THE APPEAL

Lieut. Colonel Guthrie and Officers of the 236th Overseas Bat-
talion (New Brunswick Kilties—Sir Sam's Own) appeal to every man
who is physically fit to put on the Tartan of Clan MacLean.

THE TARTAN OF GOOD CLAN MACLEAN.

(By Major C. G. Geggie.)

Oh, men of the Thistle, the Shamrock, the Rose,
You men of a land where true Liberty grows,
Come fight for the women and bairnies at home,
And put on the Tartan of good Clan MacLean.

Come, follow the leaders who gave of their blood,
That the flag of their country be never down trod.
Come, fight ye with might, and come fight ye with main,
Come, put on the Tartan of good Clan MacLean!

We want you, we need you, oh, men of the Gael,
And you of the Green Isle, we know you'll not fail.
Come out, lusty Saxon, and strike for your ain,
Come, put on the Tartan of good Clan MacLean!

WORLDLY WISDOM.

There are many kinds of music. One
kind is when a joy rider almost runs
you down and you hear one of his
tires blow out after he passes you.

To replace the familiar steam roller
a gasoline machine has been developed
which, in addition to economizing on
fuel, gives its driver an unobstructed
view of his work.

Women are great economists when it
comes to buying something for hus-
band to wear.

"Surgery to Reform Boy." Some of
us, however, still try the old kind with
the woodshed as an operating room.

In a new rear signal for automobiles,
pressing a button on the steering wheel
lights a red light and lifts a semaphore
which is lowered and the light changed
to green when the button is pressed a
second time.

Try to be different from your neigh-
bore and no doubt they'll appreciate
the effort.

Opposition Platform

The following platform was adopted at the Opposition Con-
vention held in St. John recently:
In the event of the Opposition being returned to power, we pledge
ourselves:—

NO PARTIZAN CONTROL OF CROWN LANDS.

1. We pledge ourselves to completely reorganize the Crown-
Lands Department, so that its administration shall be entirely
severed from politics and administered on sound business prin-
ciples under systematic plans by a non-partizan commission speci-
ally appointed for that purpose, responsible to the Legislature and
working in co-operation with the Dominion Commission of Con-
servation.

TAKE THE HIGHWAYS OUT OF POLITICS.

2. We pledge ourselves to take the highways out of politics,
giving the expenditure of the money collected from the people and
the control of the labor, together with the Government appropria-
tions, into the hands of supervisors, chosen by the people of each
parish, to whom a detailed and audited account must be rendered
every year at the annual meeting, and a duplicate thereof for-
warded to the Department of Public Works, the work of the super-
visors to be under the inspection of a competent provincial en-
gineer.

We also pledge ourselves to set aside the money collected
from the licenses upon automobiles and other motor vehicles, to-
gether with an equal appropriation from the revenues of the Pro-
vince each year, to pay the interest upon the bonds to provide for
permanent roads, which shall be constructed as rapidly as possible.
PROHIBITION PROVINCE WIDE.

3. We pledge ourselves at the first session of the Legislature
to pass a law prohibiting the sale of intoxicating liquors within
the Province to the fullest extent allowed by the Constitution, and
within three months after the passage of said Act to submit the
same by referendum to the electors of the Province, and should
the majority of votes cast be in favor of the said law, then to
bring the same into force by proclamation within one year there-
after.

ELECTION LAW.

4. (a) To amend the electoral law so as to make it impossible
members of the Legislature to traffic with the Government and
still retain their seats.

(b) To make it possible for young men, when they reach the
age of 21 years, to register their names and be placed forthwith
upon the voters' lists, instead of waiting for the tedious machinery
revision as it now exists.

(c) To divide the counties into electoral districts which shall
each be represented by one member.

(d) We will also consider amendments to the election law to
make bribery in municipal as well as provincial elections impos-
sible.

PROVINCIAL FINANCES.

5. To obtain at once a correct statement of the financial con-
dition of the Province in order that the people may have definite
knowledge of the vastly increased public debt and the enormous
obligations of guaranteed bonds they will be called upon to pay;
and to so reduce the cost of the administration of affairs and the
number of useless officials as to avoid the necessity for direct tax-
ation now confronting us.

AGRICULTURE.

6. To give the farmers all the practical assistance that the
resources of the Province will permit, to improve agricultural
methods and the quality and quantity of the stock upon the farm;
to reduce the enormous salary list in the department, and to spend
the educational grant received from the Federal Government
without regard for political patronage.

VALLEY RAILWAY.

7. To complete the Valley Railway from a point on the Trans-
continental Railway at or near Grand Falls, to St. John, and insist
upon the Dominion Government carrying out the terms of the
original legislation and allow the Province forty per cent. of the
gross earnings thereof.

EDUCATION.

8. To always maintain and improve the educational service
of the Province and to co-operate with the Federal Government in
carrying out the recommendations of the commission upon tech-
nical education.

IMMIGRATION.

9. The inauguration of a vigorous immigration policy to
properly place before intending immigrants, whose number will
be large after termination of the war, the advantages of the agri-
cultural possibilities of New Brunswick.
