METHODISTS HETD DISTRICT MEETING

The third quarterly meeting of the Fredericton district of the Methodist church was held at Fredericton on Tuesday and Wednesday, February 29 and March 1.

Rev. Thomas Maeshall, chairman of the district, presided, and Rev. Thos. Hicks acted as secretary. The Rev. George Steel, superintendent of missions, was present at the sessions on Tuesday and added much to the interest and success of the meetings.

The roll being called, the following ministers were present at the opening session:—Revs. Thos. Marshall, Thos. Hicks, C. Flemington J. B. Young, Geo. W. Tilley, B. W. Turner, O. H. Peters, E. Rowlands H. Harrison, F. E. Boothroyd and J. J. Colter. The laymen who were present at the meeting were:—C. A. Sampson, J. J. Weddall, T. H. Colter, A. C. M. Lawson, George T. Bradley, T. Boulter, Asa Currie, H. McLeod, I. McNabb, Stephen Colwell Robt. Palmer, John McNamara, Geo. W. Dingee, Martin Kimball, Charles Ward, Wallace Burpee and John Lipsett.

A most profitable round-table program was carried out regarding the missions—home and foreign—during the hours of the first session. Rev. W. D. Wilson, field secretary of the New Brunswick branch of the Dominion Alliance, was given an introduction to the members of the district, and after the temperance question had been discussed, the following resolution was adopted:

That this district having heard with much pleasure the address of Rev. W. B. Wilson, field secretary of the New Brunswick branch of the Dominion Alliance, do hereby express our hearty approval of this work and promise to co-operate with him in every practical way.

The evening session convened in the parlors of the Methodist Parsonage. The Laymen's Association and the Sustentation Fund occupied some attention and then the relation of the child to the church was fully discussed and a most profitable and enthusiastic discussion was the outcome.

The last session of the district convened in the Methodist vestry on Wednesday morning, with an attendance as good as at any of the other sessions. The educational work and the district responsibilities was the main subjects considered at the last session. Social Service and What We Can Do For It was the last topic discussed by the district.

The sessions closed with the unanimous opinion that the various sessions were the most all-round satisfactory ever held. The next and last district meeting of the conference year will be held at Gagetown early in June.

TO REMOVE DANDRUFF

Get a 25-cent bottle of Danderuff at any drug store, pour a little into your hand and rub well into the scalp with the finger tips. By morning most, if not all, of this awful scurf will have disappeared. Two or three applications will destroy every bit of dandruff; stop scalp itching and falling hair.
