it hopeless to continue the charge.

Their last previous attack having been by the right flank, the British renewed the offensive by the left flank after a week of bombardment and sapping. Here the task fell to the Australians, who added another victory to the brilliant record in the taking of Pozieres.

In grilling heat, under a blazing sun, they had been working in a continued shell fire, digging their new trenches in the open beyond Pozieres, facing the German second line trenches on the left of the break the British had already made in their previous attack.

Did Not Count Cost.

This was one of the remaining important positions on the high ground which has been so bitterly contested. Upon this section the British wept up a tornado of shell fire. Not only did the German guns return the compliment on the Australian front line, but kept up curtains of fire behind it. The Germans managed to stick to the ruins of their fortifications. Evidently the German staff had determined this ridge must be held at any cost.

The Germans were surprised and even the British staff was somewhat surprised when it was found that first reports that the Australians had taken every rod of the front which they had attacked were correct.

Some 600 prisoners were started back, but even after their surrender their lives were not safe, for they had to pass through the German curtain of shell fire behind the Australians, which had been maintained in considerable volume all day.

### TEN RECRUITS JOINED DURING WEEK END

Recruiting has had a decided boom over the week-end. Four recruits for No. 8 Field Ambulance were secured in Marysville by Lieut. Col. Grey, and six were enlisted at the Fredericton recruiting office. The four Marysville recruits are H. D. Robinson, Harry Harrison, E. M. Macpherson and Geo. White.

Two colored men who enlisted here for No. 2 Construction Corps are Chas. O'Ree, 42, Fredericton, and George H. Clayburne, 23, Barker's Point.

Ernest C. Tibbitts, 18, of Ripples, has been enlisted for home service with the 62nd Fusiliers at St. John.

Ypres Avenged.

With this additional front, the British now hold five miles of the former German second line. The Australians are today in sight of Martinpuich and Courcellette. Behind is Thiepval, on the summit of a hill where the British attack of July 1 met its heaviest losses and was repulsed. Now this whole section can be put under the enfilading fire of British guns.

"Whenever I look at that new German salient," said an officer who suffered in the Ypres salient, "I feel avenged. We have never had a worse one to overcome."

In the war for position the general opinion is that the value of this latest gain cannot be over-estimated, and the heavy bombardment which is proceeding in that neighborhood indicates the Australians will have a stiff job holding this new position.

German prisoners report heavy casualties from the fire of the British long range guns in villages and camps anywhere from the front line to five to ten miles in the rear.

British Line Extended.

London, Aug. 6.—The British official communication issued at 10 o'clock last night reads:

"Including the capture of the German trenches reported this morning, we during the last two days pushed forward our line north and west of Pozieres, some 400 to 600 yards over a front of about 3,000 yards.

"Troops from Australia, Kent, Surrey and Sussex participated in this operation and consolidated the position won, despite the shell fire, which was especially heavy near the Pozieres-Bapaume road.

"Our artillery shelled La Sourlette and Miraumont, causing large explosions in both places. Ten gun emplacements and three ammunition stores were destroyed. The enemy attempted to seize a crater near Souchez, but was repulsed with bombs.

"There was some artillery activity between Hooze and St. Eloi, where the enemy exploded a small mine, but no movement followed.

"The enemy's aircraft showed little enterprise. Eight of their machines scattered when engaged by three of ours."

James Wilson, 22, St. John; W. F. McDonald, 19, St. John West; George E. Henderson, 19, St. John, were enlisted for the 236th Highlanders.

The Stock Market.

Stock quotations given out at noon today by J. M. Robinson & Sons, were: C. P. R., 175 $\frac{1}{2}$ ; Crucible, 68 $\frac{1}{2}$ ; Union, 138 $\frac{1}{2}$ ; U. S. Steel, 86 $\frac{1}{2}$ ; Bridge, 208; Cement, 25; Brazilian, 57 $\frac{1}{2}$ ; Scotia, 123; Spanish, 11; Steel Co., 52 $\frac{1}{2}$ .

Brunswick Street Baptist Picnic.

The annual picnic of the Brunswick Street Baptist Sunday school has been announced to take place on Thursday of this week on the Robinson estate at Nashwaaksis. The picnicers will be conveyed there by a ferry composed of a passenger scow and tugboat.

If you suffer from this painful malady, apply Zam-Buk. It is purely herbal, quickly eases the dull, gnawing pain, stops bleeding, ends the irritation, and in a short time completely and permanently cures. Zam-Buk should be in every home.

**PILES**

Mr. C. Hanson, Poplar, B. C., says: "I suffered for years with bleeding piles. The pain was often so bad I could hardly walk. I tried remedy after remedy, and finally underwent an operation, but only got temporary relief. At last I tried Zam-Buk. Perseverance with this completely cured me and there has been no return of the trouble."

50c box, 2 1/2 drugists and stores.

CONTAINS NO ANIMAL OIL OR FAT NOR ANY MINERAL

## How You May Throw Away Your Glasses

The statement is made that thousands wear eyeglasses who do not really need them. If you are one of these unfortunates, then these glasses may be ruining your eyes instead of helping them. Thousands who wear these "windows" may prove for themselves that they can dispense with glasses if they will get the following prescription filled at once: Go to any active drug store and get a bottle of Bon-Opto tablets. Dissolve one Bon-Opto tablet in 1/4 glass of water. With this harmless liquid solution bathe the eyes two to four times daily, and you are likely to be astonished at the results right from the start. Many who have been told that they have astigmatism, eye-strain, cataract, sore eyelids, weak eyes, conjunctivitis and other eye disorders, report wonderful benefits from the use of this prescription. Get this prescription filled and use it; you may so strengthen your eyes that glasses will not be necessary. Thousands who are blind, or nearly so, or who wear glasses might never have required them if they had cared for their eyes in time. Save your eyes before it is too late! Do not become one of these victims of neglect. Eye-glasses are only like crutches and every few years they must be changed to fit the ever-increasing weakened condition, so better see if you can, like many others, get clear, healthy, strong magnetic eyes through the prescription here given. The Valmas Drug Co., of Toronto, will fill the above prescription by mail, if your druggist cannot.

A prominent City Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family."
