## TWO GERMAN SUBMARINES ARE REPORTED IN THE ATLANTIC

### Report That Roumanians May Evacuate Bucharest

**Correspondent of the London Chronicle Hears That People Want to be Spared the Horrors of Bombardment--- German Raids on the Somme Repulsed.**

LONDON, Dec. 4.—A despatch to the Daily Chronicle from the Russian southern front, via Petrograd, dated Saturday, Dec. 2, says:

"I have been informed of the decision that Bucharest shall be entirely evacuated and surrendered at very short notice to spare her the horrors of bombardment." News of occupation by the enemy is awaited.

PARIS, Dec. 4.—Two German raids on small French posts in the region of Barleux, on the Somme front, were repulsed easily last night, it is announced officially. A similar attempt at Alsace, southeast of Mestreal, was also without success. Everywhere on the front the night passed quietly.

Serbian troops have captured a hill north of Grunishte, on the Macedonian front, east of the Cerna river bend, the War Office announces.

LONDON, Dec. 4.—Two Belgians who have arrived at Shuiskill, Holland, from Ghent, report that there was a revolt in Antwerp on November 30th, in which between two and three hundred inhabitants and German soldiers are said to have been killed, according to a Reuter Amsterdam despatch today. The reported revolt was due to a call upon the inhabitants for work in Germany, as has been done in other places in Belgium.

AMSTERDAM, via London, Dec. 4.—A Berlin telegram says that it is officially announced that the battle of the Argechu river, northwest of Bucharest, has been won by the Ninth army. The Emperor personally ordered that church bells in Prussia and Alsace-Lorraine be rung on Monday in celebration of this victory by Germany and her allies.

### Bulgarians Claim to Have Achieved a Victory

#### In Sanguinary Struggle on Roumanian Front

SOFIA, via London, Dec. 4.—Desperate fighting on the Roumanian front in which the Bulgarians repulsed seven attacks made by the Russians is reported in the official statement issued by the War Office today. Two tanks are said to have been destroyed and a third to have fallen into the hands of the Turkish troops. The text of the statement follows:

"On the Macedonian front the enemy violently bombarded our positions northwest of Monastir. We repulsed by a counter attack an assault on Height 1248.

"In the Dobrudja the Russians continue their desperate attacks on our left wing. After violent artillery, machine gun and rifle fire lasting all day, the Russians at six o'clock in the evening made the seventh attack in the last two days.

"The enemy's heavy artillery approached within 300 paces of our trenches and the attack was most violent everywhere. South of Satskeul the enemy advanced in close formation and fighting was no less sanguinary on the remainder of the front, but everywhere the enemy was repulsed.

#### Dardanelles Elicits Little Press Comment

LONDON, Dec. 4.—The momentous declaration of the agreement by the Allies to the acquisition of Constantinople and the Dardanelles by Russia is given a secondary place in the morning papers and is only commented upon by two of them.

The Conservative press, which formerly vehemently supported the British statesmen of the nineteenth century in keeping the Russians away from Constantinople, receive the news in silence and give it no prominence.

The Liberal Chronicle and the Liberal News are the only papers to make any comments. The Chronicle says that the announcement deserves to be highly welcomed in England, and sets out reasons why it thinks it desirable. The News, with less enthusiasm, thinks that the present settlement of the vexed question will shorten and simplify the proceedings at the ultimate peace conference.

### HUNS PROMISED GLAD TIDINGS.

LONDON, Dec. 4.—Mysterious promises are being made to the Germans about glad tidings to be received by them before Christmas, according to an Amsterdam despatch to the Daily Mail. The despatch says that the recent hint of the Bulgarian

### AMERICAN CONGRESS IN SESSION

WASHINGTON, Dec. 4.—When Congress reconvened today, President Wilson had the assurance of Speaker Clark and Representative Kitchen, majority leader, that they would try to hasten the enactment of railroad legislation desired by the administration.

Both expressed the opinion in a conference with the President last night that measures to supplement the Adamson law could be passed in the short session, but they asked the President's influence to eliminate the usual two weeks Christmas holiday recess.

Similar promises of co-operation on the railroad acts will be sought by the President this week from Senate leaders.

Many members of Congress today appeared to favor some kind of an embargo on food exports, or rather action to reduce soaring prices.

Representative Fitzgerald, Democrat, of New York, had announced his intention to reintroduce today his bill authorizing the President to declare an embargo on exportation of wheat.

