

Doctor Tells How to Strengthen Eyesight 50 per cent. in One Week's Time in Many Instances

A Free Prescription You Can Have
Filled and Use at Home.

Philadelphia, Pa., Sept. 6.—Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that, according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses, and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses

can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expenses of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start, and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

A prominent oculist, to whom this article was submitted, said: "Bon-Opto is a very remarkable remedy. The eye is a very delicate organ and it can be damaged by any kind of treatment. It can be obtained from any good druggist and is one of the very few prescriptions that would be kept on hand for the benefit of every family."

WAS WOUNDED WHILE FIGHTING WITH FRENCH FOREIGN LEGION

Dr. and Mrs. David E. Wheeler of Buffalo Passed Through the City En Route to the Miramichi Woods—Mrs. Wheeler Served With American Ambulance Association—Proud of Their Service To the Allies.

A big game hunter who served in France as a member of the French Foreign Legion during the present war and was severely wounded in the big drive of the Allies in September, 1915, passed through the city yesterday en route to the Miramichi woods, where he plans to remain until after Christmas.

The soldier-sportsman referred to is Dr. David E. Wheeler, of Buffalo, N. Y., a gentleman who made a number of hunting trips to this province in ante-bellum days, and is a warm friend of New Brunswick. He is accompanied by Mrs. Wheeler, a bright, pleasant-faced lady, who is also an enthusiastic big game hunter, and they expect to be joined by their only son, now attending school in the United States, at the beginning of the Christmas holidays.

Dr. and Mrs. Wheeler will hunt at the camps of "Uncle" Henry Braithwaite, who has been their guide, philosopher and friend on their previous trips to this province.

Fought for France.

While sitting around the camp fire in the Miramichi woods years ago, Dr. Wheeler often declared that if war ever broke out between Great Britain and Germany, he would shoulder a rifle and fight for Great Britain. When the present war broke out in August, 1914, he lost no time in getting across the Atlantic, and Mrs. Wheeler went with him.

Upon arrival in England, he learned that only the French government would enlist foreigners for active service, and he lost no time in offering his services to the French Foreign Legion. He was accepted, and being a skillful physician and surgeon, he was assigned to a hospital unit. He found the work altogether too tame for him, and before long pitched his medical job and went into the ranks as a private.

He went under a course of training and was sent to the front with his corps in time to participate in the big drive at Champagne in September, 1915. During this battle he was struck in the leg by a ricocheting bullet, and severely wounded. He remained in hospital for some months in Paris, and

last spring secured his discharge and returned home.

Mrs. Wheeler in Ambulance Corps. Mrs. Wheeler remained in France while her husband was serving with the Foreign Legion and performed valuable service with the American Ambulance Association.

Dr. and Mrs. Wheeler have just returned from a hunting expedition to the Peace River country in the far north. They made a canoe trip of 1500 miles, and secured a number of big game specimens, including three bears.

"I am glad that I joined the Foreign Legion," Dr. Wheeler told the Mail, "but I regret very much that I was unfortunate enough to get wounded. I would like very much to have remained until the end of the war. I have almost recovered from the bullet wound which I received, and would like to go back again. I am hopeful of being able before long to secure a commission in one of the American battalions being raised in Canada."

Has Done His Bit.

"I am glad that my husband did his bit for France," Mrs. Wheeler told the Mail, "and I would offer no objection to his going back again. While he was at the front I served with the American Ambulance Association and enjoyed the work very much. If my husband returns to France I will certainly accompany him. Still, I am glad to have him back with me once more, and am sure that we will enjoy our outing in the Miramichi woods. We look forward with much pleasure to meeting Mr. Braithwaite and talking over old times with him."

Dr. and Mrs. Wheeler left last evening for Boiestown, and set out this morning for the Miramichi woods.

RURAL NOTES

SPRINGFIELD.

Late Sunday School Picnic Was Great Success—Personal Notes.

Springfield, N. B., Sept. 30.—A large and successful Sunday School picnic was held on Wednesday, the 27th, on the green of the superintendent, Mr. Dow Reed. Swings and races quite held the attention of both young and old. The prize winners of the races were: Small girls, Miss Beulah Whitely; small boys, Anthony Graham; girls of class 2, Jennie Fox; elder girls, Miss Annie Hersey; larger boys, Mr. Donald Hallett; boys' bag race, Donald Hallett. The prizes were awarded by Mrs. Frank Howland. With a gorgeous day and a bountiful supper, all were satisfied.

