is packed by automatic machinery in strong white cotton bags and cartons at the refinery.

This is far safer and more sanitary than sugar packed by hand in a weak paper bag which breaks at a touch. No hand touches LANTIC SUGAR until you open it yourself. Just cut off the corner of the carton and pour out the sugar as you need it.

Slants Of Humor

THE NEIGHBORS SAY

If he is regular in attending church he is too pious.

If he doesn't attend church he is on the road to perdition.

If he sends his family away for the summer it is more than he can afford.

If he doesn't he is stingy.

If he happens to be successful in business, he achieved success by swindling.

If he doesn't succeed, he missed his calling.

If he gives freely to charity he does it for show.

If he doesn't, he is classed as a skinflint.

If his wife does her own work, she is 'killing herself' for the family.

If she has servants, she ought to be more economical.

END OF THE ROMANCE

No more will I hear footsteps on yonder walk just as the clock strikes 8.

"Gracious Jeanette!"

"And the old parlor light will never burn low for him again."

"You don't mean?"

"I do and furthermore, he will never sit on this sofa three nights a week and call me pet names as he has been doing for the last two years."

"I am astonished."

"And tonight I am going to burn all my old love letters in my chest of drawers."

"But—but why? Are you going to discard him?"

"Discard him! Why you goose, I am going to marry him."

TO PROVE SHE COULD

Astounded mother: Why Tottie, you never told me you had invited so many children to this party.

Small Hostess: That's 'cause you said that I could never keep a secret.

SAFETY FIRST

First Boy: What is this big-brother business?

Second Boy: Well, as I understand it, never lick a boy who has a big-brother.

ALWAYS LAVISH

Sometimes the early blossoms drop

Or fail to bud,

But nothing ever hurts the crop

Of early mud.

ENJOY IT

Don't make a holiday a hollow day.

ON HIS WAY

A young Burmese girl taking nurse's training in a hospital, noted on the chart the condition of her patient thus:

"10 a. m.—Patient in the sink."

"11 a. m.—Patient fitting."

"12—Patient flit."

THE GIRL OF IT

"My boy has just put on his first long trousers. A proud day for me."

"I view my offspring with mixed emotions. She has just come out in a very abbreviated dress."

DOING ITS BEST

It is not always May.

A fact that we deplore.

Yet no month makes a longer stay;

May can't do more.
