

TO SAVE EYES

Is the Object of This Free Prescription—Try It if your Eyes Give You Trouble.

Thousands of people suffer from eye troubles because they do not know what to do. They know some good home remedy for every other minor ailment, but none for their eye troubles. They neglect their eyes, because the trouble is not sufficient to drive them to an eye specialist, who would, anyway, charge them a heavy fee. As a last resort they go to an optician or to the five and ten-cent store, and oftentimes get glasses that they do not need, or which, after being used a few months, do their eyes more injury than good.

Here is a simple prescription that every one should use: 5 grains Bon-Opto dissolved in 1/4 glass of water. Use three or four times a day to bathe the eyes. This prescription and the simple Bon-Opto system keeps the eyes clean, sharpens the vision and quickly overcomes inflammation and irritation; weak, watery, overworked, tired eyes and other similar troubles are greatly benefited and oftentimes cured by its use. Many reports show that wearers of glasses have discarded them after a few weeks' use.

It is good for the eyes, and contains no ingredient which would injure the most sensitive eyes of an infant or the aged. Your own druggist can fill this prescription, or the Valmas Drug Co. of Toronto will fill it for you by mail. Try it, and know for once what real eye comfort is.

A prominent City Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family."

CHICAGO EX-BANKER WAS MURDERED

Chicago, Aug. 3.—Henry Pontorno, former private banker, jeweller and steamship brokerage agent in the west side Italian quarter, was murdered on Tuesday on a country road, near Benton Harbor, Michigan, it became known here today. It is believed by the authorities the murder was committed by two men, who lost money when Pontorno's bank went out of business after an alleged robbery in February a year ago.

BERLIN NEWSPAPER HAS BEEN SUSPENDED

London, Aug. 3.—The Berliner Tageblatt has been suspended by the military authorities, according to an Exchange Telegraph despatch from Copenhagen. This is the second time since the outbreak of the war that the Berliner Tageblatt has been suspended, the first suspension having occurred two months ago.

The Tageblatt, formerly one of the staunchest journalistic supporters of the government, joined the Opposition early this year, when the newspaper agitation against Chancellor Von Bethmann-Hollweg began.

SWEEDISH STEAMER SENT TO THE BOTTOM

London, Aug. 3.—The Swedish steamship Hudiksvall was torpedoed by a German submarine last night in the Baltic while on a voyage from Sweden to Finland, according to a Reuter despatch from Stockholm today. The captain, with 12 men of the crew, and five women, took to the boats and reached the Swedish coast. The Hudiksvall carried a valuable cargo.

It is reported also, adds the despatch, that two other Swedish steamers and two Finnish steamers, were sunk last night in the same vicinity.

Jersey City, N.J., Aug. 2.—Agents of the City Commissioners were sent today to the terminals of all railroads entering this city to put into effect the order of the commission placing a ban on the storage of ammunition in cars or upon piers in this city, and upon its shipment through this city.

Montreal, Aug. 3.—The provincial board of motion picture censors has notified proprietors of motion picture houses and film agencies that in the near future, after a date to be named, all motion pictures shown in this province must have their titles and subtitles both in French and English. The film men say they cannot and will not comply with any such regulation.

The outcome is awaited with interest.

RUSSIANS REPULSE GERMAN ATTACKS

Huns Made Liberal Use of Gas But Were Driven Back When They Tried to Advance.

Petrograd, Aug. 3 (via London).—"On the night of August 2, in the region of Smorgon," says the official Russian statement issued today, "the enemy launched gas attacks on both sides of the railway. The attack opened at 1 o'clock in the morning and the gas was released six times with intervals between the waves. The gas attacks finished at six o'clock in the morning."

"The use of gas was discovered in good time, with the result that the Germans, who were following the gas attacks, on attempting to advance, were met with rifle and machine gun fire and suffered severe losses."

"The enemy did not even succeed in getting outside of his own wire entanglements, and he rapidly returned to his trenches."

"On the Caucasus front, in the direction of Karput, in the region of the village of Nurik, our detachments made an advance and forced back the enemy from his fortified position on the right bank of the River Euphrate sat Murdchala."

Shields figured in the recent conspiracy trials. The identity of his assailants has not been learned.

ROLL OF HONOR

Several thousand officers and employees of the Canadian Pacific Railway Company enlisted for active military duty with the Canadian Expeditionary Forces, and the majority of them are now in Europe, bravely battling for Canada and the Empire.

As particulars of Army Reservists are not available, these lists of those who have given up their lives for their country or been wounded in action are necessarily incomplete, and do not therefore indicate fully the extent to which the Company's officers and employees have participated in the great struggle.