Mr. and Mrs. Frank Howland and son, of St. John, are visiting Mr. Howland's parents, Mr. and Mrs. Samuel Howland.

Mrs. Reuben Morgan has returned to her home in Fredericton. Mrs. Mabel Miller and children, of Old Town, Me., are visiting Mrs. Miller's sister and niece, Mrs. Margaret Moore, and Mrs. Clowes Reed.

Miss Eva McCarthy, who has spent the past year in Boston, is spending her vacation with her parents here, Mr. and Mrs. Robert McCarthy. Her aunt, Mrs. Francis, is with her.

Mr. and Mrs. Wellington Gordon are spending their vacation at their summer home here.

Masters Berrie and Kenneth Gordon, who have been visiting their old home here on a hunting trip, have returned to their home in Showegan. They came by auto, recently purchased by Mr. Berrie Gordon. They employed while here Springfield's popular guide, Mr. Wilder Brewer.

McCarthy Bros. are doing a rushing business threshing this autumn.

Mrs. Grace McGuire is spending a few weeks at Macquac.

Miss Daisy Howland is teaching at Jones' Forks this year.

Our school here is progressing nicely under the management of Miss Besie Miller, of Carleton county.

Mr. Harry Moore has gone to the Miramichi.

THE HOLIDAY ATTRACTION.

Everything Now Ready for the Kilties' Clachan Fair.

All that is now required to make the Clachan Fair, the Kilties' benefit festival on Thanksgiving Day, is fine weather on Monday. So great an interest has been worked up in the short time the event has been underway that it has been decided to use the Barracks Square not only in the afternoon, but also in the evening, if the weather is favorable.

In addition to the wheels of fortune and the other games, there will be a tug of war and other athletic contests, as well as Scottish dances. The baseball world series bulletins will also be given. Several of the Kilties' pipers will be present during the day, and the Fredericton Brass Band have offered their services freely for both afternoon and evening.

If the weather should be unfavorable for carrying on the Clachan Fair out of doors, it will be held in the Armory. Children under 12 years of age are to be admitted free of charge to the Barracks Square in the afternoon. Coupons on the admission tickets, in addition to being valuable as chances for the gate prize—a barrel of flour—will also be used for return checks by those desiring to leave the grounds and return again during the afternoon or evening.

There are some souls we have never met who are the lamp of our lives and whose love for us is Nature's way of keeping the oil of life aglow.

MOTHER! YOUR CHILD IS CROSS, FEVERISH FROM CONSTIPATION

If Tongue is Coated, Breath Bad, the Stomach Sour, Clean Liver and Bowels.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out of sorts, half sick, isn't resting, eating and acting naturally—look, Mother! see its tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups, printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

FELL ON PRINCIPLE.

"We fell, it is true, but we did not fall in the mud, as has happened to so many governments during the past five years. We did not fall, driven from power by scandals which public opinion had of necessity to scourge and punish. We fell, yes, we fell, with that proud joy of being able to say that never did any of our actions cause a blush of shame to mount to the forehead of any of those who had placed their confidence in us; we fell on a question of principle; we fell on the question of the commercial extension which had been preached, desired and sought after by all men of worth, who had been at the head of the Canadian government; by Macdonald, Cartier, Letellier, Dorian, Mackenzie and Blake."—Sir Wilfrid Laurier at Montreal.

what Studebaker
COMFORT means!

Just look at that illustration a second time. Look at the roominess of this new Studebaker SERIES 17 FOUR—the individualized COMFORT that's built into the car for every one of the SEVEN passengers it carries.

Not a detail has been overlooked that will make the car easier-riding. The front seats, for example, are divided—and they are also adjustable—that is, they can be moved fore or aft to fit the passenger's wishes.

In the tonneau, roominess is especially evident—lots of room for five full-grown people. The rear seat is wide and deep and luxuriously upholstered with the finest straight-grain, semi-glazed leather. And everywhere roominess, convenience and a host of COMFORTS have been built into the car.

This new Studebaker is the most powerful 4-cylinder car on the Canadian market within hundreds of dollars of its price—the biggest car that any such price as \$1225 ever bought—but on COMFORT alone it stands as the GREAT value of the year. Come in and see this splendid "Made in Canada" Car.
