

PALE CHECKED WOMEN TOLD ABOUT RESTORING A ROSY COMPLEXION

A few years ago the girl with pale, drawn cheeks scarcely knew what to do in order to restore her fading appearance. At that time there was no blood-food medium made that really would put color and strength into systems that were more or less worn out.

Today, it's different. The blood can be quickly nourished, can be made rich, red and healthy. All you have to do is to take two Ferrozone Tablets with a sip or two of water after meals. The effect is almost magical.

Mothers, look at your children. Are they ruddy and strong—do they eat and sleep well, or are they pale, weak and anaemic?

FERROZONE will rebuild them. Take your own case—is your blood strong and rich? Have you that old-time strength and vigor or are you somewhat under the weather? FERROZONE will supply the strengthening elements you require. It is a blood-forming, nourishing tonic that makes every ailing person well.

FERROZONE is a marvellous remedy, it contains in concentrated form certain rare qualities that especially fit it in cases of anaemia, poor color, thin blood, tiredness and loss of weight.

Every day you put off using FERROZONE you lose ground. Get it to day, sold in 50 cent boxes by all dealers, or by mail from the Catarhazone Co., Kingston, Ont.

OUR CANADIAN SOLDIER BOYS.

When England called for men to arm,
To crush the German foe,
Our Dominion never faltered.

She had thousands soon to go.
They came from city, town and hamlet,
From east and from the west.
To fight for King and Country
And strive to do their best.

Some have gone to a foreign clime,
Across the ocean's wave,
To fight beside the Allies,
To be numbered with the brave.
God give them many victories
With strength and strong endeavor
To uphold our fair Canadian name
And the Maple Leaf forever.

God bless our noble women,
Who, when the call to go,
Gave husband, son and sweetheart
To fight the tyrant foe.
Some may live to meet their loved ones
Some have died in battle's strife,
But they will meet again in heaven,
A new and better life.

Then call beneath the banner—
That emblem of the free,
It is the crimson cross of Britain
Stands for right and liberty.
Fight for home and country,
Every true Canadian son;
Fight for dear old England
Till her cause is safely won!

They speak of England's veterans,
Of France and Russia's too;
About our Canadian volunteers
They very little knew.

TO TREAT GERMSNY AS AN ENEMY

Germany Property in Italy Placed on
The Same Footing as That of
Austria Hungary.

Rome, July 20, via Paris, July 21.—A ministerial decree was posted today placing the persons and property of Germans on the same footing as those of Austrians and Hungarians. The decree does not directly mention Germans, but states that allies of Austria are to be treated as enemies, and their subjects and goods are liable to sequestration.

Prior to the war German property and interests in Italy were estimated to be worth \$250,000,000. Their value is now placed at \$150,000,000.

There are only a few more subjects now in Italy, and these will be either placed in concentration camps or sent across the Swiss border.

There has been a strong agitation in Italy for some time for breaking off all relations with Germany. The curious situation caused by Italy being at war with Austria, while nominally at peace with Germany, was emphasized by an agreement between Rome and Berlin, wherein all rights of citizens of one country domiciled in the other, were to be respected.

On July 16 the agreement was denounced by Italy on the ground that it was not being conserved by Germany.

If war is now declared on Germany Italian troops may be sent to the western front, according to the expectations expressed in London and Paris.

AMPLE REASON.

In a certain art gallery is a picture entitled "Saved," representing a large Newfoundland dog standing over a child whom it had rescued from the river.

Many people from the country find their way to the gallery and nearly all admire this lifelike painting. One day an old countrywoman gazed at the picture for quite a long time, and as she turned to go exclaimed: "No wonder the child fainted after dragging that big dog out of the water."

ON EUGENICS.

Prof. Flower said in an address on eugenics: Youth's point of view is better than age's when it comes to questions of eugenics. Here, for example, is a dialogue to prove my claim.

A beautiful girl said on a white beach to her fashionable mother: "Yes, mother dear, I like Mr. Gobsa Gold, but isn't he too old to be considered eligible?"

The fashionable mother compressed her rouged lips.

"On the contrary, my love," she said. "He is too eligible to be considered old."

But when it came to fighting 'Midst shrapnel shells' loud noise, All have to take their hats off To our Canadian soldier boys.

6 MONTHS OLD BABY Cured of DIARRHOEA

During the hot weather young children are very much subject to diarrhoea, in fact more so than adults, on account of the more delicate construction of their constitution. It behoves every mother to look after her children on the first sign of any looseness of the bowels, for if they do not some serious bowel trouble such as diarrhoea, dysentery, cholera infantum, cholera morbus, summer complaint, etc., is liable to follow, and they will, perhaps, lose their little one by not taking the precautions to check this looseness of the bowels by using Dr. Fowler's Extract of Wild Strawberry.

Mrs. Chas. Monck, Marlbank, Ont., writes: "When my little girl was about six months old she took a severe attack of diarrhoea. I tried castor oil, laudanum and other treatments, but they were of no use. A neighbor told me about Dr. Fowler's Extract of Wild Strawberry. I tried it, and after giving my baby two doses I could see a great change for the better. I have always praised 'Dr. Fowler's' since then."

Dr. Fowler's Extract of Wild Strawberry is the original. See you get it when you ask for it. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont. Price 35c.

A WOMAN'S WAY.

Cornelius Vanderbilt said, in a recent argument on preparedness:

"They who would rely on a volunteer militia instead of on a conscript army know as little about real preparedness as the lady about tobacco."

"Why," said the lady, "it's all nonsense to say a woman can't buy her husband's cigars. I never have the least difficulty."

"No? What's your system?" she was asked.

"I just take along a sample stump and there's never the least trouble about matching the shade."—Washington Star.
