RUSSIA WILL ADOPT MEASURES OF REPRISAL

London, Nov. 15.—A communication
from the Russian War Office, as for-
warded by Reuter's Petrograd corre-
spondent, states that measures of re-
prisal are to be enforced against cap-
tured German officers. The communi-
cation says that the German govern-
ment transferred a large number of
Russian officers to a special concen-
tration camp and subjected them to
particularly severe treatment owing to
alleged severe treatment of German
prisoners in Russia.

The Russian government drew Ger-
many's attention to what it character-
ized as the injustice of this measure,
adding that if by November 14 this se-
vere treatment was not done away
with, all German officers held prisoner
in Russia would be subjected to a
similar regime.

No reply having been received, the
Russian war minister has ordered that
all German prisoners of war who have
been treated as officers be placed in
camps allotted to the ordinary war
prisoners. They will be deprived of
all postal communication with their
countries and of the service of their
orderlies, and allowed only the regu-
lar rations of common soldiers.

MINARD'S
"KING OF PAIN"
LINIMENT

The old reliable remedy for rheu-
matism, neuralgia, sore throat and
sprains.

Best Liniment Made
Mr. A. E. LAUNDY, Edmonton, writes—
"I fell from a building and received what
the doctor called a very
bad sprained ankle, and
told me I must not walk
on it for three weeks. I
got MINARD'S LINI-
MENT and in six days I
was out to work again.
I think it the best lini-
ment made."

Minard's Liniment
always gives satis-
faction. For any
ache or pain. It
gives instant relief.

THE WORLD'S PROGRESS.

Some folks consider themselves
charitable because they give their old
clothes away.

If it wasn't for his wife a man would
never know anything worth knowing
about his neighbors.

If our neighbors would only do things
as we think they should be done, how

If sweethearts should agree to leave
out of their conversation all flattery,
all untruths and all foolishness, the
silence between them would be almost
as dead as that between husband and
wife.

Some women are born for matrimony,
some achieve matrimony, but every
one of them has to pretend afterward
that it was thrust upon her.

The average man would be a little
ashamed of himself if he were really
as good as he pretends to be.

A genius is a man who can do al-
most anything but make a living and
keep up his reputation for being a gen-
ius.

ACIDS IN STOMACH SOUR THE FOOD AND CAUSE INDIGESTION

"Pape's Diapepsin" Fixes Sour, Gassy,
Upset Stomachs in Five
Minutes.

If what you just ate is souring your
stomach or lies like a lump of lead, re-
fusing to digest, or you belch gas and
eructate sour, indigested food, or have
a feeling of dizziness, heartburn, full-
ness, nausea, bad taste in mouth and
stomach headache, you can surely get
relief in five minutes.

Ask your pharmacists to show you
the formula, plainly printed on these
fifty-cent cases of Pape's Diapepsin,
then you will understand why dyspep-
tic troubles of all kinds must go, and
why it relieves your out-of-order stom-
achs or indigestion in five minutes.
"Pape's Diapepsin" is harmless; tastes
like candy, though each dose will di-
gest and prepare for assimilation into
the blood all the food you eat; besides,
it makes you go to the table with a
healthy appetite; but what will please
you most is that you will feel that your
stomach and intestines are clean and
fresh, and you will not need to resort
to laxatives or liver pills for bilious-
ness or constipation.

This city will have many "Pape's
Diapepsin" cranks, as some people will
call them, but you will be enthusiastic
about this splendid stomach prepara-
tion, too, if you ever take it for indi-
gestion, gases, heartburn, sourness, for
dyspepsia, or any stomach misery.

Get some now, this minute, and rid
yourself of stomach misery and indi-
gestion in five minutes.

Every woman admires firmness and
mastery in a husband—another wo-
man's husband.

TENDERS FOR INTERIOR
STONE

Parliament Buildings, Ottawa.

The Joint Committee on the Recon-
struction of the Parliament Buildings
desire to use Canadian Stone for the
interior finish of the corridors and
chambers, provided it can be obtained
in proper dimensions and of suitable
quality, texture and color, and at fair
and proper prices, and delivery made
within a reasonable time.

Prices and samples of sandstone,
marble, limestone and granite will be
received by the undersigned until 4
p. m. December 5th, 1916.

