DEFENCE RESTS IN
ORPHEUS' CAPTURE

Waukegan, Ill., July 7.—The defence, after introducing documentary evidence bearing on the Wisconsin statute governing the sale of poisons, rested today in the case of Will H. Orpet, the college student charged with the murder of Marion Lambert.

The Allies are inclined to beware the Greeks bearing promises of demobilization.

When a man breaks his promise to a woman he can always soothe his conscience by making her another "just as good."

Near love is like champagne, which goes to a man's head and fills him with dizziness and vanity; real love is like religion, which goes to his heart and fills him with fear and humility.

When a man starts looking for trouble he seldom meets a friend too busy to assist in the search.

A CAUSE OF INDIGESTION

People Who Complain of This Trouble
Usually are Thin
Blooded.

Thin blooded people usually have stomach trouble. They seldom recognize the fact that thin blood is the cause of the trouble, but it is. In fact thin, impure blood is the most common cause of stomach trouble; it affects the digestion very quickly. The glands that furnish the digestive fluid are diminished in their activity; the stomach muscles are weakened, and there is a loss of nerve force. In this state of health nothing will more quickly restore the appetite, the digestion and the normal nutrition than good, rich red blood. Dr. Williams' Pink Pills act directly on the blood, making it rich and red, and this enriched blood strengthens weak nerves, stimulates tired muscles and awakens the normal activity of the glands that supply the digestive fluids. The first sign of improving health is an improved appetite, and soon the effect of these blood-making pills is evident throughout the system. You find that what you eat does not distress you, and that you are strong and vigorous instead of irritable and listless. This is proved by the case of Mrs. J. Harris, Gerrard St., Toronto, who says:

"About three years ago I was seized with a severe attack of indigestion and vomiting. My food seemed to turn sour as soon as I ate it, and I would turn so drowsy sick that sometimes I would fall on the floor after vomiting. I tried a lot of home remedies, but they did not help me. Then I went to a doctor who gave me some powders, but they seemed actually to make me worse instead of better. This went on for nearly two months and by that time my stomach was in such a weak state that I could not keep down a drink of water, and I was wasted to a skeleton and felt that life was not worth living. I was not married at this time and one Sunday evening on the way to church with my intended husband, I was taken with a bad spell on the street. He took me to a drug store where the clerk fixed up something to take, and my intended got me a box of Dr. Williams' Pink Pills. By the end of the first week I could feel some improvement from the use of the Pills, and I gladly continued taking them until every symptom of the trouble was gone, and I was again enjoying the best of health. These Pills are now my standby and I tell all my friends what they did for me."

You can get Dr. Williams' Pink Pills from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

what Studebaker
COMFORT means!

Just look at that illustration a second time. Look at the roominess of this new Studebaker SERIES 17 FOUR—the individualized COMFORT that's built into the car for every one of the SEVEN passengers it carries.

Not a detail has been overlooked that will make the car easier-riding. The front seats, for example, are divided—and they are also adjustable—that is, they can be moved fore or aft to fit the passenger's wishes.

In the tonneau, roominess is especially evident—lots of room for five full-grown people. The rear seat is wide and deep and luxuriously upholstered with the finest straight-grain, semi-glazed leather. And everywhere roominess, convenience and a host of COMFORTS have been built into the car.

This new Studebaker is the most powerful 4-cylinder car on the Canadian market within hundreds of dollars of its price—the biggest car that any such price as \$1225 ever bought—but on COMFORT alone it stands as the GREAT value of the year. Come in and see this splendid "Made in Canada" Car.
