## WESTMORLAND CAMPAIGN IS BECOMING LIVELY

Moncton, May 21.—The Conservative managers were in close conference here on Saturday. The county leaders, with the candidate, were in evidence with the party organizers and the members from nearby counties. Most important of all, for substantial reasons, Hon. Mr. Baxter appeared on the scene and joined the caucus. His was a welcome arrival, for the spirits of the party had begun to droop. And there was and is good reason. In the language of the race track, when two thoroughbreds are neck-and-neck, the old-timers exclaim "That's some horse race." So here the veteran workers are beginning to shout "This is some election."

And so it is. The opposition workers have the forces of right and honor upon their side, and cannot believe the people of Westmorland will forsake those high standards of honor and probity for which their fathers fought and suffered. The worst element among the Government men are depending upon a huge corruption fund. If the people can be swayed by such influence beyond the force of public sentiment, wrong may still be triumphant, but there is no sign that the determination of the people can be swerved.

After leaving the caucus, Hon. Mr. Baxter went to Memramcook, where by actual count there were 25 voters and some boys. "No use for them to

come here," sang out a lot of boys on the street. The popular wave is not with the Government. That much is sure. This is hard to overcome, once fairly started.

L. A. Dugal, M. P. P., started his tour of the French districts, with P. J. Veniot, last evening, and today, as is the custom in Acadian districts, addressed large meetings after services at three places.

Next week there will be nothing but election. Hon. C. W. Robinson and Hon. F. J. Sweeney made the statement that they thought they were out of local politics, but if the Government newspapers are not disposed to let them alone they will see it through to the end. Hon. F. J. Sweeney holds a meeting with A. B. Copp, M. P., at Rockport on Monday, and at other places during the week.

Hon. C. W. Robinson will speak in Moncton and Salisbury parishes.

F. B. Carvell, M. P., will give three or four meetings at Sackville, Port Elgin and Petitcodiac, and if possible at Shediac.

The season is a busy one, the farmers working till nightfall to get their crops in, and they are not pleased at any election being called at such a time.

The most notable feature of the campaign is lack of arguments of Government speakers. Hon. Mr. Murray devoted much of his time in Dorchester to abuse of Organizer Carter.

### POPE'S APPEAL MAY SUCCEED.

ROME, May 22.—It is learned from a diplomatic source that Pope Benedict's appeal to the Kaiser to discontinue submarine attacks on unarmed ships, is likely to be successful, provided the Allies agree to use submarines exclusively in regular naval warfare. Vatican circles are optimistic with regard to the outlook, because Emperor Francis Joseph is said to be seconding the Pope's efforts in striving to overcome the opposition of the Kaiser, who first insisted that the Allies lift the blockade, but is now less exacting, according to reports.

### DUTCH TO SEND NOTE

LONDON, May 22.—The Dutch government has decided to send a strong note to Berlin saying that the German version of the torpedoing of the Dutch steamer Tubantia cannot be accepted, and holding Germany responsible for it, says a despatch to the Daily Mail from Rotterdam.

### TATTOO AT TROTTER PARK WEDNESDAY NIGHT.

Eleven Military Bands Expected to  
Take Part in the  
Display.

The military tattoo on the evening of Wednesday, Victoria Day, in the Fredericton Trotting Park, at 8 o'clock, is to be a brilliant military musical affair. Col. A. H. Powell, who is personally arranging the programme, assisted by Major C. G. Pincombe, states there will be eleven bands present.

Lieut. M. Ryan, bandmaster of the Royal Canadian Regiment band at Halifax, will have charge of the musical exercises. He will arrive in the city tomorrow morning with the special train conveying the bands.

A tattoo is always a night affair, conducted in the glare of torches, and is not only a very pretty sight, and a musical entertainment of merit, but there is an impressiveness about the exercises which has a stirring effect.

Today a number of boys in khaki commence selling tickets to the public. Ample accommodation is provided, the grand stand will seat over 500, and thousands can find room in the extensive grounds. This great event overshadows all others, and the weather, now being pleasant, the prospects of the tattoo becoming a banner event are very bright.

### QUEENS-SUNBURY RECRUITING.

Tomorrow night Lieut. Col. W. H. Gray and Lieut. J. B. Dever will address a recruiting meeting at Broad Road, Queens county. On Wednesday night Col. Gray will hold a meeting at Patterson Settlement, and on Friday night at Upper Manguerville.

### SOLDIERS WERE FINED.

Three soldiers, two of the 104th Battalion and one of the 140th Battalion, were in the police court this morning charged with using profane and obscene language on the streets of Marysville, yesterday, and with abusing a horse from Gunter's stable. Town Marshal Fraser Saunders of Marysville made the arrest. They were all convicted on both charges and were fined \$11 each.

P. N. S. CONCERT.  
The students of the Provincial Normal School are to hold a concert in the Assembly Hall of the Normal School building tomorrow (Tuesday) evening, beginning at 8 o'clock. The proceeds are to go towards providing comforts for Normal School boys who have enlisted for active service, and for other patriotic purposes. A splendid programme will be carried out.

## Colds & Common Sense

You have a cold, or your child has a cold; a cough; a tight feeling across the chest; a soreness in the breathing tubes.

In the past how have you treated such? You have bought some cough mixture, and swallowed this down into your stomach. Now, why? Your stomach was not ailing; and there is no direct connection between your chest (where the trouble is) and your stomach! Then why swallow into your stomach any mixture when the trouble is in your lungs and bronchial tubes?

It's a mistake; and Peps is the remedy provided to correct this un-commonsense treatment. Peps are little tablets, which contain highly beneficial fine essences, combined with other medicinal extracts. These healing extracts are so prepared that as soon as you put a Peps into your mouth they are liberated in the form of healing vapors. You breathe these vapors down into the throat and lungs, and thus treat the organs that are inflamed, direct. In a way, it is like breathing from a vaporizer or bronchitis kettle, except that there is no apparatus needed, the little Peps providing everything needful for the treatment! The very small portion of Peps which you swallow has a slightly tonic effect upon the stomach and does you good, but the use of Peps is not for stomach troubles, but for lung, throat and bronchial troubles. Peps cure these as no ordinary treatment can.

Children like Peps and they are best for the little ones because Peps contain no morphine, laudanum or other poison found in so many of the old cough mixtures.

Druggists and stores everywhere sell Peps 50c. box or from Peps Co., Toronto, for price. Remember the name—four letters only:—

also has wheeled across the railway bridge at the mouth of the Nashwaak.

Another Close One.

Saturday at about noon the police went to a barn in the West End after the two. Unfortunately a lady residing near by had startled the two before the arrival of the police, and they got away on bicycles.

Bicycles Recovered.

Two bicycles stolen last week have been recovered. Ralph Shepherd saw one of these two boys riding his bicycle on Saturday afternoon. He called to Policeman Murray, who ran for the barn. The latter left his bicycle and ran in an alley, thus getting away.

Some time ago the same one, when driven into Chancery Lane by the police, scaled fences and got away.

Yesterday Shepherd found another bicycle stolen from him leaning against a barn in Lower St. Marys.