About 150,000 cubic feet more or less
of stone is required for the interior lin-
ing of the corridors, lobbies, chambers,
etc. A stone that is light in color, either
light grey or buff, will be preferred,
medium to fine grained in texture, uni-
form in color and free from veins, iron
stains, vents and other defects of this
nature.

Give description of the quarry, and
state the thickness of beds and dimen-
sions of the stone that can be sup-
plied. Submit a three inch by three
inch by five inch sample, and state
price per cubic foot delivered f.o.b.
Ottawa; also the date on which deliv-
ery can be commenced and the num-
ber of cubic feet that can be supplied
per month.

Envelopes containing prices to be
marked "Interior Stone."

Opposition Platform

The following platform was adopted at the Opposition Con-
vention held in St. John recently:
In the event of the Opposition being returned to power, we pledge
ourselves:—

NO PARTIZAN CONTROL OF CROWN LANDS.

1. We pledge ourselves to completely reorganize the Crown
Lands Department, so that its administration shall be entirely
severed from politics and administered on sound business prin-
ciples under systematic plans by a non-partizan commission speci-
ally appointed for that purpose, responsible to the Legislature and
working in co-operation with the Dominion Commission of Con-
servation.

TAKE THE HIGHWAYS OUT OF POLITICS.

2. We pledge ourselves to take the highways out of politics,
giving the expenditure of the money collected from the people and
the control of the labor, together with the Government appropri-
ations, into the hands of supervisors, chosen by the people of each
parish, to whom a detailed and audited account must be rendered
every year at the annual meeting, and a duplicate thereof for-
warded to the Department of Public Works, the work of the super-
visors to be under the inspection of a competent provincial en-
gineer.

We also pledge ourselves to set aside the money collected
from the licenses upon automobiles and other motor vehicles, to-
gether with an equal appropriation from the revenues of the Pro-
vince each year, to pay the interest upon the bonds to provide for
permanent roads, which shall be constructed as rapidly as possible.

PROHIBITION PROVINCE WIDE.

3. We pledge ourselves at the first session of the Legislature
to pass a law prohibiting the sale of intoxicating liquors within
the Province to the fullest extent allowed by the Constitution, and
within three months after the passage of said Act to submit the
same by referendum to the electors of the Province, and should
the majority of votes cast be in favor of the said law, then to
bring the same into force by proclamation within one year there-
after.

ELECTION LAW.

4. (a) To amend the electoral law so as to make it impossible
for members of the Legislature to traffic with the Government and
still retain their seats.

(b) To make it possible for young men, when they reach the
age of 21 years, to register their names and be placed forthwith
upon the voters' lists, instead of waiting for the tedious machinery
of revision as it now exists.

(c) To divide the counties into electoral districts which shall
each be represented by one member.

(d) We will also consider amendments to the election law to
make bribery in municipal as well as provincial elections impos-
sible.

PROVINCIAL FINANCES.

5. To obtain at once a correct statement of the financial con-
dition of the Province in order that the people may have definite
knowledge of the vastly increased public debt and the enormous
obligations of guaranteed bonds they will be called upon to pay;
and to so reduce the cost of the administration of affairs and the
number of useless officials as to avoid the necessity for direct tax-
ation now confronting us.

AGRICULTURE.

6. To give the farmers all the practical assistance that the
resources of the Province will permit, to improve agricultural
methods and the quality and quantity of the stock upon the farm;
to reduce the enormous salary list in the department, and to spend
the educational grant received from the Federal Government
without regard for political patronage.

VALLEY RAILWAY.

7. To complete the Valley Railway from a point on the Trans-
continental Railway at or near Grand Falls, to St. John, and insist
upon the Dominion Government carrying out the terms of the
original legislation and allow the Province forty per cent. of the
gross earnings thereof.

EDUCATION.

8. To always maintain and improve the educational service
of the Province and to co-operate with the Federal Government in
carrying out the recommendations of the commission upon tech-
nical education.

IMMIGRATION.

9. The inauguration of a vigorous immigration policy to
properly place before intending immigrants, whose number will
be large after termination of the war, the advantages of the agri-
cultural possibilities of New Brunswick.
