FREDERICTON HIGH
ADDED ANOTHER
VICTORY TO STRING

Shut Rothesay Out Here
Last Night--Score Was
10 to 0--Game Was
Uninteresting.

Fredericton High shut out Rothesay Collegiate here last night. The score was 10 to 0 and the game not particularly interesting as the local team entirely outclassed the visitors. Fredericton High now has a firm grip on the interscholastic hockey title. On Tuesday night the Yellow and Black will play Sussex High at Sussex, completing their schedule. If they win at Sussex, they will have the championship.

Fredericton High did the bulk of its scoring in the first period and let up in the later stages of the match. The locals were heavier than the Blue and White players and took every advantage of their weight. Clark, Robinson and Colwell were the chief scorers of the local team. The teams were:

--Manager Donovan be-
gan Easily.

Macon, Ga., Feb. 22--The first formal baseball practice held on any diamond this year was indulged in by the Yankees this afternoon. There were to have been both morning and afternoon sessions, but the trunks containing uniforms, bat, gloves and other paraphernalia did not reach Macon until several hours after the arrival of the club, necessitating the abandonment of the morning work-out.

That the morning might not be entirely wasted, Manager William Donovan called a get-together meeting shortly after breakfast and gave his colts a talk. All told, there were twenty-two players on the field in uniform this afternoon, with Manager Donovan, Coach Duke Farrell and Scout Joe Kelley to direct them.

HAD WEAK HEART
HAD TO STAY IN BED

Many women are kept in a state of fear of death, become weak, worn and miserable, and are unable to attend to their household, social or business duties, on account of the unnatural action of the heart.

To all such sufferers Milburn's Heart and Nerve Pills will give prompt and permanent relief. They do this by their calming, strengthening and invigorating action on the heart, causing it to beat regularly and naturally, and in addition to this they tone up the whole nerve system.

Mrs. J. Day, 234 John St., South, Hamilton, Ont., writes: "I was so run down with a weak heart that I could not even sweep the floor, nor could I sleep at night. I was so awfully sick sometimes I had to stay in bed all day as I was so weak. I used three and a half boxes of Milburn's Heart and Nerve Pills, and I am a cured woman to-day, and as strong as anyone could be, and I am doing my own housework, even my own washing."

"I doctored for over two years, but got no help until I used your pills." Milburn's Heart and Nerve Pills are 50c per box, 3 boxes for \$1.25. They can be had at all druggists or dealers, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

The Printing and Publicity
Specialist
Talks To His Son

"Say, John, I feel quite sick today," said Mr. Blank. "Please visit the different doctors in town, and find out who will cure me for the least money. Get your quotations tabulated and then let me see them. Of course we will engage the doctor who charges the least."

"Why, I never heard of such a thing," said John. "The idea of getting quotations from a doctor; it's the asylum for you."

"Well now, why not? I am a specialist in printing and publicity. I study my business just as carefully as any doctor can do. If I do say it that shouldn't, I have just as much brains as the average doctor. I strive to give my customers the benefit of my knowledge, my artistic skill and judgement and my ideas on publicity. I give service as the term is understood in the Twentieth Century."

"When some people around here have a little printing to be done, they visit all the printing offices, get quotations from each one, and then give the work to the man who gives the lowest figures."

"The ordinary user of printing knows his own business, but he is no more a judge of the work of printing than he is a judge of what sort of medicine a doctor should give him for the cure of his ailment. If people ask me for quotations and pass me by if my price happens to be a little more than the other fellow, why shouldn't I apply the same method to the doctor, lawyer, dentist and painter? Why not? It's a mighty poor rule that won't work more than one way."
