### WRIST WATCH GAINS FAVOR.

It is Now Becoming to be Regarded  
as a Necessity.

Minneapolis, Sept. 1.—The wrist watch will be more in vogue than ever before, la vallieres will remain popular for at least another year, and ear screws and brooches will be worn more generally than for several years, according to speakers at the annual convention of the American National Retail Jewelers' Association here.

"The wrist watch not only is ornamental, but to many has become a necessity," said J. R. Tack, of Newark, N. J., second vice-president of the association.

"Ear screws are coming into favor rapidly. The diamond solitaire, set close to the ear, will lead in popularity. There will be little change in the style of la vallieres."

### RECIPES WORTH TRYING.

#### BOILED SALAD DRESSING.

One tablespoonful sugar, one tablespoonful flour, one teaspoonful of salt, small tablespoonful dry mustard, two tablespoonfuls best olive oil, three eggs, one cupful of milk, three-quarters cupful (scant) of vinegar. Add the oil to the dry ingredients and mix thoroughly. Add egg and beat well; add milk and vinegar very slowly. Cook in a double boiler, stirring constantly until thick and smooth.

You never know what you can do till you make a good try. But for the dogs no cat would ever know how fast it can run.

Love may be blind, but it's always the first to see its own finish.

An optimist is one who gets his pay check and then goes out and looks over the different kinds of automobiles standing around the block.

It's an easy matter for a man to break out of the unknown class after inheriting a big fortune.

When a cranky person has a lot of money he gets off with being called eccentric.

## Slants Of Humor

WHISKY.

Sir Victor Horsley, the London brain surgeon, devotes his leisure to the study of alcohol and has come to the conclusion that mankind should be teetotal.

An American doctor, lunching with Sir Victor, said apropos of the latter's alcohol investigations:

"Well, have you found out what whisky is yet?"

"Certainly," was the reply. "It is the most popular poison in the world."

### POOR PICKING.

"What's the matter?" asked the first flea. "You look starved."

"They are making these toy dogs so natural," explained the other flea, "that I arranged to summer on one of them by mistake."

### HELPFUL HUSBAND.

Have you washed the dishes, dear?" he asked.

"Yes," was the wife's reply.

"Made the beds?"

"Sure thing."

"Fed all the birds?"

"All of 'em."

"Given the goldfish fresh water?"

"All done."

"Swept off the stoop?"

"Clean as a whistle. But what have you been doing all morning, John?"

"Oh, I've been waitin' for you to come out and help me blow up the automobile tires!"

### FACIAL MEASUREMENT

A teacher one day asked her class if they knew which was the longest word in the English language. A small hand waved furiously.

"Well Johnny, what is the longest word?"

"Smiles," promptly answered Johnny.

"But that has only six letters!"

"Yes'm, I know it, but it's mile between the first and last one."

### GOOD ADVICE

A minister was questioning his Sunday school concerning the story of Eutychus, the young man who, listening to the preaching of the Apostle Paul, fell asleep, and, falling out of a window, was taken up dead.

"What," he asked, "do we learn from this solemn event?"

The reply from a little girl came:

"Please, sir, ministers should learn not to preach too long sermons."

A hammock with a pillow pad,

A shady place to swing,

A back yard isn't half way bad,

For pleasant summering.

### POLITICAL RIOT IN PORTUGAL.

Lisbon, Sept. 1.—Several persons were wounded in conflicts between civilians and troops last night near the House of Parliament.

These clashes followed a session of the parliament which developed several motions recommended by the minister of war and a resolution of confidence in the government.

"Girl Needs \$18,500 a Year." Yes, and if you've ever had a girl you'll believe it.

## Wonderful Bilious Remedy Actually Prevents Attack

There are two great causes of biliousness—they are constipation and defective liver action.

When Dr. Hamilton's Pills are taken they not only correct constipated bowels, but act upon the liver as well.

Quite unlike ordinary medicines, which purge and give temporary relief, Dr. Hamilton's Pills remove the conditions which cause biliousness, and thus permanent cures are effected. No person who occasionally uses Dr. Hamilton's Pills will ever suffer from the headache, bad stomach or bilious complaint. Get a 25c. box today.
