### COULD NOT BEND DOWN COULD NOT WALK STRAIGHT BACK WAS SO BAD.

The bad back comes from the kidneys, and unless the kidneys are carefully watched and properly regulated many serious troubles may follow.

Doan's Kidney Pills will cure all forms of kidney trouble, and cure the kidneys so that they will stay cured.

Mr. J. A. Lubiniecki, Dauphin, Man., writes: "It is my pleasure to write you in regard to Doan's Kidney Pills which I have been using for some time for kidney trouble, which used to affect my back so that at times I could not bend down nor could I walk straight. I learned about your pills from your ad in the paper, and I bless the happy hour I thought of buying this medicine. Ours is a druggist persuaded me to buy Doan's Kidney Pills, saying they were just as good, in fact he guaranteed they were. I yielded to his advice, and what was the result? I had been bending down in my back for two days, so I took the balance of the pills unused to the druggist and told him to give me Doan's Kidney Pills as they would stop the pain in twelve hours at the outside. He told me he was sorry I did not use more of the pills, and lengthen the time to await results. I told him there was no need of waiting with Doan's Pills; they are right to the spot. No substitute for me."

Doan's Kidney Pills are 50c per box, 3 boxes for \$1.25. See that our trade mark, "The Maple Leaf," is printed on both the label and wrapper.

"Doan's" are manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

### Mudings of a Modern Maid

Signs that the honeymoon is over; When he kisses her with his hat on his head, his eyes on the clock and his hand on the door-knob.

A self-made man may brag about his "maker," but a self-made beauty keeps her origin dark.

Kiss: A combination of curiosity, sentiment, lip-salve, sachet, long practice, and stale cigarettes.

After a few years a husband never forgets to kiss his wife every morning and evening, but by that time he would do anything on earth to avoid a discussion.

Suddenly falling out of love gives you that same deadly sickening sensation as being in an elevator that stops with a jolt.

No man ever was so bald that a woman couldn't make him blush with pleasure by remarking what a pretty color his hair must have been.

## The Printing and Publicity Specialist Talks To His Son

"Say, John, I feel quite sick today," said Mr. Blank. "Please visit the different doctors in town, and find out who will cure me for the least money. Get your quotations tabulated and then let me see them. Of course we will engage the doctor who charges the least."

"Why, I never heard of such a thing," said John. "The idea of getting quotations from a doctor; it's the asylum for you."

"Well now, why not? I am a specialist in printing and publicity. I study my business just as carefully as any doctor can do. If I do say it that shouldn't, I have just as much brains as the average doctor. I strive to give my customers the benefit of my knowledge, my artistic skill and judgement and my ideas on publicity. I give service as the term is understood in the Twentieth Century."

"When some people around here have a little printing to be done, they visit all the printing offices, get quotations from each one, and then give the work to the man who gives the lowest figures."

"The ordinary user of printing knows his own business, but he is no more a judge of the work of printing than he is a judge of what sort of medicine a doctor should give him for the cure of his ailment. If people ask me for quotations and pass me by if my price happens to be a little more than the other fellow, why shouldn't I apply the same method to the doctor, lawyer, dentist and painter? Why not? It's a mighty poor rule that won't work more than one way."
