London, Nov. 20.—Lord Shaughnessy will take his seat in the House of  
Lords on Thursday. Lord Northcliffe and Lord Macdonnell will be the

fuel, gives its driver an unobstructed  
view of his work.

## Opposition Platform

The following platform was adopted at the Opposition Con-  
vention held in St. John recently:  
In the event of the Opposition being returned to power, we pledge  
ourselves:—

### NO PARTIZAN CONTROL OF CROWN LANDS.

1. We pledge ourselves to completely reorganize the Crown—  
Lands Department, so that its administration shall be entirely  
severed from politics and administered on sound business prin-  
ciples under systematic plans by a non-partizan commission speci-  
ally appointed for that purpose, responsible to the Legislature and  
working in co-operation with the Dominion Commission of Con-  
servation.

### TAKE THE HIGHWAYS OUT OF POLITICS.

2. We pledge ourselves to take the highways out of politics,  
giving the expenditure of the money collected from the people and  
the control of the labor, together with the Government appropria-  
tions, into the hands of supervisors, chosen by the people of each  
parish, to whom a detailed and audited account must be rendered  
every year at the annual meeting, and a duplicate thereof for-  
warded to the Department of Public Works, the work of the super-  
visors to be under the inspection of a competent provincial en-  
gineer.

We also pledge ourselves to set aside the money collected  
from the licenses upon automobiles and other motor vehicles, to-  
gether with an equal appropriation from the revenues of the Pro-  
vince each year, to pay the interest upon the bonds to provide for  
permanent roads, which shall be constructed as rapidly as possible.

### PROHIBITION PROVINCE WIDE.

3. We pledge ourselves at the first session of the Legislature  
to pass a law prohibiting the sale of intoxicating liquors within  
the Province to the fullest extent allowed by the Constitution, and  
within three months after the passage of said Act to submit the  
same by referendum to the electors of the Province, and should  
the majority of votes cast be in favor of the said law, then to  
bring the same into force by proclamation within one year there-  
after.

### ELECTION LAW.

4. (a) To amend the electoral law so as to make it impossible  
for members of the Legislature to traffic with the Government and  
still retain their seats.

(b) To make it possible for young men, when they reach the  
age of 21 years, to register their names and be placed forthwith  
upon the voters' lists, instead of waiting for the tedious machinery  
of revision as it now exists.

(c) To divide the counties into electoral districts which shall  
each be represented by one member.

(d) We will also consider amendments to the election law to  
make bribery in municipal as well as provincial elections impos-  
sible.

### PROVINCIAL FINANCES.

5. To obtain at once a correct statement of the financial con-  
dition of the Province in order that the people may have definite  
knowledge of the vastly increased public debt and the enormous  
obligations of guaranteed bonds they will be called upon to pay;  
and to so reduce the cost of the administration of affairs and the  
number of useless officials as to avoid the necessity for direct tax-  
ation now confronting us.

### AGRICULTURE

6. To give the farmers all the practical assistance that the  
resources of the Province will permit, to improve agricultural  
methods and the quality and quantity of the stock upon the farm;  
to reduce the enormous salary list in the department, and to spend  
the educational grant received from the Federal Government  
without regard for political patronage.

### VALLEY RAILWAY.

7. To complete the Valley Railway from a point on the Trans-  
continental Railway at or near Grand Falls, to St. John, and insist  
upon the Dominion Government carrying out the terms of the  
original legislation and allow the Province forty per cent. of the  
gross earnings thereof.

### EDUCATION.

8. To always maintain and improve the educational service  
of the Province and to co-operate with the Federal Government in  
carrying out the recommendations of the commission upon tech-  
nical education.

### IMMIGRATION.

9. The inauguration of a vigorous immigration policy to  
properly place before intending immigrants, whose number will  
be large after termination of the war, the advantages of the agri-  
cultural possibilities of New Brunswick.
