WATCHING SITUATION AT BORDEN CAMP

Authorities Unlikely to Abandon Camp Ground Because of Recent Trouble With Troops.

Ottawa, July 13.—The situation at Camp Borden is being closely watched by the authorities of the Militia Department, but the suggestion that the camp be abandoned or its use even temporarily discontinued is little entertained here.

The Minister of Militia is out of town until tomorrow, but he has not indicated any intention whatever of yielding to any protests of officers or soldiers from the London or other districts against the camp and its unsuitability for the purpose.

The ground was acquired at heavy expense originally while in preparing and equipping it the outlay was correspondingly large.

Ottawa officers and others who were up there to the review on Tuesday, voice the opinion that the men's complaint—especially in a broiling temperature, with inches of dust to plow through—was not unnatural. But when the improvements in view are carried out and sports and pastimes provided as in other camps, much or all of the objection they believe will disappear.

Only under stress of grave and sustained public pressure would the training ground be abandoned.

The large area has been secured for the purpose of affording the space necessary for extensive tactical training and advanced work which, it is stated, the smaller camps do not permit it.

NEW APPOINTMENTS

(Continued from page 8.)
The convention which is said to have been one of the best heard at the convention. Chief Rideout was in Fredericton yesterday. He was elected vice-president of the Association.

The delegates to the convention were entertained during their stay at Kenora. Several trips on the Lake of the Woods were made. On one the band of the 141st Overseas Battalion furnished music.

The Sultana mine, near Kenora, was also visited. On one of the trips Indians from the neighborhood held a "pow-wow" for the edification of the visitors.

The police chiefs afterward imitated the "pow-wow" and improved upon it.

PERSONAL.

Mr. E. G. Frost, of Auburndale, Mass., is among the visitors to the city today, en route home from a trip over north.

Miss Mary Thompson, of Ottawa, formerly on the Education Office staff, is visiting relatives here.

St. John Times: Capt. Laurie, of the New Brunswick command, left for Fredericton this morning to look after the interests of the 236th kiltie battalion.

Mr. Fred Mignot, of Montreal, who has been spending a few days here the guest of his brother-in-law, Mr. J. W. Smith, returned home yesterday. Mrs. John Akerley and son Willie, of St. John, are the guests of Mr. and Mrs. E. G. Merritt, at Barker's Point.

POINTED PARAGRAPHS.

A man has no use for the pillmakers when he's lovesick.

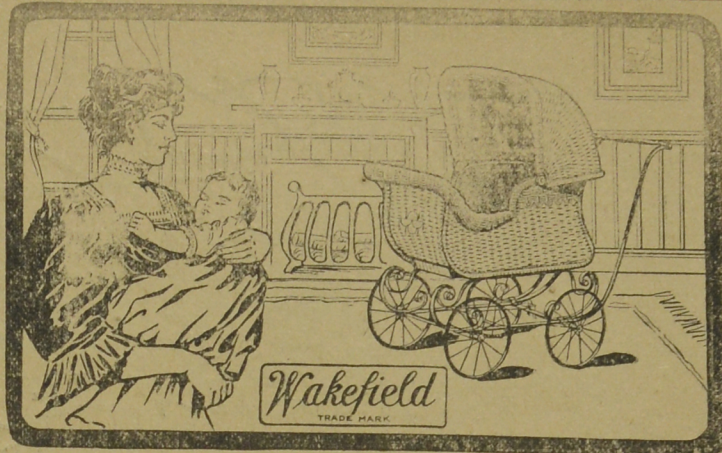

Some men are like doormats—useful when walked on.

Truth is all right in its way, but flattery is generally jollier.

Time isn't always money to the man who does a credit business.

Love may be blind, but it can usually locate the coin.

One idea of a mean man is one who waits until Saturday night to have his hair amputated.
