CURE YOUR COUGH

BY BREATHING "CATARRHOZONE"

You may dislike taking medicines, but coughs are best cured without medicine. The modern treatment is "CATARRHOZONE." It isn't a drug. It's a healing vapor full of pine essences, and healing balsams. It spreads over the surfaces that are weak and sore from coughing. Every spot that is congested is healed; irritation is soothed away, phlegm and secretions are cleaned out, and all symptoms of cold or catarrh are cured. Nothing so quick, so sure, so pleasant as Catarrhozone. Beware of dangerous substitutes meant to deceive you for genuine CATARRHOZONE. All dealers sell Catarrhozone, large size, which lasts two months, price \$1.00; small size 50c.; sample size 25c.

PERONNE REPORTED

TO BE IN FLAMES

German Headquarters, via Berlin, Aug. 8, via London, Aug. 9.—Since yesterday the famous old French city of Peronne has been under French artillery fire, resulting in a great conflagration which threatens to wipe it out.

It is considered doubtful whether Peronne's celebrated wooden houses in late Gothic style, and the Cathedral of St. John can be saved from the flames.

PERSONAL.

Mrs. Minnie Beers, her son Arthur and her sister, Miss Helen McAloon, of St. Stephen, are in the city today on their way to Stanley to spend a fortnight.

Mr. S. B. Bustin, barrister, of St. John, is here with a yachting party.

Mr. R. L. Phillips was a passenger to Woodstock last evening.

Mr. George B. Jones, M. P. P. for Kings, was here last night on Valley railway business.

Mr. E. S. Carter, of Fair Vale, is a guest at the Queen.

Rev. G. F. Scovill, of St. John, is in the city today.

Government Meeting.

The members of the Local Government, including Hon. P. G. Mahoney, ex-M. P. P., are all here and held meetings last night and this morning. So far as can be learned, there was not much done in the way of business. Premier Clarke is an applicant for the vacant judgeship, and is hopeful that this will be his last meeting. The members of the Executive will go to St. John tomorrow to take some soundings.

If you suffer from this painful malady, apply Zam-Buk. It is purely herbal, quickly eases the dull, gnawing pain, stops bleeding, ends the irritation, and in a short time completely and permanently cures. Zam-Buk should be in every home.

Mrs. C. Hanson, Poplar, B.C., says: "I suffered for years with bleeding piles. The pain was often so bad I could hardly walk. I tried remedy after remedy, and finally underwent an operation, but only got temporary relief. At last I tried Zam-Buk. Perseverance with this completely cured me and there has been no return of the trouble."

How You May Throw Away Your Glasses

The statement is made that thousands wear eyeglasses who do not really need them. If you are one of these unfortunates, then these glasses may be ruining your eyes instead of helping them. Thousands who wear these "windows" may prove for themselves that they can dispense with glasses if they will get the following prescription filled at once: Go to any active drug store and get a bottle of Bon-Opto tablets. Dissolve one Bon-Opto tablet in 12 grains of water. With this harmless liquid solution bathe the eyes two to four times daily, and you are likely to be astonished at the results right from the start. Many who have been told that they have astigmatism, eye-strain, cataract, sore eyelids, weak eyes, conjunctivitis and other eye disorders, report wonderful benefits from the use of this prescription. Get this prescription filled and use it; you may strengthen your eyes that glasses will not be necessary. Thousands who are blind, or nearly so, or who wear glasses might never have required them if they had cared for their eyes in time. Save your eyes before it is too late! Do not become one of these victims of neglect. Eyeglasses are only like crutches and every few years they must be changed to fit the ever-increasing weakened condition, so better see if you can, like many others, get clear, healthy, strong magnetic eyes through the prescription here given. The Valmas Drug Co., of Toronto, will fill the above prescription by mail, if your druggist cannot.

A prominent City Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family."
