

Doctor Tells How to Strengthen Eyesight 50 per cent. in One Week's Time in Many Instances

A Free Prescription You Can Have
Filled and Use at Home.

Philadelphia, Pa., Sept. 6.—Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that, according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses, and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses

can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expenses of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start, and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

A prominent City Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent ophthalmologists and widely prescribed by them. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family."

GENERALS JOFFRE AND HAIG IN EXCHANGE OF GREETINGS

British Front in France, Sept. 29.—General Joffre, commander in chief of the French army, has sent a message of congratulation to General Sir Douglas Haig, commander in chief of the British forces in France and Belgium, on the recent British successes, in which the French general says:

"Following on the continuous progress made by your armies since the beginning of the Somme offensive, these fresh successes are a sure guarantee of final victory over the common enemy, whose physical and moral forces are already severely shaken."

Victory is Certain.

After saying that the combined offensive has bound still closer the ties of the two armies, and that "our adversaries will find therein a proof of our

SIR DOUGLAS HAIG.

General Joffre continued: "I bow before those of your soldiers by whose bravery these successes have been achieved, but who have fallen before the completion of our task and I ask you to convey in my name and in the name of the whole French army, to those who stand ready for the battles to come, greeting, comradeship and confidence."

General Haig's Reply.

General Haig, replying, said: "Our brave dead, whose blood has been spent together with yours, on the soil of your great country, will prove a bond to unite our two peoples long after the combined action of our armies has carried the common cause for which they have fought to its ultimate triumph."

"The unremitting efforts of our forces north and south of the Somme, added to the glorious deeds of your armies, unaided, before Verdun, have already begun to break down the enemy's power of resistance, while the energy of our troops and their confidence in each other increase from day to day."

"Any fresh success that attends our arms brings us nearer the final victory to which, like you, I look forward with absolute confidence."

Gen. Joffre

firm determination to combine our efforts until the end, to insure the complete triumph of our cause."

SUPPER AT PENNIAC A GREAT SUCCESS

The Patriotic Picnic and Supper held at Penniac Thursday, Sept. 13, proved a great success financially and socially. By consent of Mr. W. S. Carter, Chief Superintendent of Education, School Districts Nos. 4 and 5, Penniac, substituted Sept. 13 for Children's Day instead of November 15th, the proceeds being for the relief of Belgian children.

The weather was all that could be desired, and consequently the attendance was large, many auto parties arriving during the afternoon and evening. Supper was prepared by the ladies and the tables were constantly filled until late in the evening.

The games were well patronized. The children's races were arranged by Inspector R. D. Hanson. The bean toss prize, a flashlight, was won by Master Goodspeed, of Penniac. The bean guessing contest, the prize for which was a set of silver knives and forks, generously donated by R. Chestnut & Sons, was won by Mrs. William Ellis, of Ottawa. She guessed 510. The exact number of beans in the jar was 512.

The rifle shooting prize, a shaving set, was won by Thomas Vickers, of Penniac.

The total receipts were \$108.41, which, after deducting expenses, will leave a balance of \$76. Each district will forward \$38 to the Children's Relief Fund. The people of Penniac are unanimous in extending their thanks to the many visitors who came and helped to make the affair a success.

Little Boy Nine Months Old HAD DYSENTERY

Dysentery is one of the worst forms of bowel complaint. The pains in the bowels become intense, the discharges occur with great rapidity, and are very often accompanied by blood, and the sufferer becomes very weak and languid.

Unless these discharges are checked death may ensue in a very short time. There is only one remedy to use in all cases of dysentery, and that is Dr. Fowler's Extract of Wild Strawberry. It will cure when all other remedies fail.

Mrs. J. Leslie McKee, Redvers, Sask. writes: "I used Dr. Fowler's Extract of Wild Strawberry for my little boy when he was about nine months old. He was adfully had with dysentery. I had not laid him down for three days and nights, only when his father took him for a few minutes. He had both the diarrhoea and vomiting. I had tried everything until my husband got 'Dr. Fowler's' and three doses cured him."

Dr. Fowler's Extract of Wild Strawberry is the remedy you want. Don't take any other when you ask for it.

Manufactured only by the T. Milburn Co., Limited, Toronto, Ont. Price 25c.

Some are judiciously silent; some are afraid to open their mouths; others keep still because they haven't anything to say and wouldn't know how to say it if they had. Each, in his way is wise.