## TWO GERMAN SUBMARINES IN THE WESTERN ATLANTIC

**The Providence Journal Says They Are at Present In West Indian Waters--Four Started From Kiel Nov. 5th and Two Were Sunk.**

NEW YORK, Dec. 4.—The New York Times this morning prints the following despatch from Providence, dated Dec. 4:

"The Providence Journal will say tomorrow morning: The wireless warnings recently issued to captains of merchant vessels in the western Atlantic were put out by the order of the British Admiralty with the full knowledge that there are now in the neighborhood of West Indian waters two large German submarines which have been here since the visit of the U-53, and also because of the knowledge of the British Admiralty that two other German submarines of the newest and speediest type left Kiel for the coast of the United States on November 5 and were able to evade every effort that has been made to capture or sink them before they got out of the North Sea.

### The British Sunk Two U Boats.

"The Journal is able to state authoritatively that the plan of dispatching four of the new German submarines from Kiel on November 5 was known in advance to the British authorities, and that all four submarines left Kiel on that date, at different hours. Two of them were sunk during the same day by British destroyers, the other two getting safely away."

The United States government has been fully informed of this situation, and President Wilson has made strenuous representation to Ambassador Von Bernstorff about it.

Premier regarding acceptable news for the Germanic powers is reported by a statement by the president of the Reichstag, that the body may possibly meet earlier than the date arranged. The Dusseldorf General Anzeiger says that Colonial Minister Salf stated on Friday that very gratifying events were about to happen and that German people would be able to have a happy Christmas.

## SAYS ALLIES HAVE BEEN BETRAYED AND DEFIED BY KING CONSTANTINE

**The London Times is Indignant Over Events in Athens---Urges Prompt And Drastic Measures be Taken---Greek Guns Handed Over to Allies.**

LONDON, Dec. 4.—The Times expresses astonishment and indignation at the events in Athens. It says that the Allies have been again betrayed and defied by King Constantine and his government, and mentions with satisfaction the statement from Paris that the Allies will insist on reparation for the attack on their troops. "The most remarkable feature of these amazing events," says the Times, "is that the Allied ministers are said to have recommended that their governments accept King Constantine's offer of six batteries instead of ten, and the abandonment of the other Allied demands.

"Whatever measures may be taken, they must be prompt and drastic and of such a nature as immediately to restore the impaired prestige of the Allies. The whole story of our dealings with King Constantine has been a long succession of incomprehensible blunders. This blundering must now cease if the Allies are to retain any semblance of authority or influence in the Far East."

### Government Has Guaranteed Legal Rights

#### Of Followers of Venizelos Under Arrest

The Greek government has announced that the fullest protection will be given to the nationals of the Entente, according to an Athens despatch to Reuter's.

The government also guarantees that all legal rights of the arrested Venizelists will be respected. In palace circles it is said that normal relations with the Allies are re-established.

A despatch to the Daily Mail from Corfu under the date of Saturday says that the Greek mountain guns in the Corfu citadel have been handed over to the Allies.

## SIR EDWARD CARSON MAY BE TAKEN INTO CABINET

LONDON, Dec. 4.—The Daily News correspondent understands that although the possibility of adding Sir Edward Carson to the cabinet has been canvassed in inner political circles, he has received no direct invitation to serve with the ministry.

According to the information of other political circles, however, Sir Edward's inclusion is part of a definite scheme of Lloyd George's conception.

The Times believes that Premier Asquith will not be a member of the War Council, which it says would, if in accordance with Lloyd George's suggestion, consist of Lloyd George, Sir Edward Carson, Bonar Law and a labor representative, possibly Arthur Henderson, now Minister of Pensions. Nowhere is there a suggestion that the crisis is likely to be prolonged or that it will lead to the fall of the coalition government.

### A Reorganization May be Made With a

#### View of Strengthening the War Council

The express, which is well informed from the Conservative viewpoint, says the crisis would be settled on Sunday and that the cabinet, which remains intact with twenty-three members, will probably undergo a certain press of reorganization with the view of a more definite control of the war by this stronger war council.

The decision of Premier Asquith, on the advice of the War Secretary, David Lloyd George, supported by other members of the ministry, to reconstruct the cabinet, is believed to have saved the coalition government again and assured a more vigorous prosecution of the war. There are some details yet to be arranged, but the conviction is expressed that the Premier will be able to announce before many hours an agreement with his colleagues on the vital question concerning the War Council.
