SOPHOMORE TEAM

BEAT P. N. S. BASKETBALL
QUINTETTE 40 to 24

Fast Game Played in Normal School Gymnasium Yesterday Afternoon

In a fast and interesting game of basketball, played in the Normal School gymnasium yesterday afternoon, U.N.B. Sophomores defeated the Normal School team 40 to 24.

The College team lost no time in obtaining a good lead. At the close of the first half the Sophomores lead by the score of 25 to 11. At the start of the second half the Normal School put forth strenuous efforts to make up their disadvantage, but their efforts were frustrated by the strong defence of the University team.

Both teams showed good form in combination, with the Sophomores having a slight advantage.

Bennett, Bridges and Saunders were the stars for the Sophomores, while Trimble and McCarron played well for the losers.

The teams lined up as follows:

P.N.S.	Sophomores
Forwards	McIntosh
McCarron	Bennett
Centers	
Trimble	Bridges
Defence	
Steeves	Caldwell
McLellan	Saunders
Referee	Roland Murray.

Scoring Summary.

Field Throws—P.N.S., McCarron, Steeves, Copp 3, Trimble 5; U.N.B., Saunders 2, McIntosh 3, Bridges 4, Bennett 5.
Rebels—McCarron 4, Bennett 4.

Unusual Batting Streak is Shown by Red Sox and Braves—Latter Won 16 Out of 20 Games.

All the rosy accounts of the Braves offensive power are confirmed in the first showing of the batting averages of the training season. In the Red Sox squad also, the showing is gratifying from a Boston fan's standpoint although the world champions have not yet engaged in as many games with outside teams as the Braves. In both camps, the unusual hitting marks are the features of the practice season.

The Braves have already gone through a rather elaborate schedule in which they faced very determined opposition. Twenty games have been played, of which they lost two and tied two—this in the series with their team-mates playing under the name of Seminoles.

Against their old opponents of the 1914 world championship series they made a clean sweep of five games, against the picked-up teams of the training camp region they also made a clean sweep of five.

TY COBB HAD

BETTER OF KAUF
IN FIRST MEETING

Each Got Two-Base Hit But Cobb Was Better on the Bases—Detroit Won.

Houston, Tex., April 2—The supremacy of the diamond still rests with Ty Cobb. His long delayed meeting with Benny Kauf, late of the Federal League, took place at West End Park this afternoon and when the bugles sounded cease firing, Ty held his ground with colors flying. Each got a two-base hit but Ty excelled on the paths, scored two runs and fielded sensationally.

While this individual battle was being waged the Giants and Tigers went at each other in the final and deciding game of their series. The Tigers not only beat the Giants by 9 to 2, but made them look a whole lot worse than the score would indicate. All sorts of untoward incidents bobbed up, and while errors of commission were not many, blunders in judgment were of frequent occurrence.

Stomach Was Bad.

Could Eat Hardly Anything.

When the stomach gets out of order the whole system seems to become affected in one way or another. The breath becomes foul, the tongue furred, the appetite becomes disturbed, nausea and vomiting occur, there is a rising and souring of food caused by the acidity of the stomach, and the stomach and bowels become distended causing flatulency. Unless these symptoms are met with immediately, dyspepsia or some other serious trouble is liable to follow as a consequence.

That grand old remedy, Burdock Blood Bitters, has been on the market for the past forty years, and we claim, without any fear of contradiction, that there is not another medicine on the market to-day that can compare with it for the cure of all disturbances of the stomach.

Miss Lillian E. Phillips, Plummer, N.B., writes: "My stomach was so bad I was in pain and misery. I could eat hardly anything. I had been treated by skillful doctors for it, but they did me no good. I was giving up in despair when I happened to hear of Burdock Blood Bitters. You can't think how fast it helped me, for I had only taken two bottles before I was better. I will recommend your medicine very highly to all my friends and sufferers."

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

POINTERS ON PATRIOTIC FUND.

The maintenance of this fund is a matter of much moment to all thinking citizens of Canada. Its object, as we know, is to provide for the dependents of those who are fighting the battle of freedom for us, but this object can be ill fulfilled if contributions are allowed to fall below the mark set in the early stages of the struggle.

Periodic contributions of cash are the largest source of revenue, but money derived from sales and other functions also take a prominent place. Despite this, however, the revenue is not increasing in anything like the same ratio as the drain upon the funds. Thus the debt is piling up and it behooves all Canadians worthy of the name to exert themselves even more than they have already been called upon to do.

With this end in view the U. N. B. Dramatic Society are presenting at the Opera House tonight and Wednesday evening a four-act comedy-drama the total net proceeds of which go to the Patriotic Fund. This is a chance for you to do your little bit. Every seat sold is that much given to the fund, and moreover, we can safely promise you 100 per cent value for your money.

:- Cleaner Bathrooms :-

The Marble Slab Lavatory, the Tin Bathtub, the Pan Closet, all of these dirt catchers and disease breeders have almost entirely disappeared. In their places have come the glistening white "ALL CLAY" Fixtures, which have made the bathroom a room of beauty and of pride. Let us demonstrate how well and how moderately we can install good plumbing.

THE FIRST COST OF A

TITAN KEROSENE ENGINES

may be slightly more than some other gasoline engines, but the difference is far more than offset by the saving in fuel and batteries, the greater durability and power and the all around satisfaction in operating.

Kerosene costs 18 1/2 cents by the barrel, Gasoline 33 1/2 cents.

A gallon of Kerosene in a Titan gives as much power as a gallon of Gasoline. Figure out for yourself the saving in fuel alone and you will not buy anything but a Titan.

TITAN ENGINES are all equipped with a MAGNETO that does away entirely with the necessity of batteries.

TITAN ENGINES HAVE THROTTLE GOVERNOR, giving uniformity of speed.

The Printing and Publicity Specialist Talks To His Son

"Say, John, I feel quite sick today," said Mr. Blank. "Please visit the different doctors in town, and find out who will cure me for the least money. Get your quotations tabulated and then let me see them. Of course we will engage the doctor who charges the least."

"Why, I never heard of such a thing," said John. "The idea of getting quotations from a doctor; it's the asylum for you."

"Well now, why not? I am a specialist in printing and publicity. I study my business just as carefully as any doctor can do. If I do say it that shouldn't, I have just as much brains as the average doctor. I strive to give my customers the benefit of my knowledge, my artistic skill and judgement and my ideas on publicity. I give service as the term is understood in the Twentieth Century."

"When some people around here have a little printing to be done, they visit all the printing offices, get quotations from each one, and then give the work to the man who gives the lowest figures."

"The ordinary user of printing knows his own business, but he is no more a judge of the work of printing than he is a judge of what sort of medicine a doctor should give him for the cure of his ailment. If people ask me for quotations and pass me by if my price happens to be a little more than the other fellow, why shouldn't I apply the same method to the doctor, lawyer, dentist and painter? Why not? It's a mighty poor rule that won't work more than one way."
