HON. DR. PUGSLEY DEALS WITH A TORY CANARD

Thinks Ottawa Correspondent of the Toronto News Has a Fertile Imagination--Proposal to Extend Life of Parliament Will be Dealt With by the Liberals on Its Merits.

(St. John Telegraph.)

The Standard yesterday reproduced from the Toronto News an alleged Ottawa despatch of November 18, in which it was said that there was a rumor that the Hon. William Pugsley, Brigadier General H. H. McLean, and Dr. Michael Clark were contemplating leaving the Liberal party if that party should refuse to extend the term of parliament when asked to do so at the coming session by Sir Robert Borden. The Toronto News, which is one of the most violent and unreliable of Conservative organs—almost in the class of the Standard in that respect—built an extensive structure of words around the alleged rumor, obviously for cam-

paign purposes, and the Standard, of course, gave the article some prominence and expended no little editorial labor upon it.

The article from the Toronto News was brought to the attention of Hon. William Pugsley yesterday by the Telegraph, and he was asked if he desired to make any comment upon it.

"I very much doubt," said Mr. Pugsley, "if there was any such rumor afloat in Ottawa as the one referred to by the Toronto News. I think it much more likely that the Ottawa correspondent of the News evolved the whole fabric out of his imagination, as he has in the past drawn on his imagination in other matters concerning myself. I

may say that my relations with our great chieftain, Sir Wilfrid Laurier, and my other Liberal colleagues, are of the most cordial nature.

"So far as an extension of the term of parliament is concerned, that is a matter which must be dealt with at the next session if the Government of the day should bring forward any proposal in that connection. If such a proposal is made when parliament meets, I have no doubt that the Liberal members will give it most careful consideration.

"The question of deciding whether a second extension of the parliamentary term is necessary or justifiable is one of much importance, and no doubt if parliament is asked to pass upon that question Liberal members will decide according to what they regard as the best interests of the country, and what they believe to be the wishes of the Canadian people, whose servants we are, and whose wishes we are bound to obey so far as is possible."

It was evident that Hon. Mr. Pugsley had read the campaign output of the Toronto News with some degree of amusement. It will be noted that what Dr. Pugsley says with reference to the extension of the parliamentary term is very much in line with what was said on the same subject a few days ago by Sir Wilfrid Laurier.

GREEK STEAMER GIVEN UP FOR LOST

Boston, Nov. 21.—Fifty-three days out on a voyage ordinarily completed in 18 days, the Greek steamer Nicholas Athanasulis, from Penarth, Wales, for this port, was given up as lost by agents here today. The steamer called at Madeira for bunker coal on Sept. 29, seven days after leaving the Welsh port.

She has not been heard from since leaving Madeira. The Athanasulis, a vessel of 2,244 tons, carrying a crew of 33 men, was under charter to load 175,000 bushels of grain here for delivery to the Greek government at the port of Athens.

BELGIANS PAY RANSOM

Amsterdam, Nov. 21, (via London).—According to the frontier correspondent of the Telegraph, a number of Belgians who had been deported to Germany have returned to Belgium, having paid a ransom to the Germans. It appears, declares the correspondent, that the Germans have placed ransom price for 1,000.

MARYSVILLE NOTES

Splendid Entertainment by the Schools
in Aid of the Belgian Children's
Relief Fund.

The entertainment given by the teaching staff and scholars of the Marysville schools was a splendid success from every point of view. The sum of \$105.85 was realized for the Belgian Children's Relief Fund. The children showed excellent training, which speaks well for the principal and the teachers of the different schools.

Miss Hallett, principal of the teaching staff, acted as chairman, and the following programme was beautifully rendered:

Solo—Etta Bailey.
Motion song—The Ten Milkmaids.
Recitation—James F. Inch.
Exercise—Boys' Wishes.
Chorus—Tipperary.
Recitation—Ralph Boyce.
Motion Song—The New Moon.
Recitation—Edgar Godbout.
Exercise—The Red Fox.
Recitation—A Small Boy's Complaint—Marvin Mitchell.
Orchestra and Chorus—O Canada.
Exercise—The Rose Fairy.
Recitation—To Britannia—Percy White.

Recitation—Mud Pies—Clara Estabrooks.
Exercise and song—The Meaning of the Colors.
Orchestra and Chorus—Keep the Home Fires Burning.
Exercise—War, on Western Front.
Recitation—Boyle's Town—Morland Robinson.

Chorus—Soldiers of Canada.
Dialogue—Harry's Pockets—Margaret Clayton and Harold Nickerson.
Orchestra and Chorus—We'll Never Let the Old Flag Fall.
Exercise—Britannia.
Recitation—The List—Christine Stafford.

Exercise—Good Night—Eight girls.
Chorus—God Save the King.

So well received was the programme that a strong request was made that it be repeated the following night. The teaching staff, though weary from their extra work, but always courteous and obliging, gladly consented, and on Friday evening the performance was again presented with marked success to a full house.

Miss Bessie Manzer left on Tuesday for Florida, with her aunt, Miss Mabel Manzer. Miss Manzer has accepted a position at the above named place, and her many friends wish her every success.

Rev. Mr. Elliott filled the pulpit of the Main Street Baptist Church Sunday morning and evening.

The friends of Mrs. Bert Dennison will be pleased to know that she is recovering from a severe attack of rheumatism.

A special meeting of the Marysville Town Council will be held Thursday evening for the transaction of general business.

Mr. Henry Hanson will succeed Mr. Wm. Moore as manager of the Marysville Hotel. Mr. Hanson has had considerable experience in the business, and no doubt will make some much needed changes.

25 CENTS CURES YOUR DANDRUFF AND STOPS FALLING HAIR

Save Your Hair! Make It Thick, Wavy
and Beautiful—Try
This.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy, and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

SKIRTS NOT TO BE SO SHORT.

And Coats Must Fit Easily, is Edict of
Chicago Convention.

Chicago, Nov. 17.—Americanization of spring styles and fabrics for women is the plan up for discussion before the National Cloak, Suit and Skirt Manufacturers' Association, which opened a convention here today.

It seems the lines for the coming season will be long and straight, with skirts not as short as hitherto, and the coats fitted easily about the waist.

TEUTONS REPULSED.

Petrograd, Nov. 21.—The repulse of an Austro-German attack on the Russian line in the wooded Carpathians, is announced in today's War Office statement along the western Russian front.
